Call to Order:
Jeremy called the meeting to order at 7:00 pm.

Approval of Meeting Minutes:
Jason made a motion to approve the January minutes.
Rob seconded the motion.
No discussion.
Vote was unanimous

Public Comment:
No public comments.

Financial:
January revenue was reviewed.

Crossroads Figure Skating Club:
The Club noted the Synchro team competed recently and placed well. The Club also hosted a test session recently that had good participation.

Old Business:

Female Locker

A new plumbing contractor is beginning work on installing a new shower control valves for the hockey locker rooms in one location to begin with and evaluate how well they will perform. Skatium Management also noted that routine maintenance and any small updates will be made in the upcoming offseason.
Open. In Progress

Yearly Calendar of Recurring Events
Open. In Progress.

Skatium Operations Manual
Open. In progress.

ICSHL Games
Skatium Management noted there were no security issues at the remaining games.
Closed. (This item may be removed after February's meeting.)

HVAC System
The Township Engineer provided an update noting the third-party consultant was on site inspecting the issue and equipment on 2/11/26. Potential solutions were identified and will be presented in a memo update on the issue for next meeting.
