Motion made by Commissioner Hart and seconded by Commissioner McCollum to award the Darby Creek Trail, Southern Extension – Phase 1, to Premier Concrete, Inc., Broomall, PA, in the amount of \$125,975.00; contingent upon the execution of the contract and supply of the required bonds and insurance.

All 9 Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Parks and Recreation

CREC – HVAC System

Motion made by Commissioner Hart and seconded by Commissioner Trombetta to approve a one year HVAC Maintenance Contract for the CREC with Trane Technologies, King of Prussia, PA, in the amount of \$18,841.29.

All 9 Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Purchases

Playground Equipment

Grange Park

Motion made by Commissioner Hart and seconded by Commissioner Quinn to authorize the purchase of two (2) baseball cages and fencing at Grange Park from Miller Sports Construction, West Chester, PA, under Co-Stars Contract #: 008-E22-184, in the amount of \$50,000.00.

All 9 Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Hilltop Park

Motion made by Commissioner McCollum and seconded by Commissioner Trombetta to authorize the purchase of a replacement play equipment structure, from Recreation Resource, Kennett Square, PA, under Co-Stars Contract #014-E22-249, in the amount of \$24,116.00.

All 9 Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Appointment:

Civil Service Commission

Motion made by Commissioner Quinn and seconded by Commissioner McCollum to appoint Mark O'Connor to serve on the Civil Service Commission for a six (6) year term to expire December 31, 2029.

Motion made by Commissioner Hart and seconded by Commissioner McCloskey to appoint Monet Reilly.

Motion to close made by Commissioner Trombetta and seconded by Commissioner Quinn.

5 Commissioners voted for Mark O'Connor: Commissioners Gondek, Quinn, McCollum, Trombetta and Holmes.

4 Commissioners voted for Monet Reilly: Commissioners Forste-Grupp, McCloskey, Cavender and Hart.

Discussion began concerning the terms for the Grange members. He provided clarification – the board did make them 2 year terms. The Grange does not need to revise their by-laws.
Continuation of Citizen's Forum for Non-Agenda Items

Todd Hall – 2nd Ward Resident

Mr. Hall highlighted Kids Night Out held during the winter months at the CREC. He hopes it can continue during other seasons.

Victor Barsky – 5th Ward Resident

Mr. Barsky congratulated Mr. Burman on his reappointment.

New business

Both Commissioner Hart and Quinn reported to the Board the major tree issue at the Grange. A 300-year old tree uprooted. This will be an expensive undertaking to remove. Other historical trees may have to be removed.

Commissioner Gondek spoke on the increase of vape shops in residential and school areas within township and asked for guidance of township solicitor.

Other business

1st Ward Commissioner Brian Gondek

He wished everyone a safe, happy and healthy new year. He also stated that the County's Health Department mailed to 70% of the county, plastic bags to be used for drug disposal...just add water in the bag. (These non-toxic pouches are an organic and safe alternative for proper disposal of unused, unwanted and expired medications with the simple addition of water. In a simple 3-step process, residents deactivate drugs by putting them in the Detera pouch, adding water, shaking, and throwing them away in the household garbage. DCHD will be issuing medium-sized Detera pouches that can deactivate up to 45 pills.

2nd Ward Commissioner Sheryl Forste-Grupp

Commissioner Forste-Grupp thanked all the residents that applied for positions on boards and commissions.

Commissioner also announced that she and the 7th and 8th Ward Commissioners will be holding their constituent meeting on January 25th at the CREC.

3rd Ward Commissioner Kevin McCloskey

Happy New Year to everyone! Commissioner McCloskey stated that the 3rd Ward has a lot of storm water issues and now with the major rain storm in the works; there will be many more issues.

5th Ward Commissioner Laura Cavender

Commissioner Cavender offered her congratulations to Dave Burman upon his reappointment.

Discover Haverford will hold a Meet and Greet at the Grange from 5:30 to 7:30 on Wednesday, January 10th

She also announced that Monday is Martin Luther King Day and that there will be a lot of service projects going on in the township.

7th Ward Commissioner Conor Quinn

Commissioner Quinn announced that NBC is sponsoring the Eagles Road to Victory Bus - which will be in Brookline Boulevard lot at 12:30 on Thursday. Come out and cheer them on.

8th Ward Commissioner Gerry Hart

Commissioner Hart also highlight Wards 8, 2 and 7 constituent meeting on January 25 at 7 p.m. He also welcomed Commissioner McCollum to his first meeting.

9th Ward Commissioner Mike McCollum

Commissioner McCollum thanked both Township Manager Dave Burman and Chief John Viola for providing him a tour. He thanked everyone for the welcome.

He plans on working directly with the Hilltop Civic Association to plan good community events.

4th Ward Commissioner Judy Trombetta

Haverford Township is excited to announce the launch of the Business Revitalization and Modernization Matching Grant Program! Applications will be accepted starting January 15, 2024, through February 16, 2024, at 4:00 p.m. To get a head start on preparing your application, explore the newly released scoring rubric available on the website.

This matching grant may cover expenses related to renovating interior business and dining areas, improving exterior façade and outdoor seating spaces, purchasing and/or installing energy-efficient equipment, or implementing technology upgrades to enhance online purchasing and customer engagement.

6th Ward Commissioner Larry Holmes

Commissioner Holmes told everyone to drive safely during the heavy rain storm. 2024 will be a very significant year for America. He ended by quoting Martin Luther King.

All Commissioners agreed to adjourn.

HAVERFORD TOWNSHIP - MEMORANDUM

Date: January 3, 2024

To: David R. Burman, Township Manager

From: Brian Barrett – Director of Parks and Recreation

Subject: HVAC maintenance contract for CREC

Attached is a quote for HVAC maintenance contract for the CREC. The quote is for \$18,841.29 from Trane. The funding will be from the CREC Operations budget. We received three quotes and Trane was the lowest.

If there are any questions, I will be on hand for the Board of Commissioner meeting on January 8, 2024.

Quote available upon request.

~ page 7 ~

http://www.havtwp.org/Board_of_Commissioners.html

HAVERFORD TOWNSHIP - MEMORANDUM

Date: December 22, 2023

To: David R. Burman, Township Manager

From: Brian Barrett – Director of Parks and Recreation

Subject: Baseball cages and fencing at Grange Park

Attached is the quote from Miller Sports Construction for 2 baseball cages (baseball and softball field) and 10 foot long section of 8 foot high fence installed of the front of each side of the cage for additional safety.

We will remove the existing posts, wire and rail from the existing cages. All new material will be black.

The price for the job is \$50,000. The funding for this purchase will be with ARPA monies.

The purchase is made through COSTARS Contract #: 008-E22-184

If there are any questions, I will be on hand for the Board of Commissioner on Monday, January 8, 2024.

Attachments upon request

HAVERFORD TOWNSHIP - MEMORANDUM

Date: January 4, 2024

To: David R. Burman, Township Manager

From: Aimee Cuthbertson – Director of Finance/Asst. Twp. Mgr

Subject: Skatium Locker Room Renovation and Space Planning

Included in the 2023 and 2024 budgets, the Skatium Locker Room Renovation & Space Planning Project goal (the “Project”) is to identify, devise and execute a viable renovation design to maximize to modernize locker rooms and other identified spaces on the main floor of the Haverford Skatium. There are currently (6) locker rooms that are not conducive to personal space, lack appropriate bathroom/shower facilities, and do not adequately allow for inclusion of all participants in today’s hockey and figure skating sports. The preliminary construction budget for this project is \$1,000,000 and the Board will recall that it borrowed monies as part of the 2023 bond issue to address needs within the Skatium.

The first step of this project is to engage the services of an architect to assist with design and feasibility under the existing footprint and budget. In fall of 2023, the Township solicited letters of interest from seven (7) firms identified with the assistance of Pennoni Associates, Inc. Six (6) of those firms expressed an interest in the project and were interviewed by a recommendation group consisting of myself, Commissioner Brian Gondek (Skatium liaison) and Rich Caesar (Skatium Advisory Board liaison) in October. Our group narrowed the list to three (3) firms and asked that each submit a proposal for professional services due by December 15, 2023.

After review of the proposals, as well as a cursory review by Dave Pennoni and Chuck Faulkner, the group respectfully recommends BKP Architects, PC of Philadelphia, PA at a cost not to exceed \$109,920.

HAVERFORD TOWNSHIP - MEMORANDUM

Date: December 6, 2023

To: David R. Burman, Township Manager & Dan Mariani, Director of Public Works

From: Dan Perri, Facilities Superintendent

Subject: Police/Municipal Mechanical/Energy Preventive Maintenance Contract

The Police/Municipal Mechanical/Energy Preventive Maintenance Contract is due for a 2-year renewal.

I have contacted several contractors such as, The Tustin Group and Elliot Lewis Corporation for proposals.

The Tustin Group:

(Mechanical)

Year 1 - \$ 20,644.00

Year 2 - \$ 21,698.00

Upon review, I am recommending The Tustin Group for a 2-year contract renewal. Elliot Lewis's contract terms were based around an hourly charge; which was a major deciding factor. With a 2-year option, the township will save on any increases that may occur the following year.

Ordinance no. P2-2024

An ordinance of the township of Haverford, county of Delaware, commonwealth of Pennsylvania, further amending and supplementing ordinance no. 1960, adopted June 30, 1986, and known as “general laws of the township of Haverford” chapter 175, vehicles and traffic.

Be it enacted and ordained by the board of commissioners of the township of Haverford, county of Delaware, commonwealth of Pennsylvania, and it is hereby enacted and ordained by the authority of the same:

Section 1. Section 175-94, schedule xix: parking time limited

Establish:

On the west side of Allston Road from Brookline Boulevard to, but not including 1204 Allston Road, 15-minute parking from 8:00 a.m. To 4:00 p.m., Monday through Friday

Section 2. That section 175-91, schedule xvi: parking of all vehicles prohibited at all times

Rescind:

East side of Allston Road from Brookline Boulevard to Sagamore

West side of Allston Road from Brookline Boulevard to a point 35 feet south thereof

Section 3. That section 175-95, schedule xx: special purpose parking zones:

Rescind:

On the west side of Allston road, approximately 75 feet south of its intersection with Brookline boulevard

Section 4. Upon effective date of this ordinance, the highway department shall install appropriate signs in the designated section or zones giving notice of the regulations aforesaid.

Section 5. Any ordinance or part of an ordinance to the extent that it is inconsistent herewith is hereby repealed.

Adopted this (insert date of approval) day of February, 2024.

Township of Haverford

Ordinance no. P1-2024

An ordinance of the township of Haverford, county of Delaware, commonwealth of Pennsylvania, amending and supplementing ordinance no. 1960, adopted June 30, 1986, and known as the “general laws of the township of Haverford, by further amending and supplementing chapter 95, article 111 recycling, section 95-13 and 95-25, is hereby amended to include:

Section 1.

§ 95-13 Administration.

A. Recycling – amend to include - community events

Community activities.

A. The organizers or sponsors of a community activity must establish a collection system that includes an appropriate number of recycling containers at easily accessible locations to accommodate the amount of recyclable materials generated. Community activity organizers and sponsors must provide signage and/or labels on recycling containers to indicate what recyclable materials are to be source-separated by event participants.

B. Organizers or sponsors must contact the township for the collection of recyclable materials.

Section 2.

§95-25 – definitions - amended to include

Community events.

Any Haverford township or outside organization participating and or sponsoring a community event in the township shall be responsible for the collection of recyclable materials to include: aluminum cans, bi-metallic cans, paper, plastic bottles and containers and glass

Section 3. Any ordinance or part of ordinance to the extent that it is inconsistent herewith is hereby repealed.

Section 4. Severability. The provision of this ordinance are severable and if any section, sentence, clause, part, or provision hereof shall be held illegal, invalid or unconstitutional by any court of competent jurisdiction, such decision of this shall not affect or impair the remaining sections, sentences, clauses, parts or provisions

of this ordinance. It is hereby declared to be the

Intent of the board that this ordinance would have been adopted if such illegal, invalid or unconstitutional section, sentence, clause, part or provision had not been included herein.

Section 5. Effective date. This ordinance shall become effective 10 days following final adoption by the board of commissioners and publication as required by law.

Adopted this (insert date/day of approval) day of February, 2024.

Professional Services Agreement

Agreement made this 8th day of January, 2023, by and between Haverford township, 1014 Darby road, Havertown, Pa., 19083, hereinafter referred to as the “township” and Haverford partnership for economic development dba Discover Haverford, 412 Darby road, Havertown, pa 19083, hereinafter referred to as “Discover Haverford”.

Witnesseth

Whereas, Haverford township was awarded monies through the American Rescue Plan act of 2021; and

Whereas, the township, through its 2024 budget duly adopted on December 11, 2023, authorized some of those monies be allocated to the Haverford township “business revitalization & modernization matching grant program” to benefit Haverford township businesses that have experienced negative economic impacts as a result of the covid-19 pandemic; and

Whereas, the township and discover Haverford have negotiated this agreement in which the township will engage discover Haverford to administer the program and serve as general coordinator of the program in accordance with guidelines contained in the program.

now, therefore, the parties hereto, do agree as follows:

1. The township does hereby designate and appoint discover Haverford to perform administrative duties, applicant assistance, eligibility evaluation and coordination of grant applications and payments submitted under the program beginning January 15, 2024;

2. Discover Haverford agrees:

- a. To supply, at its expense, all equipment, supplies and personnel to efficiently administer the above-mentioned program;
- b. To market the program through social media and/or print media as it deems effective;
- c. To coordinate the grants committee and serve as primary point of contact with each applicant in a method agreeable to both discover Haverford and the township;
- d. To provide reports, presentations, and financial accountings to the board of commissioners when requested by the township.

3. The township agrees to compensate discover Haverford, for all equipment, supplies and personnel furnished as follows with a not to exceed limit of \$25,000:

- 10% of each grant awarded plus \$250 for each denied application; billed monthly from discover Haverford to the township plus reimbursement for any separate and

distinguishable supplies related to marketing the program, as approved by the township.

4. Either party may terminate this agreement by giving to the other party fifteen (15) days written notice of intention to do so.

5. Concurrently with the execution hereof, the township will deliver a copy of the program guidelines and copies of all grant application materials relating to the above-mentioned program to discover Haverford.

6. This agreement represents the entire agreement between the parties, supersedes all prior and contemporaneous agreements and understandings, express or implied, oral or written between the parties pertaining to the Haverford township business revitalization & modernization matching grant program and any modification of this agreement shall be executed by the parties in writing to be valid.

7. The responsibilities under this agreement shall not be assigned without the written approval of the township. Further, this agreement shall not confer any rights or remedies upon any person other than the parties and their respective successors and permitted assigns.

8. the parties hereto are separate entities and nothing in this agreement or otherwise shall be construed to create any rights or liabilities of either party to this agreement regarding any rights, privileges, duties or liabilities of any other party to this agreement.

Signature (below)

In witness whereof, the parties have executed this agreement the 8th day of January, 2024.

Resolution No. 2355-2024

Resolution For Appointment Of Township Manager/Secretary

Whereas, on April 8, 2019, the Board of Commissioners appointed David R. Burman to the position of Township Manager/Secretary pursuant to Sections 501 of the Home Rule Charter of the Township of Haverford; and,

Whereas, in appointing David R. Burman to serve as the Township Manager/Secretary, the Board of Commissioners specifically waived the residency requirement as allowed by Section 502 of the Haverford Township Home Rule Charter; and

Whereas, the Board desires to retain the services of David R. Burman as Township Manager/Secretary, effective January 8, 2024; and,

Whereas, pursuant to Section 1301-A(b)(2) of Pennsylvania First Class Township Code, the Township may enter into an employment agreement with the Township Manager for a specified period terminating no later than the date of the board of commissioners' organizational meeting following the next municipal election.

Now, Therefore, Be It Resolved that the Board of Commissioners of the Township of Haverford hereby waives the residency requirement as allowed by Section 502 of the Home Rule Charter; and,

Be It Further Resolved that the Board authorizes the President of the Board of Commissioners to execute an employment agreement with David R. Burman as Township Manager/Secretary, commencing January 8, 2024 and ending on January 5, 2026.

Resolved this 8th day of January, 2024.

Resolution 2353-2024

Township Of Haverford

Annual Document Destruction

Whereas, the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania adopted the General Laws of the Township of Haverford (hereafter “the General Laws”) by Ordinance 1960, on June 30, 1986; and

Whereas, §4-1104 of the Administrative Code included in the General Laws of the Township declares the Board intent that the Township follow the schedules and procedures for the disposition of records as set forth in the Municipal Records Act of the Commonwealth of Pennsylvania, Act 428 of 1968; and

Whereas, in accordance with the said Act 428 of 1968, the Pennsylvania Historical and Museum Commission provided a Municipal Records Manual, the current edition being approved on December 16, 2008 and last updated on July 23, 2009; and

Whereas, in accordance with the said Act 428 of 1968, each individual act of disposition shall be approved by Resolution of the governing body of the municipality; and

Now, therefore be it resolved, by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, in accordance with the Municipal Records Manual cited above, hereby authorizes the disposition of the following public records:

- All 9 Commissioners voted Yes: Commissioners Gondek, Foreste-Grupp, McCloskey, Cavender, Quinn, Hart, Wechsler, Trombetta and Holmes.

24. Continuation of Citizen's Forum for Non-Agenda Items

Peter Diskin – Colfax Road

Mr. Diskin is suggesting that there be a trial period on Colfax Road for parking on both sides of the street.

Seth Samuel – Colfax Road

Parking on both sides is dangerous.

Michael Lee – Indicated that there is a proposed Billboard settlement in the works and raised a few questions.

Breck Taylor – Colfax Road

Mr. Taylor agrees to trying small things first. There is definitely a speeding problem.

Tony Falcone – Colfax Road

Mr. Falcone is against parking on both sides. There is definitely speeding.

Todd Hall – recited lyrics to a song relative to how great Haverford Township is.

Bryan Ramona – 9th Ward

Mr. Ramona has heard that the Board is considering adopting an ordinance to exempt the township building from having to come before the Historical Commission. He asked that the board do not do this.

25. New business

No new business.

26. Other business

Each Commissioner offered their sentiments and thanks to Commissioner Wechsler.

- 1st Ward Commissioner – Brian Gondek

Commissioner Gondek congratulated the new officers and wished everyone a happy holiday.

- 2nd Ward Commissioner - Sheryl Forste-Grupp

Commissioner Forste-Grupp thanked Mr. Todd for reciting the lyrics.

The temporary Library is now up and running in the Manoa Shopping Center.

She wished everyone a Happy Holiday.

- 3rd Ward Commissioner – Kevin McCloskey

Oakmont Fire Company will have Santa Sunday on December 17th.

- 5th Ward Commissioner – Laura Cavender

Commissioner Cavender had the opportunity to visit the Middle School 6th graders on the topic of how to Improve their Community.

Coopertown Civic Association will be holding their Luminary Night and Carriage Ride.

This is the final week of leaf collection in the 5th Ward.

- 7th Ward Commissioner – Conor Quinn

Brookline Fire Company will hold their Santa Sunday at 12 noon.

Last week of Leaf Collection next week.

- 8th Ward Commissioner – Gerry Hart

The 8th Ward will have their last leaf collection next week.

He thanked everyone that reached out during his family home fire tragedy.

- 4th Ward Commissioner – Judy Trombetta

Commissioner Trombetta highlighted all the progress the board has made in the last two years and thanked the 4th Ward residents for their confidence in her.

- 6th Ward Commissioner – Larry Holmes

Only spoke about Commissioner Wechsler tonight.

- 9th Ward Commissioner – William F. Wechsler

Commissioner Wechsler thanked the entire township staff. They are top notch.

It has been his pleasure to serve and he is sure all will be fine with Mike McCollum.

Reorganization Meeting Of The Board Of Commissioners

Tuesday, January 2, 2024 – 7:30 Pm

Best Wishes In The New Year!

27. All Commissioners agreed to adjourn.

Resolution No. 2359-2024

American Rescue Plan Act

Coronavirus Local Fiscal Recovery Fund

Hilltop Park Playground Equipment

WHEREAS, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million;

WHEREAS, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to improve spaces in areas that have been impacted by the pandemic including improving park space; and,

WHEREAS, the Board of Commissioners has identified Haverford Township Parks Department improvement of our playground equipment within the adopted 2024 budget and the 2024 capital improvement plan; and,

WHEREAS, the Township has identified a need within Hilltop Park to replace playground equipment.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Haverford Township hereby approves the use of \$24,116.00 of the Township's American Rescue Plan Fund allocation for the replacement of playground equipment at Hilltop Park.

Resolved this 8th day of January, 2024.

Township of Haverford

C. Lawrence Holmes, Esq, President

Attest:

David R. Burman, Township Manager

HAVERFORD TOWNSHIP - MEMORANDUM

Date: December 22, 2023

To: David R. Burman, Township Manager

From: Brian Barrett – Director of Parks and Recreation

Subject: Replacement Play Structure for Hilltop Park

Attached is the quote from Recreation Resource for a replacement play structure to be installed at Hilltop Park.

We will be removing the current composite playground equipment and installing this Burke play structure. The new structure, geared towards kids age 5-12, has multiple ladders, ropes and monkey bars.

This piece is on sale (originally \$36,868.00) and will be purchased for a total (including freight) of \$24,116.00 from Recreation Resource. The funding for this purchase will be with ARPA monies.

The purchase is made through COSTARS. The vendor's COSTARS # 014-E22-249

If there are any questions, I will be on hand for the Board of Commissioner meeting on Monday, January 8, 2024.

27. Adjourn

Haverford Township – Board of Commissioners

Meeting: Monday, February 12, 2024

Location: Commissioners Meeting Room – 1014 Darby Rd, Havertown, PA
19083

Regular Meeting Minutes

1. Opening of Meeting – Commissioner Holmes opened the meeting.

Roll Call – All 9 Commissioners were present at roll call: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Also present were: David R. Burman, Township Manager, Ross Anderson, CPA, Township Auditor, John Walko, Esq., Township Solicitor, Aimee M. Cuthbertson, CPA, Assistant Township Manager, Chief John Viola, Brian Barrett, Parks and Recreation Director and Chuck Faulkner, Township Engineer.

Pledge of Allegiance

Announcement: The Board met in Executive Session prior to the Work Session last week to discuss Legal and Real Estate matters and also prior to tonight's meeting to discuss Real Estate matters.

2. Proclamations

Delaware County Chapter of the Pennsylvania Society of Professional Engineers 2024 Lifetime Achievement Award - Ed Magargee – presented by Commissioner Holmes

Recognizing and Celebrating Black History Month – presented by Commissioner Trombetta

3. Citizens Forum – 20 Minutes – Registered Speakers - 20 Minutes - Agenda Items

Registered Speakers

Mike Brenner – discussed the Pros Plan. The township should be proud. They need to be more responsive to the more vulnerable and be open to ADA individuals during this process. He is proposing additions to the plan.

End of registered speakers

Open Forum

Jamie Jallozian – Landover Road

Ms. Jallozian definitely supports the Pros Plan. There was a lot of public input.

Tony Morinelli's comments were read aloud by Commissioner Holmes regarding the Mill and Karakung Parking lot, pedestrian walking trails and the restoration of the Powder House.

Michelle Alvare's comments were read aloud by Commissioner Holmes regarding her support of the Pros Plan

4. Bureau of Fire Update -

Commissioner Gondek presented the January fire report.

5. Township Auditor Update -

Mr. Anderson reviewed the expenses and disbursements and found no irregularities.

6. Township Manager Update -

Township Manager David Burman offered updates on several ongoing projects in the Township. Residents can expect to see construction work at/near Manoa Road as they continue their work on the extension of Pennsy Trail. Interior demolition is nearly complete in the library; mechanical, electrical, and plumbing work is next. 1 Mill Road is currently being used as a lay-down area for the library renovation. The Darby Road Streetscapes Phase III project is underway is expected to take about 3 months to complete. The Mill & Karakung Park & Ride project is expected to take 2-3 months for completion. A very large tree (62" in diameter) fell at the Grange Estate; a crane is expected to come this week for its removal.

7. Approval of Minutes -

Motion made by Commissioner Quinn and seconded by Commissioner Trombetta to approve the Reorganization Meeting Minutes of January 2, 2024 and the Regular Meeting Minutes of January 8, 2024. Commissioner Gondek made a motion to amend vote during HRC appointment. He voted for Melissa Haub. Amendment was accepted.

Vote was unanimous. 9-0

8. Approval of Warrants -

Motion made by Commissioner McCloskey and seconded by Commissioner Trombetta to approve Warrant #2-2024 totaling \$4,770,342.85 and comprised of the following:

Vote was unanimous. 9-0

24. Continuation of Citizen's Forum for Non-Agenda Items

Todd Hall – 2nd Ward resident

Mr. Hall indicated that he received correspondence from a township employee who had pronouns and gender identity under their name. His opinion is that individuals need to stick to the subject matter only. There should not be any native-cultural quotes in emails.

Michael Lee

The Board is always talking about inclusivity, transparency and communication. He meant, when the board meets in Executive Session to discuss legal or real estate. He wants to know if this affects him. He also spoke on the proposed smoke shop locations. The township is just moving the problem to another area.

Beth Wagner – Rosewood Lane

She announced that she won a tree in the Shade Tree Lottery and thanked the board and the taxpayers for her tree. She recently attended a Planning Commission meeting and the Municipal Exemption was discussed. There was no mention of the Haverford Road Diet, Billboards, the Polo Field or the Comp Plan.

Commissioner Holmes responded to Mr. Lee's comments. The Work Session is for Board discussion only as it pertains to real estate matters.

In response to Ms. Wagner – Billboards is in litigation, Haverford Road Diet is a PennDot project. The board is still waiting feedback on the Comp Plan review and there is not mention yet on Municipal Exemption.

25. New business

Commissioner Gondek stated that on January 30, the Ordinance Committee met to review the Municipal Exemption and Smoke Shop Ordinance.

26. Other business

1st Ward Commissioner Brian Gondek

With the Proclamation for Black History Month being read tonight, we still have a lot more work to do to become friendlier and more inclusive.

Happy Valentine's Day to everyone. Please keep your vehicles off the street with the bad weather coming.

West Gate Hills will hold their Easter Egg Hunt on March 23rd at 1:00 p.m.

He offered thanks and respect to all first responders especially the recent police incident that occurred in East Lansdowne.

2nd Ward Commissioner Sheryl Forste-Grupp, PhD

Commissioner Forste-Grupp reminded everyone to pay their fire company annual dues.

She also reminded everyone that many black individuals were involved in inventions, technology, science and many other areas. We all need to learn something new each day.

3rd Ward Commissioner Kevin McCloskey, Esq.

Commissioner McCloskey announced that February 16 is the deadline to apply for the Haverford Township Business Revitalization and Modernization Matching (BRMM) Grant Program. Businesses in Haverford Township are encouraged to apply.

A Rain Garden Workshop will be held on March 2nd up at the CREC.

5th Ward Commissioner Laura Cavender

Bryn Mawr Civic Association will hold their Spring Fling on April 6th. There will be quite a few 5K Runs coming up.

Commissioner Cavender expressed her thoughts on the Gaza situation and hopes for a peaceful solution.

7th Ward Commissioner Conor Quinn

Commissioner Quinn reminded everyone to please remember our police and fire fighters every day.

8th Ward Commissioner Gerry Hart

Penfield Civic Association will host a Happy Hour on 2/22 – 6 p.m. at McGuilicuddys. Commissioner Hart spoke on the book; The Hill We Climb...we are in dark times.

9th Ward Commissioner Mike McCollum

Thanks to the Public Works Department and Dan Mariani for the job they did last month with the snow. Trash/Recycling were all picked up!

Commissioner McCollum gave a warm Welcome Home to the 9th Ward resident police officer that was shot during the East Lansdowne episode.

He congratulated the Police Department for citing various smoke shops for selling to minors.

4th Ward Commissioner Judy Trombetta

Commissioner Trombetta reminded businesses that February 16 is the deadline to apply for the Haverford Township Business Revitalization and Modernization Matching (BRMM) Grant Program. Businesses in Haverford Township are encouraged to apply for projects related to renovating interior and exterior areas, purchasing and/or installing energy-efficient equipment, or implementing technology upgrades to enhance online purchasing and customer engagement.

6th Ward Commissioner Larry Holmes

In response to Mr. Hall's pronoun comments: Township employee is telling other they respect who they are.

Motion made by Commissioner Hart and seconded by Commissioner Quinn to authorize the purchase of two (2) baseball cages and fencing at Grange Park from Miller Sports Construction, West Chester, PA, under Co-Stars Contract #: 008-E22-184, in the amount of \$50,000.00.

All 9 Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Hilltop Park

Motion made by Commissioner McCollum and seconded by Commissioner Trombetta to authorize the purchase of a replacement play equipment structure, from Recreation Resource, Kennett Square, PA, under Co-Stars Contract #014-E22-249, in the amount of \$24,116.00.

All 9 Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Appointment:

Civil Service Commission

Motion made by Commissioner Quinn and seconded by Commissioner McCollum to appoint Mark O'Connor to serve on the Civil Service Commission for a six (6) year term to expire December 31, 2029.

Motion made by Commissioner Hart and seconded by Commissioner McCloskey to appoint Monet Reilly.

Motion to close made by Commissioner Trombetta and seconded by Commissioner Quinn.

5 Commissioners voted for Mark O'Connor: Commissioners Gondek, Quinn, McCollum, Trombetta and Holmes.

4 Commissioners voted for Monet Reilly: Commissioners Forste-Grupp, McCloskey, Cavender and Hart.

Discussion began concerning the terms for the Grange members. He provided clarification – the board did make them 2 year terms. The Grange does not need to revise their by-laws.
Continuation of Citizen's Forum for Non-Agenda Items

Todd Hall – 2nd Ward Resident

Mr. Hall highlighted Kids Night Out held during the winter months at the CREC. He hopes it can continue during other seasons.

Victor Barsky – 5th Ward Resident

Mr. Barsky congratulated Mr. Burman on his reappointment.

New business

Both Commissioner Hart and Quinn reported to the Board the major tree issue at the Grange. A 300-year old tree uprooted. This will be an expensive undertaking to remove. Other historical trees may have to be removed.

Commissioner Gondek spoke on the increase of vape shops in residential and school areas within township and asked for guidance of township solicitor.

Other business

1st Ward Commissioner Brian Gondek

He wished everyone a safe, happy and healthy new year. He also stated that the County's Health Department mailed to 70% of the county, plastic bags to be used for drug disposal...just add water in the bag. (These non-toxic pouches are an organic and safe alternative for proper disposal of unused, unwanted and expired medications with the simple addition of water. In a simple 3-step process, residents deactivate drugs by putting them in the Detera pouch, adding water, shaking, and throwing them away in the household garbage. DCHD will be issuing medium-sized Detera pouches that can deactivate up to 45 pills.

2nd Ward Commissioner Sheryl Forste-Grupp

Commissioner Forste-Grupp thanked all the residents that applied for positions on boards and commissions.

Commissioner also announced that she and the 7th and 8th Ward Commissioners will be holding their constituent meeting on January 25th at the CREC.

3rd Ward Commissioner Kevin McCloskey

Happy New Year to everyone! Commissioner McCloskey stated that the 3rd Ward has a lot of storm water issues and now with the major rain storm in the works; there will be many more issues.

5th Ward Commissioner Laura Cavender

Commissioner Cavender offered her congratulations to Dave Burman upon his reappointment.

Discover Haverford will hold a Meet and Greet at the Grange from 5:30 to 7:30 on Wednesday, January 10th

She also announced that Monday is Martin Luther King Day and that there will be a lot of service projects going on in the township.

7th Ward Commissioner Conor Quinn

Commissioner Quinn announced that NBC is sponsoring the Eagles Road to Victory Bus - which will be in Brookline Boulevard lot at 12:30 on Thursday. Come out and cheer them on.

8th Ward Commissioner Gerry Hart

Commissioner Hart also highlight Wards 8, 2 and 7 constituent meeting on January 25 at 7 p.m. He also welcomed Commissioner McCollum to his first meeting.

9th Ward Commissioner Mike McCollum

Commissioner McCollum thanked both Township Manager Dave Burman and Chief John Viola for providing him a tour. He thanked everyone for the welcome.

He plans on working directly with the Hilltop Civic Association to plan good community events.

4th Ward Commissioner Judy Trombetta

Haverford Township is excited to announce the launch of the Business Revitalization and Modernization Matching Grant Program! Applications will be accepted starting January 15, 2024, through February 16, 2024, at 4:00 p.m. To get a head start on preparing your application, explore the newly released scoring rubric available on the website.

This matching grant may cover expenses related to renovating interior business and dining areas, improving exterior façade and outdoor seating spaces, purchasing and/or installing energy-efficient equipment, or implementing technology upgrades to enhance online purchasing and customer engagement.

6th Ward Commissioner Larry Holmes

Commissioner Holmes told everyone to drive safely during the heavy rain storm. 2024 will be a very significant year for America. He ended by quoting Martin Luther King.

All Commissioners agreed to adjourn.

Township of Haverford -Finance Department

Memorandum

Date: February 05, 2024

To: David R. Burman, Township Manager

From: Aimee Cuthbertson, Director of Finance/Asst Township Manager

Re: Re-Appointment of Jennifer W. Brown, Esquire as Act 511 Special Counsel

For many years, the Township has utilized the professional services of Jennifer W. Brown, Esquire as special counsel for any matters related to the enforcement and administration of the Township's Act 511 taxes with primary emphasis on the business privilege, mercantile and local services tax.

As an expert in this specialty tax field unique to municipal entities, I am recommending Ms. Brown's reappointment as special counsel for Act 511 matters at a rate of \$250 per hour. The services of special counsel are on an "as needed" basis.

The recommendation has also been reviewed by John Walko in his role as Township Solicitor.

If you have any questions, please do not hesitate to contact me.

Township of Haverford - Ordinance Number P1-2024

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, amending and supplementing the General Laws of the Township of Haverford Chapter 95, Article III Recycling, Sections 95-23 and 95-25 by adding a definition of Community Event and requiring organizers to provide separate containers for and to collect recyclable materials.

Section 1. - § 95-23 Definitions.

Add: Community Event.

Any gathering that is open to the public including, without limitation, any parade, outdoor demonstration, meeting, dance, live entertainment, concert, rock group, stage show, burlesque, vaudeville, disc jockey or talent show, for any and all purposes.

Section 2. - § 95-25 Recyclables.

Add: G. Community Events.

(1) The organizers or sponsors of a community event shall establish a collection system that includes an appropriate number of recycling containers at easily accessible locations to accommodate the amount of recyclable materials generated. Community activity organizers and sponsors shall provide signage and/or labels on recycling containers to indicate what recyclable materials are to be source separated by event participants.

(2) Organizers or sponsors shall contact the township for the collection of recyclable materials, at a fee to be determined by the Township.

Section 3. Any ordinance or part of ordinance to the extent that it is inconsistent herewith is hereby repealed.

Section 4. Severability. The provision of this ordinance are severable and if any section, sentence, clause, part, or provision hereof shall be held illegal, invalid or unconstitutional by any court of competent jurisdiction, such decision of this shall not affect or impair the remaining sections, sentences, clauses, parts or provisions of this ordinance. It is hereby declared to be the Intent of the board that this ordinance would have been adopted if such illegal, invalid or unconstitutional section, sentence, clause, part or provision had not been included herein.

Section 5. Effective date. This ordinance shall become effective 10 days following final adoption by the board of commissioners and publication as required by law.

Adopted this 12th day of February, 2024.

Township of Haverford
By: C. Lawrence Holmes, Esq.
President Board of commissioners

Township of Haverford - Ordinance Number P2-2024

An ordinance of the township of Haverford, County of Delaware, commonwealth of Pennsylvania, further amending and supplementing Ordinance No. 1960, adopted June 30, 1986, and known as "general laws of the Township of Haverford" chapter 175, vehicles and traffic.

Be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, and it is hereby enacted and ordained by the authority of the same:

Section 1. Section 175-94, Schedule XIX: Parking Time Limited

Establish:

On the west side of Allston Road from Brookline Boulevard to, but not including 1204 Allston Road, 15-minute parking from 8:00 a.m. to 4:00 p.m., Monday through Friday

Section 2. That Section 175-91, Schedule XVI: Parking of All Vehicles Prohibited at All Times

Rescind:

East side of Allston Road from Brookline Boulevard to Sagamore

West side of Allston Road from Brookline Boulevard to a point 35 feet south thereof

Section 3. That Section 175-95, Schedule XX: Special Purpose Parking Zones:

Rescind:

On the West side of Allston Road, approximately 75 feet south of its intersection with Brookline Boulevard

Section 4. Upon effective date of this ordinance, the Highway Department shall install appropriate signs in the designated section or zones giving notice of the regulations aforesaid.

Section 5. Any ordinance or part of an ordinance to the extent that it is inconsistent herewith is hereby repealed.

Adopted this 12th day of February, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.
President

Attest: David R. Burman

Township of Haverford - Ordinance Number P3-2024

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing Ordinance 1960, adopted June 30, 1980, and known as the "General Laws of the Township of Haverford" authorizing the lease of certain township grounds.

Now, therefore, it is hereby ordained and enacted that:

Section I: Pursuant to Section 707, paragraph A, of the Home Rule Charter, the Township hereby authorizes a renewal lease agreement with Shef & Sons, LLC dba Hav-A-Burger, Essington, PA for a portion of certain property located at 1018 Darby Road (the Skatium), Havertown, PA subject to review by the Township Solicitor and further subject to the approval of the Township Manager of the final document.

Section II: All Township elected and appointed officials are authorized to take all action necessary to ensure the implementation and effect the purpose hereof.

Section III: Any and all Ordinances and/or Resolutions, or parts thereof, conflicting herewith are repealed insofar as the matters herein are affected.

Section IV: This is effective ten (10) days following final adoption by the Board of Commissioners and publication as required by law, and shall remain in effect hereafter until revised, amended, or revoked by action of the Board of Commissioners of the Township of Haverford.

Adopted by the Township Board of Commissioners this (day) day of (month) , 2024.

Township of Haverford

From: Aimee Cuthbertson, Director of Finance/Asst Township Manager

Re: Renewal of Skatium Café Lease

Staff has been in lease renewal discussions with the current tenant as the existing lease expired January 31, 2024. A two-year renewal term is proposed.

The current rent is \$1,300 per month with \$50 per party hosted in the upstairs party room. Renewal terms, which have been agreed to in principle, will be an increase to \$1,360 in year 1 of the renewal and to \$1,425 in year 2. The \$50 party fee will remain unchanged.

We added language including a required cleaning of the exhaust hood system every six (6) months, at the expense of the tenant. Additionally, the Township committed to the installation of a concrete pad for trash storage on the café entrance side behind the existing fenced trash area. This is planned for the Spring of 2024 and will be completed by Township staff.

If you have any questions, please do not hesitate to contact me.

Township of Haverford - Ordinance Number P4-2024

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing ordinance no. 1960, adopted June 30, 1986, and known as "General Laws of the Township of Haverford" Chapter 175, Vehicles and Traffic.

Be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, and it is hereby enacted and ordained by the authority of the same:

Resolution No. 2360-2024

Whereas, the Preliminary / Final Subdivision / Land Development Plan for Carmanico Homes, LLC, 14 Claremont Blvd., Haverford, PA, Delaware County, known as D.C. Folio Nos. 22-00-00355-00 has been submitted to subdivide an existing 30,625 square foot lot into three building lots resulting in the following area: Lot 1 to contain 10,210 square feet, Lot 2 to contain 10,208 square feet and Lot 3 to contain 10, 208 square feet. Each lot is proposed with a single-family dwelling of 1,785 square feet with individual on-site stormwater facilities.

The properties are zoned R-5 Low-to-Medium Density Residential District, and are located in the 1st Ward. The aforesaid plans were prepared by G.D Houtman & Son, Inc., Media, PA, dated November 30, 2023; and

Whereas, the Planning Commission of Haverford Township at the public meeting of Thursday, January 11, 2024, did vote to recommend approval of the plans subject to the comments contained within the January 4, 2024 review letter prepared by Pennoni Associates and that the open space requirement be addressed to the Board of Commissioners satisfaction; and

Whereas, said plans have been submitted before the Board of Commissioners of the Township of Haverford for consideration in accordance with the Pennsylvania Municipalities Planning Code, Act 247, as amended, and pursuant to the Haverford Township Subdivision and Land Development Regulations, Ordinance 1960, Chapter 160, Sections 4. A and B,

Now, therefore, be it Resolved, by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, that the recommendations and findings of the Planning Commission are hereby adopted and the Preliminary / Final / Land Development Plan for Carmanico Homes, LLC, 14 Claremont Blvd., Haverford Township, Delaware County, dated November 30, 2023, is approved subject to compliance with the recommendations described hereinabove.

Resolved this 12th day of February, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq. President
President, Board of Commissioners

Attest: David R. Burman,
Township Manager/Secretary

The Applicant hereby acknowledges that any revision to the approved SWM site plan must be approved by the Municipality, and that a revised erosion and sediment control plan must be submitted to the Conservation District for a determination of adequacy.

Present Owner _____
Date _____

CORPORATE ACKNOWLEDGMENT FOR PLAN

COMMONWEALTH OF PENNSYLVANIA :
COUNTY OF DELAWARE :

On this _____ day of _____, 2023, before me the undersigned, personally appeared Daniel Caramanico, who being duly sworn according to law, acknowledged himself/herself to be President of Caramanico Homes, LLC and that he, as such officer duly authorized to do so, deposes and says that Caramanico Homes, LLC is the owner/Equitable Owner of the property shown on this Plan, that this Plan was made at the direction of the Corporation and the Corporation acknowledges the same to be its act and Plan and desires the same to be recorded as such according to law.

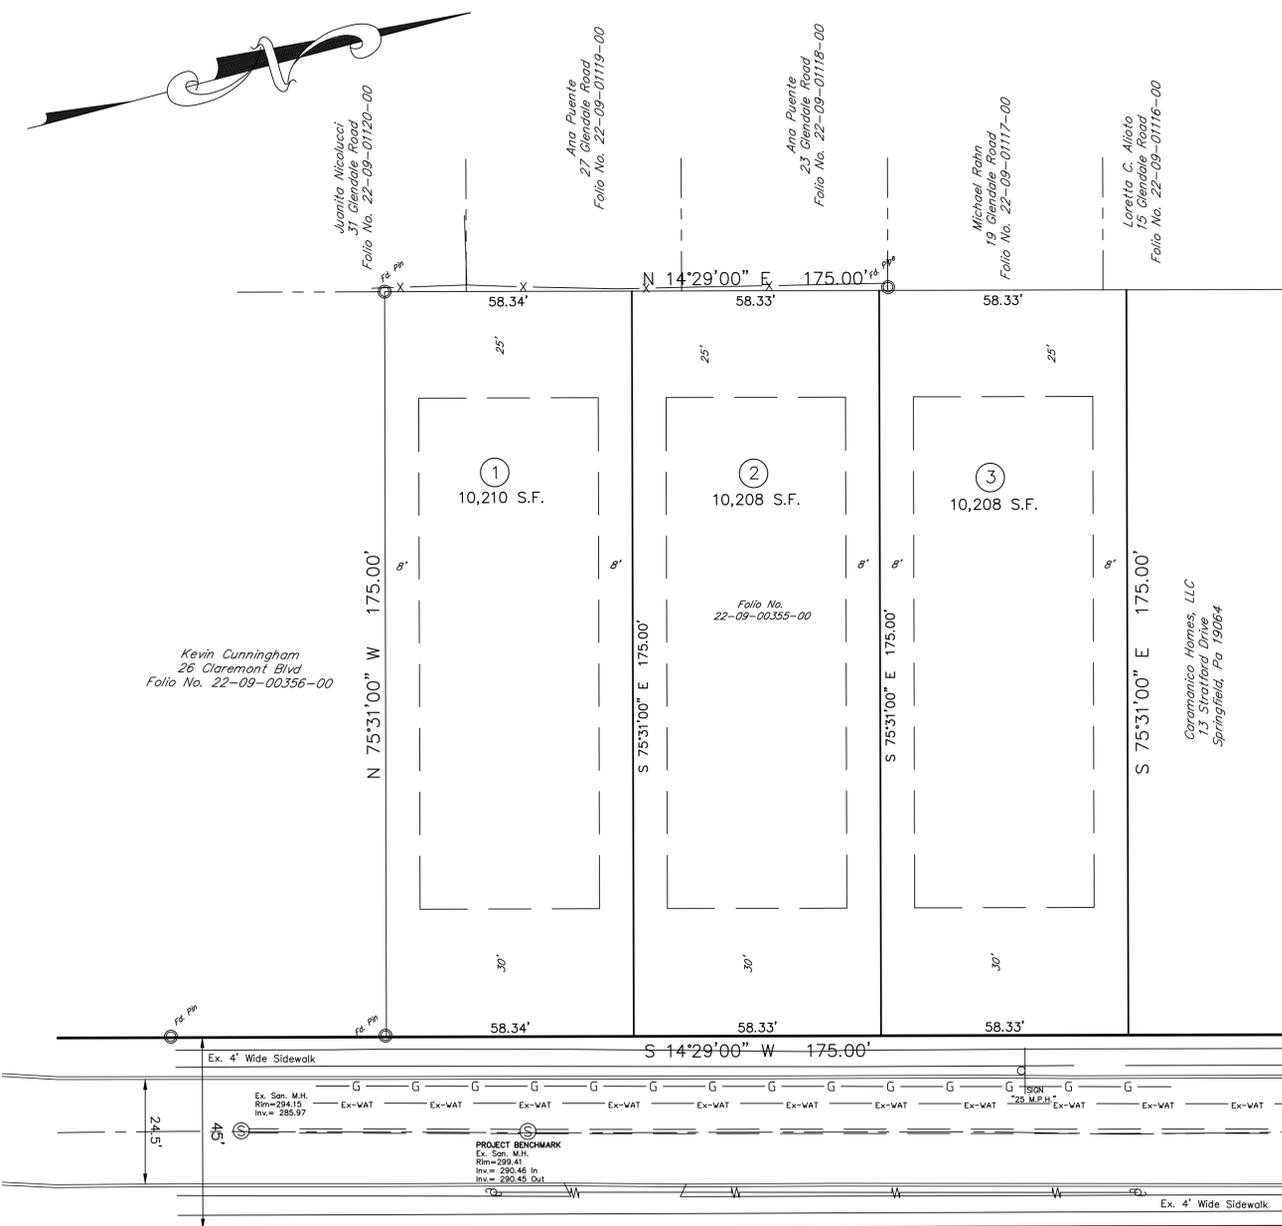

Witness my hand and seal the day above written.

Corporate Name: Caramanico Homes, LLC
By: Daniel Caramanico
Title: President
Notary Public: _____
My Commission Expires: _____

State of Pennsylvania, County of Delaware

On this _____ day of _____, 2023, before me, the undersigned officer, personally appeared Kevin Cunningham, who being duly sworn according to law, deposed and says that he is the owner (or equitable owner) of the property shown on this plan, that the subdivision plan therof was made at his direction and that he acknowledges the same to be his act and plan and desires the same to be recorded as such according to law.
Witness my hand and seal the day and date above written.

(signature of individual)
(Notary public or other officer)
(My commission expires)

POST CONSTRUCTION STORMWATER MANAGEMENT NOTES:

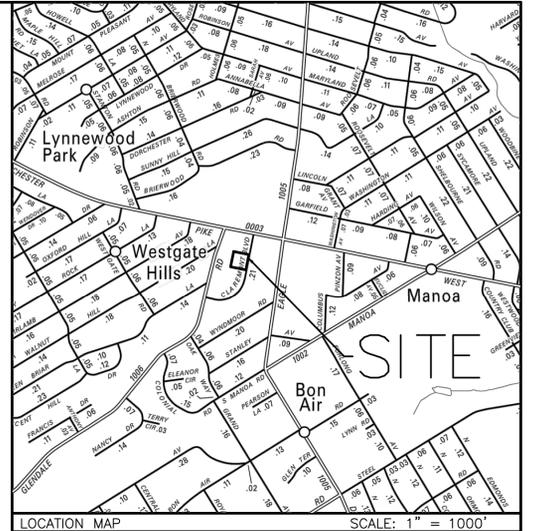

- Post development stormwater management facilities at the property consist of the following:
 - Underground stormwater infiltration Bed.
 - Maintenance responsibilities for all the Stormwater facilities on the site, including the underground Stormwater Detention/Retention Basins and Underground Infiltration Bed, shall be that of the individual lot owner(s) on which the BMP's are located.
 - Maintenance program:
 - Infiltration beds:**
Infiltration beds shall be inspected on a Quarterly Basis

Debris Trap:

A sump area has been provided within each inlet servicing the proposed seepage bed. The sump area of the inlet is the area between the bottom of the lowermost pipe in the inlet and the bottom of the Inlet Box. Inspect debris trap at the noted frequencies. Remove debris and sediment from the sump areas when it has reached a depth of eight (8) inches. Dispose sediment and debris in accordance with local ordinances.

Stone Infiltration Area:

Inspect stone infiltration area at the noted frequencies. Ensure that ponded water at infiltration bed is percolating properly. Monitor water level in seepage bed area by inspecting water level in debris traps. Water at infiltration bed location as viewed from debris trap should not stay ponded for more than 3 days. Stone and sediment shall be removed from clogged beds and replaced as necessary. Install new filter fabric at repaired areas.

GENERAL NOTES:

Purpose: Applicant is proposing the subdivision of parcel 22-00-00355-00 into 3 Lots. The created lots will be developed with single family custom homes.

- Lot Area 30,625 S.F. (0.703 Acres)
- Zoned R-5

Minimum Lot Size	Required	Proposed
Minimum Lot Size	5,500 Sq.Ft.	10,208 s.f. Min
Minimum Lot Width		
at street	38'	58.33'
at building	50'	58.33'
Minimum Front Yard	30'	31'
Minimum Side Yard	8'	8.42'
Minimum Side Yard Aggr.	16'	16.84'
Minimum Rear Yard	25'	101'
Maximum Building Coverage	30%	17.5% (1,785 s.f.)
Maximum Impervious Coverage	45%	23.0% (2,350 s.f.)
Maximum Height	35' or 3.5 Stories	< 35' or 3.5 Stories
- Site contains no Steep or Very Steep Slopes.
- Lots serviced by public water service and sewage disposal.
- Contours from field survey performed using Global Positioning System (GPS) Equipment. Elevation Per North American Vertical Datum of 1988. Project Benchmark - Rim of sanitary manhole located in Claremont Boulevard. Rim = 299.41
- Soils information from Soil Survey- Chester and Delaware Counties, Pennsylvania, Series 1959, No. 19, Issued May 1963. The Soil Types are as follows:
Me - Made land schist & gneiss materials
Mc - Made land silt & clay materials
- Owner/Applicant: Caramanico Homes, LLC
13 Stratford Drive
Springfield, PA 19064
- There is no 100-Year Flood Plain on this site as shown on the Flood Insurance rate Map (FIRM), Delaware County, Pa, Panel 102 of 250, Map Number 42045C0102F - Map revised November 18, 2009
- Reference Plan: Plan of Lots of "Claremont Hills", dated April 7th, 1925 prepared by Franklin & Company.
- This plan represents lots 199 through 204, Block I as shown on the reference plan.
- Addresses for the proposed lots are to be provided by the Township and or local post office.
- All standard curb and sidewalk along the property frontages shall be replaced at the discretion of the Township Engineer.
- Work is scheduled to begin June '24 and completed in June '25.

WAIVER REQUEST:

160-3E - The applicant is requesting a waiver from Preliminary Plan submittal and to submit plans as Final.

CLAREMONT BOULEVARD

DESIGN ENGINEERS CERTIFICATIONS:

- I hereby certify that the Stormwater Management Site Plan meets all design standards and criteria of the Haverford Township Stormwater Management Ordinance.
- The proposed grading activities shall not significantly increase stormwater runoff to, and/or otherwise adversely impact, downstream properties except as may be part of an approved Stormwater Management Plan (as defined by Haverford Township Code)
- The accuracy of this plan and details are in accordance with Act 367, known as the Professional Engineers Registration Law (P.L. 913, No. 367.63 P.S. 151), as amended.

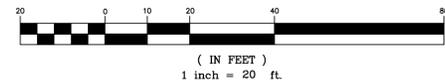

I, Gustave N. Houtmann, P.E., on this date hereby certify, to the best of my knowledge and belief, that the aforementioned statements and certifications are true and accurate.

Sheet 3 of 6
 PROJECT: Caramanico
 WORK SHEET: 39258
 FILE: 39258

HOUSE CONSTRUCTION NOTES:

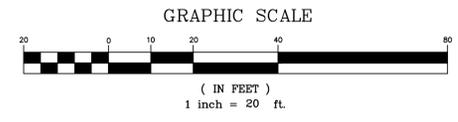

1. Install silt fence where shown on the plan. Install Construction Barrier Fencing at perimeter of infiltration beds. Construction vehicles shall not traverse over infiltration bed area. Infiltration bed areas shall remain undisturbed until bed is constructed.
2. Out in driveway, apply layer of crushed stone and maintain as construction access to the house site.
3. Construct house foundation. As soon as first floor decking is in place, backfill foundation and rough grade surrounding area.
4. Any topsoil stockpile generated by ITEMS 2 through 4 shall be placed in an area not subject to erosion and a silt fence barrier shall be installed and maintained around the downslope perimeter.
5. To all areas which earthmoving activities have ceased and will be subject to the action of earthmoving and other equipment, apply a mulch (wood chip - 2-3 tons per acre; hay or straw - 3 tons per acre). All other disturbed areas remaining open shall be temporarily seeded and mulched.
6. Contact the Township a minimum of 2 days Prior to the and Construct Infiltration Bed for roof drainage. Place orange construction fencing around infiltration bed area. Temporarily seal inlet grate with plywood and sealant. Sediment laden runoff must be prevented from flowing into the infiltration bed while the site remains disturbed.
7. Install underground utilities following procedures set forth in UTILITIES following final grading.
8. Complete house construction and discharge roof drains to infiltration bed system.
9. Permanent grass cover shall be established by seeding and mulching following final grading.
10. Driveway is to be stabilized with crushed stone or paving following the completion of the house construction. Stone filter berms may be incorporated into the driveway if relatively clean. Remove if choked with sediment.
11. Erosion and sediment control facilities are to be checked and properly maintained weekly and after each storm event. Sufficient quantities of silt fencing, crushed stone, straw bales, seeding and mulching should be readily available for remedial work if required.
12. Silt fencing may be removed when the site is stabilized. Accumulated sediment may be spread at the site in areas not subject to erosion.
13. The Contractor is advised to become familiar with the "Erosion and Sediment Pollution Control Program Manual" by the Commonwealth of PA., Department of Environmental Resources, April 2000 edition.
14. Copies of these plans must be available on site throughout construction.

SEEDING SPECIFICATIONS

- Disturbed areas on which activities have ceased must be stabilized immediately.
- I. Growing Season (March thru November 15)
 - A. Temporary Cover - for disturbed areas which are not at finished grade and which will be redisturbed within 1 year.
 1. Site Preparation: Apply 2 ton/acre of Agricultural grade limestone, plus fertilizer 50-50-50 per acre (50 lbs of N, 50 lbs of P2O5 and 50 lbs of K2O per acre) and work in where possible.
 2. Seeding: 50% Annual Ryegrass 50% Winter Rye. Apply at rate of 3lb/1000 S.F.
 3. Mulch: 3 tons per acre of small grain straw.
 - B. Permanent Cover - for disturbed areas at finish grade or will not be redisturbed within 1 year.
 1. Site Preparation: Re-apply topsoil to area. Apply 3 tons/acre of Agricultural grade Limestone plus Fertilizer 100-200-200 (100 lbs of N, 200 lbs of P2O5 and 200 lbs of K2O) and work in where possible.
 2. Seeding: 60% Kentucky Bluegrass
10% Perennial Ryegrass
30% Pennlawn Red Fescue
Apply at rate of 4 lb/1000 S.F.
 3. Mulch: 3 tons per acre of small grain straw.
 - II. Non-germinating Period (Nov 15 thru March 1)
 1. Apply mulch (3 tons per acre of small grain straw) to disturbed areas.
 2. Those areas that were stabilized by mulching only are to be limed, fertilized, seeded and mulched according to permanent or temporary seeding specifications at the end of the non-germinating period.

TREE PROTECTION REQUIREMENTS

- Prior to any clearing or site disturbance, the Township requires a meeting with the applicant and/or site Contractor, to determine the methods to be implemented by the applicant to minimize tree loss. Application is required to follow standards as established in Section 170.
- All trees and other vegetation to be preserved shall be protected from damage by construction fencing or other effective barriers approved by the Township. Fencing or barriers around trees shall be placed outside the critical root zone, unless otherwise approved by the Township. Tree Protection fencing must be installed and approved by the Township prior to the start of any clearing or earth disturbance and monitored periodically. The tree protection fencing shall be removed only after all construction activities that may impact tree roots are completed.
- When disturbance within the critical root zone is unavoidable, applicants shall minimize encroachment and use the best available methods as approved by the Township to minimize damage and preserve trees. These methods may include, but shall not be limited to, utility tunneling, use of Geo-textiles, mulching, hand root pruning, and soil aeration. Applicants shall consult references such as a Guide to Preserving Trees in Development Projects, published by the Penn State College of Agricultural Sciences Cooperative Extension.

LANDSCAPING NOTES:

- Preservation: The landowner or developer shall protect trees to be retained from damage during construction. The following procedures shall be followed in order to so protect such trees:
 - Shade trees of twelve (12) inch caliper or more shall be preserved.
 - No more than five (5) inches of soil shall be placed around the trunks of trees, which are to remain. For those trees, which are to remain, where more than five (5) inches of soil are to be placed, tree wells shall be constructed to preserve such trees.
 - Trees to remain shall be protected by wooden silt snow fencing, placed around such trees. Fencing to be placed beyond the critical root zone of the tree(s) to be preserved (measured 12 times the trunk diameter or to the dripline, whichever is greater). Fencing shall be maintained throughout the construction period.
 - Trees shall not be used for roping, cables, signs, or fencing. Nails and spikes shall not be driven into trees.
 - Heavy equipment operators shall avoid damaging existing tree trunks and roots. Feeder roots shall not be cut or disturbed within the area circumscribed by the drip line of any tree.
 - No disturbance, material stockpiling, foot or vehicle traffic, excavation or fill shall be permitted within the critical root zone.
 - Tree limbs damaged during construction shall be sawed flush to tree trunks and treated with tree paints as necessary.
 - Deciduous trees shall be given a heavy application of fertilizer to aid in their recovery from possible damage caused by construction operations.
- Plant Characteristics and Maintenance
 - All plants shall conform to the "American Standards for Nursery Stock" of the American Association of Nurserymen.
 - Trees and shrubs shall be typical of their species and variety, have normal growth habits, well developed, densely foliated branches, and vigorous, fibrous root systems.
 - Trees and shrubs shall be free from defects and injuries and certified by appropriate Federal and State Authorities to be free from diseases and insect infestations.
 - Trees and shrubs shall be freshly dug and nursery grown. They shall have been grown under climatic conditions similar to those in the locality of the project or properly acclimated to conditions of the locality of the project.
 - The landowner or developer shall replace any tree or shrub, which dies within the term of a maintenance agreement. Any tree or shrub, which is deemed, in the opinion of the township, not to have survived or grown in a manner characteristic of its type, shall be replaced. Substitutions for certain species of plants may only be made when approved by the Board of Supervisors.
 - It shall be the responsibility of the landowners, tenants and/or other occupants of the premises to adequately and properly maintain the landscaped areas, which responsibility shall include watering, cleaning of weeds and debris, pruning and trimming, replacement of dead or diseased plantings, and fertilizing to maintain healthy growth.
 - All trees along the right-of-way of any property shall be kept trimmed nine (9) feet above any sidewalk and eleven (11) feet above all streets.
 - All shrubs and other growth abutting any sidewalks shall be kept cut back six (6) inches from the edge of the sidewalks.
 - Existing trees and shrubs at the corner of an intersection of streets and/or driveways, shall be cut to the height of 24 ins. from point of intersection of corner property lines back 50 ft. to avoid blocking sight distance to oncoming traffic; and shrubs or groundcovers to be planted shall be of the dwarf variety and shall not exceed 24 ins. height at maturity.

**RE: Minor Subdivision Plan
Caramanico Homes, LLC – 14 Claremont Boulevard**

Dear Mr. Smith:

As requested, we have reviewed the following prepared by G.D. Houtman & Son, Inc. in connection with the referenced property:

- *"Caramanico Homes, LLC"* (six sheets) dated November 30, 2023.
- *"Stormwater Management Calculations for Caramanico Homes, LLC, 14 Claremont Boulevard"* dated November 30, 2023.

The applicant, Caramanico Homes LLC, proposes to subdivide an existing 30,625 square foot lot (folio no. 22-09-00355-00) into three (3) new lots at the referenced property. A new single-family dwelling and driveway are proposed on each lot. Individual infiltration beds on each lot are proposed for stormwater management. The property is within the R-5 Residential Zoning District.

The applicant has requested the following waiver:

- From §160-4 requiring a two-step preliminary/final land development plan review process.

We offer the following comments:

ZONING

1. The applicant should confirm conformity of proposed setback lines with the median setback lines of existing structures on the same side of the street and within 300 feet of the proposed new construction. (§182-715)
2. A complete zoning compliance table showing proposed setbacks, impervious coverage, etc. shall be provided. (§160-4.E(5))
3. Two (2) parking spaces, measuring a minimum of 9 feet wide and 18 feet long, are required for each single-family dwelling (§182-707.B, §182-707.A(1)) The applicant should confirm that the required parking has been provided.

SUBDIVISION AND LAND DEVELOPMENT

4. The minimum right-of-way width for residential/minor collector streets is 50-feet. (160-5.B(3)[j](1)) The Township may require an additional 2.5 feet of right-of-way for the length of the property.
5. Signature blocks for the Township, Township Planning Commission and Township Engineer should be provided on the plan. (160-4.H(1)[e])
6. Permanent survey monuments located on the right-of-way lines at corners and at angle points are required to be indicated on the plan. (160-5.B(8))
7. In each residential district involving the creation of two (2) or more new building lots, land shall be required to be set aside for open space and/or parks and recreational facilities, or a fee-in-lieu requested. (160-5.C(2,4))

STORMWATER MANAGEMENT

8. A Drainage Plan Application and Checklist are required to be submitted. (§78-25.A.(6,7))
9. The proposed yard inlets should indicate a one (1) foot sump. (78-30.K)
10. All perimeter fence should be super silt fence.
11. Inlet protection should be provided for the proposed yard inlets. (78-25.B(20))
12. Proposed electric services should be indicated on the plan. (§78-25.B(5))
13. Topsoil stockpile locations should be indicated on the plan. (§78-25.B(20))
14. A BMP Maintenance Agreement shall be executed and a contribution of \$2,200.00 per lot to the Township Stormwater Control and BMP Operation and Maintenance Fund shall be made. (§78-49, §78-51)

GENERAL

15. A Sewage Facilities Planning module or exemption will be required. (§160-4.E(5[d]))
16. A foundation as-built plan will be required to confirm the proposed buildings are within the required building envelope.
17. The plans should indicate the location of the existing sanitary sewer lateral and whether it is to be re-used or abandoned.
18. The wye saddle detail shall be revised to reflect a cast iron saddle in lieu of PVC.
19. It appears portions of the existing stone wall along the southeast corner of the property are on the adjacent property. The applicant should indicate how the wall will be retained or reconstructed.
20. The sidewalk detail should be revised to indicate a minimum 3750 psi concrete. (Township Design Standards)
21. A curb opening detail indicating a minimum longitudinal length of depressed curb of 14 feet should be provided on the plan. (Township Design Standards)

22. A leveling area of not less than 20 feet in length and not greater than 4% in grade shall be provided at the end of the driveway at the street line for all driveways exceeding 6% in grade. (Township Design Standards)
23. A Township Road Opening Permit will be required for the driveway and utility installations.
24. Roadway restoration shall conform to the requirements §157-30 and the road restoration detail revised accordingly.
25. Tree protection fencing should be indicated for trees proposed to remain.
26. A tree removal permit is required for removal of the existing trees on site. (§170-4.B) All proposed landscaping and tree replacement should be reviewed by the Township Shade Tree Commission.

Should you have any further questions or comments, please contact the undersigned.

Sincerely,

PENNONI

Charles Faulkner, PE
Senior Engineer

Havertown, PA 19083

RE: Name of Dev't: Caramanico Homes - 14 Claremont
DCPD File No.: 20-7936-24
Developer: Caramanico Homes
Location: East side of Claremont Blvd,
approximately 200' south of West Chester
Pike
Recv'd in DCPD: December 28, 2023

Dear Mr. Burman:

In accordance with the provisions of Section 502 of the Pennsylvania Municipalities Planning Code, the above described proposal has been sent to the Delaware County Planning Commission for review. At a meeting held on January 18, 2023, the Commission took action as shown in the recommendation of the attached review.

Please refer to the DCPD file number shown above in any future communications related to this application.

Very truly yours,

Gina Burritt
Director

cc: Caramanico Homes
G. D. Houtman and Son

2 W. Baltimore Avenue - 2nd Floor
Media, PA 19063
Phone: (610) 891-5200
Email: planning_department@co.delaware.pa.us

Date: January 19, 2024
File No.: 20-7936-24

PLAN TITLE: Caramanico Homes - 14 Claremont

DATE OF PLAN: November 30, 2023

OWNER OR AGENT: Caramanico Homes

LOCATION: East side of Claremont Blvd,
approximately 200' south of West
Chester Pike

MUNICIPALITY: Haverford Township

TYPE OF REVIEW: Final Subdivision and Land
Development

ZONING DISTRICT: R-5

SUBDIVISION ORDINANCE: Local

PROPOSAL: Subdivision: Subdivide 0.703 acre
into three lots

Land Development: Develop three
single-family detached dwellings

UTILITIES: Public

RECOMMENDATIONS: Approval, with consideration given
to staff comments

STAFF REVIEW BY: Michael A. Leventry

REMARKS:

CURRENT PROPOSAL

The plan proposes to subdivide one parcel into three and subsequently develop three single-family detached dwellings.

Date: January 19, 2024
File No.: 20-7936-24

REMARKS (continued):

SITE CHARACTERISTICS

The site fronts onto a local street and is currently undeveloped (a prior home and garage have been demolished).

APPLICABLE ZONING

The proposal is located within the R-5 district and is subject to applicable regulations set forth by the Municipal zoning code.

COMPLIANCE

The proposal appears to comply with the R-5 district provisions.

WAIVERS

The applicant is seeking the following waiver relief:

- Section 160-3E: To allow a combined preliminary/final plan submission.

Staff has no comment related to this waiver request.

HISTORICAL AND ARCHEOLOGICAL SIGNIFICANCE

The historically significant Fairview Acres at 14 Claremont Blvd. has already been demolished. It is on the 1994 Historic Resource Survey and should have been retained or documented prior to demolition. The Township should notify the Historical Commission of demolition permits for buildings such as this to avoid unnecessarily losing more of the Township's heritage.

The area of the house and the outbuildings has a high potential for underground resources and if any artifacts are found, the applicant should contact DCPD for a short documentation process.

Date: January 19, 2024
File No.: 20-7936-24

REMARKS (continued):

SEWAGE FACILITIES

The developer should contact the Pennsylvania Department of Environmental Protection regarding the need for sewage facilities planning approval.

The Municipality should confirm receipt of any necessary Pennsylvania Department of Environmental Protection planning approval prior to final approval.

STORMWATER MANAGEMENT

The Municipal Engineer must verify the adequacy of all proposed stormwater management facilities.

RECORDING

In accordance with Section 513(a) of the Pennsylvania Municipalities Planning Code (MPC), final plans must be recorded within ninety (90) days of municipal approval.

Resolution No. 2362-2024

American Rescue Plan Act
Coronavirus Local Fiscal Recovery Fund
Police Electric Vehicles

WHEREAS, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million;

WHEREAS, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to invest in public health improvements, economic recovery and development, services to disproportionately affected communities, and general government services, among other allowable purposes; and,

WHEREAS, the Board of Commissioners desires to make improvements and financial investments in several Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

Purchase 2024 Landmaster AMP crew 4x4 electric ATV for a total funding allocation of \$23,699

Now, therefore, be it resolved, that the Board of Commissioners of Haverford Township hereby approves the use of funds from the Township's American Rescue Plan Fund allocation for the above referenced projects and initiatives.

Resolved this 12th day of February, 2024.

Township of Haverford - Resolution No. 2366-2024

Whereas, the Township of Haverford is considering amendments to the General Laws of the Township of Haverford by amending Chapter 47 entitled "Amusement Devices" to further regulate the premises within which such devices may be permitted and associated definitions; amending Chapter 182 entitled "Zoning" to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use; and

Whereas, the Township desires to keep citizens and business interests informed as to the status of the proposed amendments.

Now, therefore it Resolved by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania that a public hearing shall be held before the Board of Commissioners on Monday, March 4, 2024 at 6:30 PM, in the Commissioners Meeting Room, Municipal Services Building, 1014 Darby Road, Havertown, Pennsylvania.

Resolved this 12th day of February, 2024.

Haverford Township - Board of Commissioners

Meeting: Monday, March 04, 2024

Time: 6:30 p.m.

Location: Commissioners Meeting Room -1014 Darby Rd., Havertown PA, 19083

Public Notice

NOTICE is hereby given that the Haverford Township Board of Commissioners will conduct a public hearing on Monday, March 4, 2024 at 6:30 PM in the Commissioners Meeting Room, 1014 Darby Road, Havertown, PA at which time the Board will receive public comment on an Ordinance amending the General Laws of the Township of Haverford, Chapter 47 entitled "Amusement Devices" to further regulate the premises within which such devices may be permitted and associated definitions; and amending Chapter 182 entitled "Zoning" to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of Significant Tobacco Retailers use. All interested parties are invited to attend and be heard in accordance with the rules and procedures of the Board. A copy of the proposed ordinance is available for public inspection on the township website at www.havtwp.org, and at 1014 Darby Road, Havertown, PA between the hours of 8:00 AM and 4:00 PM, Monday through Friday, except legal holidays. The Board expects to consider adoption of the first reading of this amendment during their regularly scheduled meeting on March 11, 2024 at 7:00 PM in the Commissioners Meeting Room, 1014 Darby Road, Havertown, PA. David R. Burman, Township Manager/Secretary.

Township of Haverford

David R. Burman

Township Manager

Haverford Township Draft Ordinance Number P -2024

An Ordinance amending Chapter 47 entitled “Amusement Devices” of the General Laws of the Township of Haverford to further regulate the premises within which such devices may be permitted and associated definitions; amending Chapter 182 entitled “Zoning” to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

WHEREAS, the Home Rule Charter of the Township of Haverford authorizes the Board of Commissioners to make and adopt ordinances consistent with the Constitution and laws of this Commonwealth and with the Charter;

WHEREAS, the Pennsylvania Municipalities Planning Code, 53 P.S. § 10101, et. seq., provides that municipalities are permitted to address the intensity of uses within a zoning district and provide for the promotion, protection and facilitation of public health, safety, morals, and the general welfare, and coordinate practical community development; and

WHEREAS, the Board of Commissioners desires to promote a complementary mix of uses that will generate pedestrian foot-traffic, disperse the intensity of uses throughout the Township, and promote the economic health of the Township; and

WHEREAS, the Board of Commissioners desires to prevent the over-concentration of certain uses within the Township; and

WHEREAS, tobacco use is still the leading cause of preventable death in the United States; and

WHEREAS, tobacco use places a huge financial cost on the nation’s healthcare system and constraints on productivity imposed on the nation’s economic system; and

WHEREAS, since 2014 electronic cigarettes have been the most commonly used tobacco products among the youth of the United States; and

WHEREAS, amusement devices and electronic games are commonly enjoyed and played by, and often attract, children and young adults who are not legally permitted to use tobacco products; and

WHEREAS, the use of Game of Skill machines are believed to have a deleterious impact on children, may encourage gambling, and continual use of such machines may increase the risk of crime and endanger employees and customers of a business; and

WHEREAS, the Board of Commissioners desires to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

WHEREAS, the Board of Commissioners has met the procedural requirements of the Pennsylvania Municipalities Planning Code for the adoption of the proposed ordinance, including advertising and holding a public hearing;

WHEREAS, the Board of Commissioners, after due consideration of the proposed ordinance at a duly advertised public hearing, has determined that the health, safety and general welfare of the residents of Haverford Township will be served by this amendment of the Township's Code.

NOW, THEREFORE, the Board of Commissioners of the Township of Haverford hereby ordains and enacts as follows:

SECTION I. Code Amendments.

A. Chapter 47, Amusements and Entertainments, Article I, Amusement Devices, is hereby amended as follows:

i. Section 47-1, Definitions, is amended to provide for a revised definition of "Mechanical Amusement Device" and a new definition of "Game of Skill Machine" to state:

MECHANICAL AMUSEMENT DEVICE

Any machine, apparatus, or device which, upon the insertion of a coin, slug, token, plate, card, disk or key into any slot, crevice or other opening, or by the payment of any price, may be operated or used as a game, entertainment or amusement, whether or not registering a score and whether or not a prize or redeemable tickets or points are offered. It shall include, without limitation, such devices as Game of Skill Machines, skill games, marble machines, pinball machines, skill ball, skee ball, mechanical grab or "claw" machines, mechanical or video bowling machines, electronic dart boards, golf simulator games, photoelectric or video shooting games or target machines, electronic video games, air-hockey tables, football games or other ball, disk, or bag throwing, rolling, or kicking games, riding or driving games or devices, virtual reality games, and all other games, operations, or transactions similar thereto under whatever name they may be designated or described. It shall not include devices or machines which dispense candy or merchandise unrelated to playing a game or Pennsylvania Lottery kiosks or devices. No Mechanical Amusement Device shall be permitted within the same premises as a Significant Tobacco Retailer.

GAME OF SKILL MACHINE

A gaming machine, apparatus, or device that resembles and often functions like casino slot machines, in that a player inserts money, tokens or a card for the chance to win more money, credits, or a similar benefit, but where the outcome is determined mainly by mental or physical skill, rather than chance. No Game of Skill Machine shall be permitted within the same premises as a Significant Tobacco Retailer or Convenience Store.

ii. Section 47-5, Regulations for premises and operation of devices, is hereby amended to amend subsection E and to provide for new subsections F and G as follows:

E. Any premises or places of business primarily or substantially devoted to the display or maintenance of Mechanical Amusement Devices, Game of Skill Machines or pool tables shall be subject to provisions of the Zoning Ordinance relating to indoor recreational or amusement facilities. For the purposes of this subsection, any premises within which are displayed or maintained more than three Mechanical Amusement Devices, Game of Skill Machines and/or pool tables shall be considered an indoor recreational or amusement facility.

F. No Mechanical Amusement Devices shall be permitted within the same premises as a Significant Tobacco Retailer, as defined under Chapter 182.

G. No Game of Skill Machines shall be permitted within the same premises as a Convenience Store, as defined under Chapter 182.

B. Chapter 182, Zoning, Section 182-106, Definitions and word usage; interpretation of regulations, is hereby amended as follows:

i. The definition of CONVENIENCE STORE shall be deleted and replaced with the following:

CONVENIENCE STORE

A mini food market designed to attract and serve a large volume of stop-and-go traffic, specializing in fast sales of bread, dairy, luncheon meats, as well as both made-to-order and ready-to-consume sandwiches, meals and beverages intended for consumption off the premises, and providing a limited supply of grocery store stock as a convenience to its patrons, with less than 10% of its retail floor area or display area dedicated to, or which maintains 20% or more of its total merchandise, whether on display or in stock, for products containing tobacco, tobacco paraphernalia, Delta-8 THC (or Delta-8-tetrahydrocannabinol) products, kratom, ingestible CBD/cannabidiol products, and/or Electronic Nicotine Delivery Systems (ENDS), ENDS-related products and/or any materials that can be used in Electronic Nicotine Delivery Systems. A store exceeding this 10% requirement shall be considered a Significant Tobacco Retailer. No Game of Skill Machines shall be permitted within the same premises as a Convenience Store.

ii. The following definitions shall be added to Section 182-106:

E-LIQUID

Any liquid that contains vegetable glycerin, propylene glycol, nicotine, water, and possibly flavoring that can be used in Electronic Nicotine Delivery Systems (ENDS) devices. E-liquids can also be referred to as “vape” or “vape juice.”

ELECTRONIC CIGARETTE

(1) An electronic oral device, such as one composed of a heating element and battery or electronic circuit, or both, which provides a vapor of nicotine or any other substance and the use or inhalation of which simulates smoking.

(2) The term includes any ELECTRONIC NICOTINE DELIVERY SYSTEMS (ENDS) device, notwithstanding whether the device is manufactured, distributed, marketed or sold as an e-cigarette, e-cigar and e-pipe or under any other product, name or description.

ELECTRONIC NICOTINE DELIVERY SYSTEMS (ENDS)

Any device designed or used to transform an e-liquid (that may contain nicotine) into an aerosol that the user inhales. ENDS can also be referred to as “vapes,” “vaporizers,” “vape pens,” “hookah pens,” “electronic cigarettes,” “e-cigarettes,” “e-cigs,” and “e-pipes.”

GAME OF SKILL MACHINE

A gaming machine, apparatus, or device that resembles and often functions like casino slot machines, in that a player inserts money, tokens or a card for the chance to win more money, credits or a similar benefit, but where the outcome is determined mainly by mental or physical skill, rather than chance.

HOOCAH BAR

Any establishment that is devoted to, marketed as, or designed for, whether as its primary use or as an accessory use, the on-premises use of smoking through a water pipe with a smoke chamber, a bowl, a pipe and a hose, commonly referred to as a “hookah,” and also known as narghile, argileh, shisha, hubble-bubble and/or goza, or any similar device used for on-premises smoking. The term “hookah bar” includes, but is not limited to, establishments variously known as hookah parlors, hookah cafes, and hookah lounges. A Hookah Bar shall be considered a Significant Tobacco Retailer.

INDOOR RECREATIONAL OR AMUSEMENT FACILITIES

An establishment containing an indoor premises or place of business that primarily or substantially offers indoor recreational and/or amusement activities including, without limitation, movie and live theaters, bowling alleys, sports fields or playing courts, video arcades, billiards, playground equipment, laser tag, go-carts, golf game simulators, mini-golf, ax/knife throwing, virtual reality experiences, trampolines, batting cages, or similar indoor facilities. Devices and facilities used solely for retail sales product testing or demonstrations,

playgrounds used accessory to an eating/drinking establishment, and private sports clubs or gyms that require at least monthly memberships to participate shall not be considered Indoor Recreation or Amusement Facilities.

MECHANICAL AMUSEMENT DEVICE

Any machine, apparatus, or device which, upon the insertion of a coin, slug, token, plate, card, disk or key into any slot, crevice or other opening, or by the payment of any price, may be operated or used as a game, entertainment or amusement, whether or not registering a score and whether or not a prize or redeemable tickets or points are offered. It shall include, without limitation, such devices as Game of Skill Machines, skill games, marble machines, pinball machines, skill ball, skee ball, mechanical grab or "claw" machines, mechanical or video bowling machines, electronic dart boards, golf simulator games, photoelectric or video shooting games or target machines, electronic video games, air-hockey tables, football games or other ball, disk, or bag throwing, rolling, or kicking games, riding or driving games or devices, virtual reality games, and all other games, operations, or transactions similar thereto under whatever name they may be designated or described. It shall not include devices or machines which dispense candy or merchandise unrelated to playing a game or Pennsylvania Lottery kiosks or devices. No Mechanical Amusement Device shall be permitted within the same premises as a Significant Tobacco Retailer.

SIGNIFICANT TOBACCO RETAILER

Any of the following establishments:

(1) Any retailer or wholesale establishment that devotes 10% or more of floor area or display area to, or maintains 20% or more of its total merchandise, whether on display or in stock, for Tobacco Products, Vape Products, Delta-8 THC (or Delta-8-tetrahydrocannabinol), kratom, ingestible CBD/cannabidiol products, Electronic Nicotine Delivery Systems (ENDS), and/or ENDS-related products and/or any materials that can be used in Electronic Nicotine Delivery Systems;

(2) Any retailer or wholesale establishment that holds itself out as, or otherwise promotes or markets itself as, a "tobacco store," a "smoke shop," a "vape shop," a "cigar shop" or a similar establishment selling Tobacco Products and/or Vape Products or predominantly advertises Tobacco Products or Vape Products on its storefront or website;

(3) A Hookah Bar, regardless of whether Tobacco Products or Vape Products are sold from the premises.

TOBACCO PRODUCTS

Any substance containing tobacco leaf or accessory items used with or for tobacco consumption, including, but not limited to, cigarettes, cigars, pipe tobacco, snuff, chewing tobacco, dipping tobacco, other noncombustible tobacco products, matches, lighters, grinders, hookahs, pipes, cigarette rolling machines or papers, ashtrays, pipe tools, pipe supplies and pipe accessories.

VAPE PRODUCTS

Products containing nicotine and/or nicotine flavoring that are inhaled from a device designed for such purpose and/or products used to assist with the inhalation of nicotine including, but not limited to, any device designed or used to transform an e-liquid (that may contain nicotine) into an aerosol that the user inhales, e-liquids, e-cigarettes, vape or e-cigarette cartridges or refills, vaporizers, vape pens, vapor products, hookah pens, electronic cigarettes, e-cigs, e-pipes, Electronic Nicotine Delivery Systems (ENDS), and/or ENDS-related products and/or any materials that can be used in ENDS. Vape Products shall also be deemed a noncombustible tobacco product.

C. Chapter 182, Section 182-403, Neighborhood Commercial District, B. Use Regulations, (1) uses by right, subsection (b) shall be amended to add “but specifically excluding Significant Tobacco Retailers”, as follows:

a. Convenience stores, including the sale of grocery and food products, hardware, newspapers and magazines, drugs, variety items and beer, but specifically excluding Significant Tobacco Retailers.

D. Chapter 182, Section 182-404 C-3 General Commercial District, B. Use Regulations, (1) uses by right, subsection (f) shall be amended by deleting the words “cigarette and tobacco”, reflected as follows:

Gift shops, including camera, book, stationery, antique, musical supply, cosmetic, candy, cigarette and tobacco, flower, hobby, jewelry, leather and luggage shops.

E. Chapter 182, Section 182-406 C-5 Shopping Center Commercial District, B. Use Regulations, (4) conditional uses, (d) Significant Tobacco Retailer shall be added, as follows:

(d) Significant Tobacco Retailer. A Significant Tobacco Retailer (including a Hookah Bar, Vape Shop, Smoke Shop, or similar establishment) shall be permitted as a conditional use in accordance with the specific standards set forth in § 182-1209, standards applicable to Significant Tobacco Retailer uses, of this chapter.

F. Chapter 182, Section 182-1209, Standards applicable to Significant Tobacco Retailers, shall be added, as follows:

A. A Significant Tobacco Retailer shall not be located within 1,000 feet of the boundary of any institutional zoning district or the property line of any parcel containing an institutional zoning use, including, but not limited to, public, private and parochial schools and day-care centers. This distance shall be measured in a straight line from the closest exterior wall of the building or portion thereof in which the Significant Tobacco Retailer is located to the closest property line of the protected district or use, regardless of the municipality or zoning district in which it is located.

B. A Significant Tobacco Retailer shall be a minimum distance of 1,000 feet from the next nearest Significant Tobacco Retailer, measured along a straight line between the closest walls of each of the two facilities.

C. Significant Tobacco Retailers shall cease operations between the hours of 11:00 PM and 10:00 AM.

D. No Mechanical Amusement Devices shall be permitted within the premises of a Significant Tobacco Retailer.

E. No alcoholic beverages shall be served or consumed within the premises of a Significant Tobacco Retailer.

Section II. Repealer. In addition to the above, all other ordinances or parts of ordinances that are inconsistent herewith, are hereby repealed. Further, it is understood and intended that all other sections, parts, provisions, and ordinances that are not otherwise specifically in conflict with or inconsistent with this Ordinance, shall remain in full force and effect, the same being reaffirmed hereby.

Section III. Severability. In the event that any section, sentence, clause, phrase or word of this Ordinance shall be declared illegal, invalid or unconstitutional by any Court of competent jurisdiction, such declaration shall not prevent, preclude, or otherwise foreclose enforcement of any of the remaining portions of this Ordinance.

Section IV. Failure to Enforce Not a Waiver. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

Section V. Effective Date. This Ordinance shall become effective 10 days following final adoption by the Board of Commissioners and publication as required by law.

Adopted this (insert approval day) day of (insert approval Month) , 2024.

Liz Falcone – asked about the vacant lot at Eagle and Darby Road. Mr. Burman indicated that the fence was moved back and that planters will be placed in front of the fence. EPA is using the site.

Helene Conroy-Smith – spoke on the rental use of 17 Tenby Road as a recovery house. She also spoke about the documents that are not available on the website. Everyone was told that these documents were taken down and are being transposed to be ADA compliant.

Michael Lee – spoke on the continued litigation of the billboard legal matter. These meetings should include all residents – not just the 1st and 5th Wards.

24. New business

25. Other business

1st Ward Commissioner Brian Gondek – West Gate Hills Civic Association is having their Easter Egg Hunt on March 23rd at 1 p.m. There will also be games.

The Skatium will host the Finland Exchange on March 28th.

Congratulations to Sacred Heart Girls Varsity Basketball Team winning the 23-24 CYO State Champions.

The 1st Ward Safe Streets Focus Group will be held on March 12 at Lynnewood School.

2nd Ward Commissioner Sheryl Forste-Grupp, Ph.D. – The 2nd Ward Focus Group will be held on March 13th from 6 – 7 p.m. at the Manoa School.

She remembered those celebrating Ramadan.

She also highlighted a poet indicating that Women feel as much as men and women deserve the same rights as men.

3rd Ward Commissioner – Kevin McCloskey – Commissioner McCloskey was happy to announce the Darby Road #3 Streetscape. We are building up the area.

The 3rd Ward Focus Group will be held on March 19th at the Kelly Center. He announced that he had very constructive conversations with residents about the Smoke Shop Ordinance.

5th Ward Commissioner Laura Cavender – She was happy to announce that beginning of the new Buddy’s Bonanza from March 26th through to the 29th. This program is geared to children that have special needs – neuro diversion. 9:30 to 12:30 at the CREC.

The 5th Ward Focus Group will be held sometime in April.

7th Ward Commissioner Conor Quinn – His Focus Study Group will also be held in April. He wished everyone a Happy St. Patrick’s Day. Please remember to use Uber.

9th Ward Commissioner Mike McCollum – he congratulated Sgt. Larry Todd upon his retirement and congratulated Patrick Marley, Jr. upon his appointment as a Police officer.

Hilltop Civic Association is in need of someone to head the Easter Egg Hunt this year.

The 9th Ward Focus Group is scheduled for April 6th. Location to be determined.

4th Ward Commissioner Judy Trombetta – With the help of ARPA funds, the Senior/Widowed/Disabled Residents Economic Recovery Payment Program which will offer a \$500 one-time economic recovery payment deadline is April 1st.

6th Ward Commissioner Larry Holmes – Commissioner Holmes thanked all those that spoke during the public hearing last week.

Commissioner Holmes indicated that the Billboard legal matter has been in litigation for 10 years.

The Board cannot be involved in the 17 Tenby Road Zoning matter. It is before the Zoning Hearing Board.

26. All Commissioners agreed to adjourn.

Proclamation

Whereas, the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, takes great pleasure in acknowledging notable achievements of young adults in the community; and

Whereas, the Board of Commissioners wish to applaud

Garret Gram Gideon Haniebnik

of the Boy Scouts of America, for earning the rank of Eagle Scout; and

Whereas, Garrett Graham Haniebnik has earned the rank of Eagle Scout. Garrett resides in the 2nd Ward of Haverford Township. He started scouting as a Tiger Cub in Cub Scouts in first grade in 2011; and

Whereas. Garrett's Eagle project involved replacing all the top boards at the handicapped fishing pier at Ridley Creek State Park. He also laid 13,000 pounds of crushed stone on the handicapped picnic area. He did this by directing and leading his fellow scouts through the process. He did this by removing the old boards and measuring and cutting the new wood to fit and replace the area. He and his fellow scouts carried the crushed stone by buckets then laid it and raked it by hand. He was able to get Lowe's to donate all of the wood for the project and Gallantinos' Supply Co to donate the stone. This demonstrated that he was able to work with his Community to get the supplies he needed; and

Whereas, Garrett continued up the ranks. Garrett is also a member of Brotherhood Order of the Arrow. He also served as a patrol leader and patrol scribe. Garrett has always showed an interest in helping others through scouting services. Garrett's main interest is welding - which he took 4 years in a row at Scout Camp. Garrett then started Vo-Tech for welding and is currently completing his course in Vo-Tech. He did a welding internship in the Summer of 2023 at M. Cohen and Sons in Broomall, PA. He is currently going to Vo-Tech one half day and working at Cohen and Sons half day. He also has a full time position beginning in June 2024 upon graduation; and

Now, therefore, be it proclaimed, by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, that said Board of Commissioners hereby acknowledges and congratulates you for your many contributions to your community - with your long hours and dedicated work. Our blessings go with you as you face new challenges.

Proclaimed this 11th day of March, 2024.

Township of Haverford Board of Commissioners

C. Lawrence Holmes, President

Attested by: David R. Burman, Township Manager

Proclamation

Women's History Month

Whereas, each March, Women's History Month is a time to reflect on the substantial contributions of women in shaping the narrative of our nation and the world; and

Whereas, throughout the course of American history, women have articulated, strengthened, and fought for the values of equality, justice, and inclusivity, often without recognition or proper acknowledgment of their contributions; and

Whereas, from the suffragettes who fought tirelessly for women's right to vote, to the trailblazers in science, arts, politics, and every field in between, women have been pivotal in pushing the boundaries of what is possible; and

Whereas, it is essential to recognize the role of women from all walks of life, including those who have been historically marginalized and overlooked, in the quest for a more equitable society; and

Whereas, Women's History Month is not only a time to celebrate the achievements and breakthroughs of women past and present but also a call to action to continue the work of ensuring gender equality and empowerment for all; and

Whereas, the stories of women's courage, determination, and innovation serve as a beacon of inspiration for all people, to aspire to higher ideals of humanity and mutual respect; and

Whereas, it is the duty of every citizen, organization, and governmental body to recognize the contributions of women, to uplift their voices, and to work towards eliminating the barriers that women face in their pursuit of equality;

Now, therefore, be it Proclaimed that the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, recognize Women's History Month and acknowledge that fundamental freedoms are interconnected –
That When Women Rise - We All Rise Together

Proclaimed this 11th day of March, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.

President

Attest: David R. Burman, Township Manager

Haverford Township – Board of Commissioners

Meeting: Monday, February 12, 2024

Location: Commissioners Meeting Room – 1014 Darby Rd, Havertown, PA
19083

Regular Meeting Minutes

1. Opening of Meeting – Commissioner Holmes opened the meeting.

Roll Call – All 9 Commissioners were present at roll call: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Also present were: David R. Burman, Township Manager, Ross Anderson, CPA, Township Auditor, John Walko, Esq., Township Solicitor, Aimee M. Cuthbertson, CPA, Assistant Township Manager, Chief John Viola, Brian Barrett, Parks and Recreation Director and Chuck Faulkner, Township Engineer.

Pledge of Allegiance

Announcement: The Board met in Executive Session prior to the Work Session last week to discuss Legal and Real Estate matters and also prior to tonight's meeting to discuss Real Estate matters.

2. Proclamations

Delaware County Chapter of the Pennsylvania Society of Professional Engineers 2024 Lifetime Achievement Award - Ed Magargee – presented by Commissioner Holmes

Recognizing and Celebrating Black History Month – presented by Commissioner Trombetta

3. Citizens Forum – 20 Minutes – Registered Speakers - 20 Minutes - Agenda Items

Registered Speakers

Mike Brenner – discussed the Pros Plan. The township should be proud. They need to be more responsive to the more vulnerable and be open to ADA individuals during this process. He is proposing additions to the plan.

End of registered speakers

Open Forum

Jamie Jallozian – Landover Road

Ms. Jallozian definitely supports the Pros Plan. There was a lot of public input.

Tony Morinelli's comments were read aloud by Commissioner Holmes regarding the Mill and Karakung Parking lot, pedestrian walking trails and the restoration of the Powder House.

Michelle Alvare's comments were read aloud by Commissioner Holmes regarding her support of the Pros Plan

4. Bureau of Fire Update -

Commissioner Gondek presented the January fire report.

5. Township Auditor Update -

Mr. Anderson reviewed the expenses and disbursements and found no irregularities.

6. Township Manager Update -

Township Manager David Burman offered updates on several ongoing projects in the Township. Residents can expect to see construction work at/near Manoa Road as they continue their work on the extension of Pennsy Trail. Interior demolition is nearly complete in the library; mechanical, electrical, and plumbing work is next. 1 Mill Road is currently being used as a lay-down area for the library renovation. The Darby Road Streetscapes Phase III project is underway is expected to take about 3 months to complete. The Mill & Karakung Park & Ride project is expected to take 2-3 months for completion. A very large tree (62" in diameter) fell at the Grange Estate; a crane is expected to come this week for its removal.

7. Approval of Minutes -

Motion made by Commissioner Quinn and seconded by Commissioner Trombetta to approve the Reorganization Meeting Minutes of January 2, 2024 and the Regular Meeting Minutes of January 8, 2024. Commissioner Gondek made a motion to amend vote during HRC appointment. He voted for Melissa Haub. Amendment was accepted.

Vote was unanimous. 9-0

8. Approval of Warrants -

Motion made by Commissioner McCloskey and seconded by Commissioner Trombetta to approve Warrant #2-2024 totaling \$4,770,342.85 and comprised of the following:

Motion made by Commissioner Trombetta and seconded by Commissioner Quinn to Table.

Vote was unanimous. 9-0

24. Continuation of Citizen's Forum for Non-Agenda Items

Todd Hall – 2nd Ward resident

Mr. Hall indicated that he received correspondence from a township employee who had pronouns and gender identity under their name. His opinion is that individuals need to stick to the subject matter only. There should not be any native-cultural quotes in emails.

Michael Lee

The Board is always talking about inclusivity, transparency and communication. He meant, when the board meets in Executive Session to discuss legal or real estate. He wants to know if this affects him. He also spoke on the proposed smoke shop locations. The township is just moving the problem to another area.

Beth Wagner – Rosewood Lane

She announced that she won a tree in the Shade Tree Lottery and thanked the board and the taxpayers for her tree. She recently attended a Planning Commission meeting and the Municipal Exemption was discussed. There was no mention of the Haverford Road Diet, Billboards, the Polo Field or the Comp Plan.

Commissioner Holmes responded to Mr. Lee's comments. The Work Session is for Board discussion only as it pertains to real estate matters.

In response to Ms. Wagner – Billboards is in litigation, Haverford Road Diet is a PennDot project. The board is still waiting feedback on the Comp Plan review and there is not mention yet on Municipal Exemption.

25. New business

Commissioner Gondek stated that on January 30, the Ordinance Committee met to review the Municipal Exemption and Smoke Shop Ordinance.

26. Other business

1st Ward Commissioner Brian Gondek

With the Proclamation for Black History Month being read tonight, we still have a lot more work to do to become friendlier and more inclusive.

Happy Valentine's Day to everyone. Please keep your vehicles off the street with the bad weather coming.

West Gate Hills will hold their Easter Egg Hunt on March 23rd at 1:00 p.m.

He offered thanks and respect to all first responders especially the recent police incident that occurred in East Lansdowne.

2nd Ward Commissioner Sheryl Forste-Grupp, PhD

Commissioner Forste-Grupp reminded everyone to pay their fire company annual dues.

She also reminded everyone that many black individuals were involved in inventions, technology, science and many other areas. We all need to learn something new each day.

3rd Ward Commissioner Kevin McCloskey, Esq.

Commissioner McCloskey announced that February 16 is the deadline to apply for the Haverford Township Business Revitalization and Modernization Matching (BRMM) Grant Program. Businesses in Haverford Township are encouraged to apply.

A Rain Garden Workshop will be held on March 2nd up at the CREC.

5th Ward Commissioner Laura Cavender

Bryn Mawr Civic Association will hold their Spring Fling on April 6th. There will be quite a few 5K Runs coming up.

Commissioner Cavender expressed her thoughts on the Gaza situation and hopes for a peaceful solution.

7th Ward Commissioner Conor Quinn

Commissioner Quinn reminded everyone to please remember our police and fire fighters every day.

8th Ward Commissioner Gerry Hart

Penfield Civic Association will host a Happy Hour on 2/22 – 6 p.m. at McGuilicuddys. Commissioner Hart spoke on the book; The Hill We Climb...we are in dark times.

9th Ward Commissioner Mike McCollum

Thanks to the Public Works Department and Dan Mariani for the job they did last month with the snow. Trash/Recycling were all picked up!

Commissioner McCollum gave a warm Welcome Home to the 9th Ward resident police officer that was shot during the East Lansdowne episode.

He congratulated the Police Department for citing various smoke shops for selling to minors.

4th Ward Commissioner Judy Trombetta

Commissioner Trombetta reminded businesses that February 16 is the deadline to apply for the Haverford Township Business Revitalization and Modernization Matching (BRMM) Grant Program. Businesses in Haverford Township are encouraged to apply for projects related to renovating interior and exterior areas, purchasing and/or installing energy-efficient equipment, or implementing technology upgrades to enhance online purchasing and customer engagement.

6th Ward Commissioner Larry Holmes

In response to Mr. Hall's pronoun comments: Township employee is telling other they respect who they are.

27. Adjourn

All Commissioners agreed to adjourn.

Township of Haverford

Ordinance Number P3-2024
(Formatted for Accessibility)

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing Ordinance 1960, adopted June 30, 1980, and known as the “General Laws of the Township of Haverford” authorizing the lease of certain township grounds.

Now, therefore, it is hereby ordained and enacted that:

Section I: Pursuant to Section 707, paragraph A, of the Home Rule Charter, the Township hereby authorizes a renewal lease agreement with Shef & Sons, LLC dba Hav-A-Burger, Essington, PA for a portion of certain property located at 1018 Darby Road (the Skatium), Havertown, PA subject to review by the Township Solicitor and further subject to the approval of the Township Manager of the final document.

Section II: All Township elected and appointed officials are authorized to take all action necessary to ensure the implementation and effect the purpose hereof.

Section III: Any and all Ordinances and/or Resolutions, or parts thereof, conflicting herewith are repealed insofar as the matters herein are affected.

Section IV: This is effective ten (10) days following final adoption by the Board of Commissioners and publication as required by law, and shall remain in effect hereafter until revised, amended, or revoked by action of the Board of Commissioners of the Township of Haverford.

Adopted by the Township Board of Commissioners this 11th day of March, 2024.

Township of Haverford

Township of Haverford

Ordinance No. P4-2024

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing ordinance no. 1960, adopted June 30, 1986, and known as “General Laws of the Township of Haverford” Chapter 175, Vehicles and Traffic.

Be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, and it is hereby enacted and ordained by the authority of the same:

Section 1. That Section 175-96, Article XX, Special Purpose Parking Zones:
Establish in front of 2447 Wynnefield Drive

Section 2. That Section 175-91 Schedule XVI: Parking of All Vehicles Prohibited at All Times:
No Parking Here to Corner
the unit block of Colfax Road, north side, from the corner of Darby Road to a point 60 feet west.

Section 3. That Section 175-99, Schedule XXIV, Sticker Parking Only
Rescind Permit Parking Only on Mifflin Avenue

Section 4. Upon effective date of this ordinance, the Highway Department shall install appropriate signs in the designated section or zones giving notice of the regulations aforesaid.

Section 5. Any ordinance or part of an ordinance to the extent that it is inconsistent herewith is hereby repealed.

Adopted this day of , 2024.

Township of Haverford

C. Lawrence Holmes, Esq.
President

Attest: David R. Burman

Township Manager/Secretary

Township of Haverford

Ordinance Number P5-2024

An Ordinance amending Chapter 47 entitled “Amusement Devices” of the General Laws of the Township of Haverford to further regulate the premises within which such devices may be permitted and associated definitions; amending Chapter 182 entitled “Zoning” to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

Whereas, the Home Rule Charter of the Township of Haverford authorizes the Board of Commissioners to make and adopt ordinances consistent with the Constitution and laws of this Commonwealth and with the Charter;

Whereas, the Pennsylvania Municipalities Planning Code, 53 P.S. § 10101, et. seq., provides that municipalities are permitted to address the intensity of uses within a zoning district and provide for the promotion, protection and facilitation of public health, safety, morals, and the general welfare, and coordinate practical community development; and

Whereas, the Board of Commissioners desires to promote a complementary mix of uses that will generate pedestrian foot-traffic, disperse the intensity of uses throughout the Township, and promote the economic health of the Township; and

Whereas, the Board of Commissioners desires to prevent the over-concentration of certain uses within the Township; and

Whereas, tobacco use is still the leading cause of preventable death in the United States; and

Whereas, tobacco use places a huge financial cost on the nation's healthcare system and constraints on productivity imposed on the nation's economic system; and

Whereas, since 2014 electronic cigarettes have been the most commonly used tobacco products among the youth of the United States; and

Whereas, amusement devices and electronic games are commonly enjoyed and played by, and often attract, children and young adults who are not legally permitted to use tobacco products; and

Whereas, the use of Game of Skill machines are believed to have a deleterious impact on

children, may encourage gambling, and continual use of such machines may increase the risk of crime and endanger employees and customers of a business; and

Whereas, the Board of Commissioners desires to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

Whereas, the Board of Commissioners has met the procedural requirements of the Pennsylvania Municipalities Planning Code for the adoption of the proposed ordinance, including advertising and holding a public hearing;

Whereas, the Board of Commissioners, after due consideration of the proposed ordinance at a duly advertised public hearing, has determined that the health, safety and general welfare of the residents of Haverford Township will be served by this amendment of the Township's Code.

Now, therefore, the Board of Commissioners of the Township of Haverford hereby ordains and enacts as follows:

Section I. Code Amendments.

A. Chapter 47, Amusements and Entertainments, Article I, Amusement Devices, is hereby amended as follows:

i. Section 47-1, Definitions, is amended to provide for a revised definition of “Mechanical Amusement Device” and a new definition of “Game of Skill Machine” to state:

Mechanical amusement device

Any machine, apparatus, or device which, upon the insertion of a ticket, coin, slug, token, plate, card, disk or key into any slot, crevice or other opening, or by the payment of any price, may be operated or used as a game, entertainment or amusement, whether or not registering a score and whether or not a prize or redeemable tickets or points are offered. It shall include, without limitation, such devices as Game of Skill Machines, skill games, marble machines, pinball machines, skill ball, skee ball, mechanical grab or “claw” machines, mechanical or video bowling machines, electronic dart boards, golf simulator games, photoelectric or video shooting games or target machines, electronic video games, air-hockey tables, football games or other ball, disk, or bag throwing, rolling, or kicking games, riding or driving games or devices, virtual reality games, and all other games, operations, or transactions similar thereto under whatever name they may be designated or described. It shall not include devices or machines which dispense candy or merchandise unrelated to playing a game or Pennsylvania Lottery kiosks or devices. No Mechanical Amusement Device shall be permitted within the same premises as a Significant Tobacco Retailer, as defined in Chapter 182.

Game of Skill Machine

A gaming machine, apparatus, or device that resembles and often functions like casino slot machines, in that a player inserts money, tokens or a card for the chance to win more money, credits, or a similar benefit, but where the outcome is determined mainly by mental or physical skill, rather than chance. No Game of Skill Machine shall be permitted within the same premises as a Significant Tobacco Retailer or Convenience Store, as defined in Chapter 182.

ii. Section 47-5, Regulations for premises and operation of devices, is hereby amended to amend subsection E and to provide for new subsections F and G as follows:

E. Any premises or places of business primarily or substantially devoted to the display or maintenance of Mechanical Amusement Devices, Game of Skill Machines or pool tables shall be subject to provisions of Chapter 182 relating to indoor recreational or amusement facilities. For the purposes of this subsection, any premises within which are displayed or maintained more than three Mechanical Amusement Devices, Game of Skill Machines and/or pool tables shall be considered an indoor recreational or amusement facility.

F. No Mechanical Amusement Devices shall be permitted within the same premises as a Significant Tobacco Retailer, as defined under Chapter 182.

G. No Game of Skill Machines shall be permitted within the same premises as a Convenience Store, as defined under Chapter 182.

B. Chapter 182, Zoning, Section 182-106, Definitions and word usage; interpretation of regulations, is hereby amended as follows:

i. The definition of Convenience store shall be deleted and replaced with the following:

Convenience store

A mini food market designed to attract and serve a large volume of stop-and-go traffic, specializing in fast sales of bread, dairy, luncheon meats, as well as both made-to-order and ready-to-consume sandwiches, meals and beverages intended for consumption off the premises, and providing a limited supply of grocery store stock as a convenience to its patrons, with less than 10% of its retail floor area or display area dedicated to, or which maintains 20% or less of its total merchandise, whether on display or in stock, for products containing tobacco, tobacco paraphernalia, Delta-8 THC (or Delta-8-tetrahydrocannabinol) products, kratom, ingestible CBD/cannabidiol products, and/or Electronic Nicotine Delivery Systems (ENDS), ENDS-related products and/or any materials that can be used in Electronic Nicotine Delivery Systems. A store exceeding this 10% requirement shall be considered a Significant Tobacco Retailer. No Game of Skill Machines shall be permitted within the same premises as a Convenience Store.

ii. The following definitions shall be added to Section 182-106:

E-liquid

Any liquid that contains vegetable glycerin, propylene glycol, nicotine, water, and possibly flavoring that can be used in Electronic Nicotine Delivery Systems (ENDS) devices. E-liquids can also be referred to as "vape" or "vape juice."

Electronic Cigarette

(1) An electronic oral device, such as one composed of a heating element and battery or electronic circuit, or both, which provides a vapor of nicotine or any other substance and the use or inhalation of which simulates smoking.

(2)The term includes any ELECTRONIC NICOTINE DELIVERY SYSTEMS (ENDS) device, notwithstanding whether the device is manufactured, distributed, marketed or sold as an e-cigarette, e-cigar and e-pipe or under any other product, name or description.

Electronic Nicotine Delivery Systems (ends)

Any device designed or used to transform an e-liquid (that may contain nicotine) into an aerosol that the user inhales. ENDS can also be referred to as "vapes," "vaporizers," "vape pens," "hookah pens," "electronic cigarettes," "e-cigarettes," "e-cigs," and "e-pipes."

Game of Skill Machine

A gaming machine, apparatus, or device that resembles and often functions like casino slot machines, in that a player inserts money, tokens or a card for the chance to win more money, credits or a similar benefit, but where the outcome is determined mainly by mental or physical skill, rather than chance.

Hookah Bar

Any establishment that is devoted to, marketed as, or designed for, whether as its primary use or as an accessory use, the on-premises use of smoking through a water pipe with a smoke chamber, a bowl, a pipe and a hose, commonly referred to as a "hookah," and also known as narghile, argileh, shisha, hubble-bubble and/or goza, or any similar device used for on-premises smoking. The term "hookah bar" includes, but is not limited to, establishments variously known as hookah parlors, hookah cafes, and hookah lounges. A Hookah Bar shall be considered a Significant Tobacco Retailer.

Indoor Recreational or Amusement Facilities

An establishment containing an indoor premises or place of business that primarily or substantially offers indoor recreational and/or amusement activities including, without limitation, movie and live theaters, bowling alleys, sports fields or playing courts, video arcades, billiards, playground equipment, laser tag, go-carts, golf game simulators, mini-golf, ax/knife throwing, virtual reality experiences, trampolines, batting cages, or similar indoor facilities. Devices and facilities used solely for retail sales product testing or demonstrations, playgrounds used accessory to an eating/drinking establishment, and private sports clubs or gyms that require at least monthly memberships to participate shall not be considered Indoor Recreation or Amusement Facilities.

Mechanical Amusement Device

Any machine, apparatus, or device which, upon the insertion of a ticket, coin, slug, token, plate, card, disk or key into any slot, crevice or other opening, or by the payment of any price, may be operated or used as a game, entertainment or amusement, whether or not registering a score and whether or not a prize or redeemable tickets or points are offered. It shall include, without limitation, such devices as Game of Skill Machines, skill games, marble machines, pinball machines, skill ball, skee ball, mechanical grab or "claw" machines, mechanical or video bowling machines, electronic dart boards, golf simulator games, photoelectric or video shooting games or target machines, electronic video games, air-hockey tables, football games or other ball, disk, or bag throwing, rolling, or kicking games, riding or driving games or devices, virtual reality games, and all other games, operations, or transactions similar thereto under whatever name they may be designated or described. It shall not include devices or machines which dispense candy or merchandise unrelated to playing a game or Pennsylvania Lottery kiosks or devices. No Mechanical Amusement Device shall be permitted within the same premises as a

Significant Tobacco Retailer.

Significant Tobacco Retailer

Any of the following establishments:

(1) Any retailer or wholesale establishment that devotes 10% or more of floor area or display area to, or maintains 20% or more of its total merchandise, whether on display or in stock, for Tobacco Products, Vape Products, Delta-8 THC (or Delta-8-tetrahydrocannabinol), kratom, ingestible CBD/cannabidiol products, Electronic Nicotine Delivery Systems (ENDS), and/or ENDS-related products and/or any materials that can be used in Electronic Nicotine Delivery Systems;

(2) Any retailer or wholesale establishment that holds itself out as, or otherwise promotes or markets itself as, a "tobacco store," a "smoke shop," a "vape shop," a "cigar shop" or a similar establishment selling Tobacco Products and/or Vape Products or predominantly advertises Tobacco Products or Vape Products on its storefront or website;

(3) A Hookah Bar, regardless of whether Tobacco Products or Vape Products are sold from the premises.

Tobacco Products

Any substance containing tobacco leaf or accessory items used with or for tobacco consumption, including, but not limited to, cigarettes, cigars, pipe tobacco, shisha, snuff, chewing tobacco, dipping tobacco, other noncombustible tobacco products, matches, lighters, grinders, hookahs, pipes, cigarette rolling machines or papers, ashtrays, pipe

tools, pipe supplies and pipe accessories.

Vape Products

Products containing nicotine and/or nicotine flavoring that are inhaled from a device designed for such purpose and/or products used to assist with the inhalation of nicotine including, but not limited to, any device designed or used to transform an e-liquid (that may contain nicotine) into an aerosol that the user inhales, e-liquids, e-cigarettes, vape or e-cigarette cartridges or refills, vaporizers, vape pens, vapor products, hookah pens, electronic cigarettes, e-cigs, e-pipes, Electronic Nicotine Delivery Systems (ENDS), and/or ENDS-related products and/or any materials that can be used in ENDS. Vape Products shall also be deemed a noncombustible tobacco product.

C. Chapter 182, Section 182-403, C-2 Neighborhood Commercial District, B. Use Regulations, (1) uses by right, subsection (b) shall be amended to add “but specifically excluding Significant Tobacco Retailers”, as follows:

a. Convenience stores, but specifically excluding Significant Tobacco Retailers.

D. Chapter 182, Section 182-404 C-3 General Commercial District, B. Use Regulations, (1) uses by right, subsection (f) shall be amended by deleting the words “cigarette and tobacco”, reflected as follows:

Gift shops, including camera, book, stationery, antique, musical supply, cosmetic, candy, ~~cigarette and tobacco~~, flower, hobby, jewelry, leather and luggage shops.

E. Chapter 182, Section 182-406 C-5 Shopping Center Commercial District, B. Use Regulations, (4) conditional uses, (d) Significant Tobacco Retailer shall be added, as

follows:

(d) Significant Tobacco Retailer. A Significant Tobacco Retailer shall be permitted as a conditional use in accordance with the specific standards set forth in § 182-1209, standards applicable to Significant Tobacco Retailer uses, of this chapter.

F. Chapter 182, Section 182-1209, Standards applicable to Significant Tobacco Retailers, shall be added, as follows:

A. A Significant Tobacco Retailer shall not be located within 1,000 feet of the boundary of any institutional zoning district or the property line of any parcel containing an institutional zoning use, including, but not limited to, public, private and parochial schools and day-care centers. This distance shall be measured in a straight line from the closest exterior wall of the building or portion thereof in which the Significant Tobacco Retailer is located to the closest property line of the protected district or use, regardless of the municipality or zoning district in which it is located.

B. A Significant Tobacco Retailer shall not be located within 1,000 feet of the boundary of any outdoor recreation and open space zoning district. This distance shall be measured in a straight line from the closest exterior wall of the building or portion thereof in which the Significant Tobacco Retailer is located to the closest property line of the protected district or use, regardless of the municipality or zoning district in which it is located.

C. A Significant Tobacco Retailer shall be a minimum distance of 1,000 feet from the next nearest Significant Tobacco Retailer, measured along a straight line between the closest walls of each of the two facilities.

D. Significant Tobacco Retailers shall cease operations between the hours of 11:00 PM and 10:00 AM.

E. No Mechanical Amusement Devices shall be permitted within the premises of a Significant Tobacco Retailer.

F. No alcoholic beverages shall be served or consumed within the premises of a Significant Tobacco Retailer.

Section II. Repealer. In addition to the above, all other ordinances or parts of ordinances that are inconsistent herewith, are hereby repealed. Further, it is understood and intended that all other sections, parts, provisions, and ordinances that are not otherwise specifically in conflict with or inconsistent with this Ordinance, shall remain in full force and effect, the same being reaffirmed hereby.

Section III. Severability. In the event that any section, sentence, clause, phrase or word of this Ordinance shall be declared illegal, invalid or unconstitutional by any Court of competent jurisdiction, such declaration shall not prevent, preclude, or otherwise foreclose enforcement of any of the remaining portions of this Ordinance.

Section IV. Failure to Enforce Not a Waiver. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

Section V. Effective Date. This Ordinance shall become effective 10 days following final adoption by the Board of Commissioners and publication as required by law.

ADOPTED this _____ day of _____, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.

President

Attest: David R. Burman, Township Manager

Township of Haverford

Resolution No. 2368-2024

Whereas, the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, hereby authorizes transfers to be made between accounts of the 2023 Budget as set forth below:

--------------------	--------------

Change in Revenues/Expenditures Net Grand Total	\$ -
---	------

Resolved this 11th day of March, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq
President
Board of Commissioners

Attest: David R. Burman, Township Manager

Township of Haverford

Resolution Number 2369-2024

Whereas, the Preliminary / Final Land Development Plan for JPM Haverford Road, 2228 & 2224 Haverford Road; Haverford PA, Delaware County, known as D.C. Folio Nos. 22-06-01067-02 and 22-06-01067-01 has been submitted to consolidate the two lots of the Property into a single lot and to construct a second-floor addition above the existing warehouse, along with associated site improvements. The new consolidated lot will have a total area of 20,715 square feet (0.475 acres) and there will be no increase in impervious coverage. The properties are within the R-5 Residential Zoning District and the 6th Ward. The site plan, sheet 1 of 1, was prepared by Karl E Kriegh, Philadelphia, PA, dated October 31, 2022 and last revised February 2, 2024. The architectural plans, cover sheet, GO.1, GO.2, A1.1, A1.2, A1.3, A2.1 and A2.2, was prepared by Remus-Zmijewski Architecture, Collingswood, NJ, dated May 30, 2023.

Whereas, the Original Plan and the Project were the subject of Haverford Township Zoning Hearing Board case Z22-28 and a subsequent agreed order dated June 28, 2023;

Whereas, the Planning Commission of Haverford Township at the public meeting of Thursday, February 8, 2024, did vote to recommend approval of the plans and Waivers from a two-step preliminary/final land development plan review process,

requiring a traffic impact study and requiring a stormwater analysis, subject to the following conditions;

All comments contained within the January 2, 2024 review letter prepared by Pennoni Associates be addressed, the proposed indoor parking spaced be added to the final plan, parking signage be provided for employees, painted directional arrows for the drive aisles be provided on the plan, the outline of the proposed second floor addition be added to the site plan, identify the travel route from the handicap parking spaces to the entrance doors, provide handicap parking sign details on the plan and provide landscape buffer notes on the plan; and

Whereas, said plans have been submitted before the Board of Commissioners of the Township of Haverford for consideration in accordance with the Pennsylvania Municipalities Planning Code, Act 247, as amended, and pursuant to the Haverford Township Subdivision and Land Development Regulations, Ordinance 1960, Chapter 160, Sections 4.A and B.

Now, therefore, be it resolved by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, that the recommendations and findings of the Planning Commission are hereby adopted and the Preliminary / Final Land Development Plan for JPM Haverford Road, 2228 & 2224 Haverford Road; Haverford PA, Delaware County dated October 31, 2022 and last revised February 2, 2024, is approved subject to compliance with the recommendations described hereinabove.

Resolved this 11th day of March, 2024.

**RE: Preliminary/Final Land Development Plan
JPM Haverford Road- 2228 & 2224 Haverford Road**

Dear Mr. Smith:

As requested, we have reviewed the following in connection with the referenced project:

- *"Survey and Plan of Property for Deed of Correction, Consolidation, Zoning and Building Purposes"* (one sheet) dated October 31, 2022, last revised December 5, 2023.
- *Response letter from Carl W. Ewald P.C., dated December 11, 2023*

The applicant, JPM Haverford Road, proposes to consolidate two (2) existing lots and construct a second-floor addition to an existing commercial warehouse at the referenced property. The new consolidated lot will have a total area of 20,715 square feet (0.475 acres). No new impervious surface is proposed as part of this application. The property is within the R-5 Residential Zoning Districts.

The applicant was granted Zoning relief from the Zoning Hearing Board via a Stipulated Order dated June 28, 2023.

The applicant is requesting the following waivers:

- From §160-4 requiring a two-step preliminary/final land development plan review process.
- From §160-4.E(i) requiring a Traffic Impact Study
- From §78, requiring a stormwater analysis.

We offer the following comments:

ZONING

1. A parking tabulation for the various uses should be provided on the plan. (§182-707) Based on our calculations, it appears that minimum parking requirements are not met. **Partially Addressed. A Parking Space Use Table has been provided. This table utilizes the correct standards for off-street parking for the various uses. However, the calculations for the Garage and Warehouse uses do not account for the space required for each fractional amount resulting from the computation. It appears a total of 34 parking spaces should be provided.**
2. The following comments pertain to the proposed parking layout:
 - a. Per the Stipulated Order, the parking spaces associated with each use on the property should be identified on the plan. **Addressed**

- b. It appears that some of the indicated spots potentially impact the existing sidewalk and the entrances from Karakung Drive. **Addressed**
 - c. The aisles widths between the spaces on the west side are less than typical standards.
 - d. Parking spaces shall be clearly delineated by painted lines or markers. (§182-718.A(1)) **Addressed**
 - e. Stalls shall be provided with bumper guards or wheel stops when necessary for safety or protection to adjacent structures or landscaped areas. (§182-718.A(2)). **Partially addressed. A detail should be provided for the proposed wheel stops.**
 - f. All vehicular entrances and exits to parking areas shall be clearly designated for all conditions (§182-718.A(4)). **Addressed**
 - g. If spaces are used during evening hours, appropriate lighting shall be provided. (§182-718.A(5)). **Addressed**
 - h. Additional information regarding interior circulation on the site should be provided, including drive aisle dimensions, pavement markings and signage. (§182-718.G) **The five (5) spaces provided at the southeast corner of the lot do not appear to meet the minimum 9-foot required width. In addition, it appears at least one space is inaccessible.**
 - i. Dedicated spots for handicap parking, as applicable should be identified. **Partially Addressed. The applicant shall confirm that only one (1) handicap spot is required. Additionally, the accessible aisle shall extend the full width of the parking space.**
3. Off-street loading and unloading space(s) with proper and safe access from a street or alley shall be provided on each lot used for commercial or other purposes where it is deemed that such facilities are necessary to adequately serve any such use within the district. All such loading and unloading spaces shall be located at the rear of the building. (§182-708.A.(1)) The loading/unloading spaces should be identified on the plan. **Partially Addressed. The specific location of the loading/unloading area is not clearly delineated or dimensioned on the plan. In addition, if the designated area is smaller than the minimum dimensions required, the applicant shall demonstrate the area is adequate for the size of the delivery vehicle. Lastly, the area shall not overlap, occupy, or otherwise interfere with required driveway and parking spaces. (§182-708.A.(1)(a),(b),(c))**
 4. No main building and no part of a building shall be erected within or shall project into a front, side or rear yard, except for cornices, projecting eaves, gutters or chimneys projecting not more than 18-inches, steps, and awnings. (§182-712) The applicant should clearly indicate the proposed second floor addition on the plans and confirm the addition is consistent with this requirement.

SUBDIVISION & LAND DEVELOPMENT

5. The following plan requirements should be provided (or a waiver requested):
 - a. The plan should clearly indicate the associated building area for each use. §160-4.E(5)[g](3) **Addressed.**
 - b. A location map or key map showing the location of the site. (§160-4.E.(5)[b]) **Addressed**
 - c. A zoning data table indicating existing and proposed conditions. (§160-4.E.(5)[c]) **Addressed**
 - d. Existing monuments, easements, and rights-of-way. (§160-4.E.(5)[e](1)) **Addressed**
 - e. The State route numbers for Haverford Road and Karakung Drive. **Addressed.**
 - f. Signature blocks in accordance with §160-4.H(1) should be provided on the plan. **Partially Addressed. The text for various signature blocks will need to be revised.**
6. Monuments should be provided on right-of-way lines at corners and angle points. (§160-5.B(8)) **Partially addressed. The rear property line should be delineated with concrete monuments.**

OTHER

7. The location of and required screening for the trash enclosure should be indicated on the plan. **Partially Addressed. The plan should indicate the height of the fence.**
8. The location and approximate extent of Landscape buffering/screening for 2220 Haverford Road should be identified on the plan. **Partially Addressed. The extent of the landscape buffering/screening should be clearly delineated on the plan.**

The following comments pertain to the most recent submission (Revised 12/5/2023):

9. A depressed curb for access to Haverford Road is indicated to be installed at the northwest side of the lot. This access will require a PennDOT permit.
10. The proposed middle driveway entrance from Haverford Road appears to consist of a section of full height curb.
11. The minimum 18-foot length should be accurately depicted on the plan for all parking spaces. (§182-707.A(1))
12. Provide additional detail for the proposed retaining wall, including the height and material. (§182-727.C.). In addition, a portion of the wall near Haverford Road appears to be on the adjacent property.
13. With the expansion of the building for a second use, a Sewage Facilities Planning module or exemption will be required. (§160-4.E(5[d]))

Should you have any questions or comments, please feel free to contact the undersigned.

Sincerely,

PENNONI

Charles Faulkner, PE
Senior Engineer

MUNICIPALITY: Haverford Township

TYPE OF REVIEW: Final Subdivision and Land
Development

ZONING DISTRICT: R-5

SUBDIVISION ORDINANCE: Local

PROPOSAL: Subdivision: Incorporate two lots
into one lot

Land Development: Further develop
.47555 acre with a second-floor
addition and site improvements

UTILITIES: Public

RECOMMENDATIONS: Approval, with consideration given
to staff comments

STAFF REVIEW BY: Michael A. Leventry

CURRENT PROPOSAL

The plan proposes to consolidate two parcels into one and subsequently further develop an existing building by adding a second-story addition.

Date: September 22, 2023
File No.: 20-7892-26

REMARKS continued:

SITE CHARACTERISTICS

The is located along a commercial corridor with dual two frontages; one onto a minor arterial and a second onto a major collector. Neighboring the site is a business and a dwelling.

APPLICABLE ZONING

The proposal is located within the R-5 district and is subject to applicable regulations set forth by the Municipal zoning code.

NONCONFORMITIES

The site's existing use/building does not appear to comply with the regulations as established within the Municipal zoning code. Additionally, parking amounts and requirements are not provided within plan notes. It should be noted that zoning relief has been granted for the project.

COMPLIANCE

The proposal appears to comply with the R-5 district zoning with variances granted.

HIGHWAY OCCUPANCY PERMIT

In accordance with Section 508(6) of the Pennsylvania Municipalities Planning Code, the Township Engineer should confirm if the plan will need a highway occupancy permit(s) for access onto Haverford Road (S.R. 1014) and Karakung Drive (S.R. 1001).

SEWAGE FACILITIES

The developer should contact the Pennsylvania Department of Environmental Protection regarding the need for sewage facilities planning approval.

Date: September 22, 2023
File No.: 20-7892-26

REMARKS continued:

The Municipality should confirm receipt of any necessary Pennsylvania Department of Environmental Protection planning approval prior to final approval.

STORMWATER MANAGEMENT/IMPERVIOUS SURFACES

To the extent possible, the applicant should convert some proposed parking spaces and pavement area to pervious materials, such as landscaping or rain gardens. This would reduce storm water runoff from the site.

The Municipal Engineer must verify the adequacy of all proposed stormwater management facilities.

RECORDING

In accordance with Section 513(a) of the Pennsylvania Municipalities Planning Code (MPC), final plans must be recorded within ninety (90) days of municipal approval.

Resolution No. 2370-2024

American Rescue Plan Act

Traffic Study

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million; and

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to support the public's response to the COVID-19 pandemic; and

Whereas, the Board of Commissioners desires to provide financial support to efforts relating to our parking issues within the township's business districts; and

Now, therefore be it resolved, that the Board of Commissioners of Haverford Township hereby approves the use of \$ _____ of the Township's American Rescue Plan Fund allocation to enter into a Professional Service Contract with CH Planning of Philadelphia, PA for a comprehensive parking study of the business districts in Haverford Township.

Resolved this 13th day of November, 2023.

Township of Haverford

By: C. Lawrence Holmes, Esq., President
Board of Commissioners

Attest: David R. Burman, Township Manager

Township of Haverford

Resolution Number 2371-2024

A Resolution Declaring the Intent of Haverford Township to Dispose of Personal Property and Equipment as Obsolete, Unnecessary or Unfit for Municipal Use.

Whereas, Chapter 4, Part 10, Section 4-1009 of the Administrative Code allows the Township Manager to authorize the Finance Director to supervise the disposal of any unneeded, obsolete or surplus equipment with a sale value of less than \$1,000. Disposal of equipment with a value of more than \$1,000 shall be disposed of in accordance with the First Class Township Code; and

Whereas, pursuant to the First Class Township Code Section 1501, the Board of Commissioners is required to adopt a Resolution, expressing its intent to dispose of personal property and to follow appropriate advertising of such disposal; and

Whereas, the Fleet Division of the Haverford Township Public Works Department has identified specific items for disposal and has estimated the aggregate fair market value of this equipment to be in excess of \$1,000 (see attached list); and

Now, therefore, be it Resolved, that the Board of Commissioners of the Township of Haverford authorizes the Township Manager and Director of Finance to supervise the disposal of personal property as identified above in a manner and at such time as they determine appropriate in accordance with the Commonwealth of Pennsylvania's First Class Township Code.

Resolved this 11th day of March, 2024.

Township of Haverford

By: C. Lawrence Holmes, President, Board of Commissioners

Attest: David R. Burman, Township Manager/Secretary

Township of Haverford

Resolution No. 2372-2024

American Rescue Plan Act

Coronavirus Local Fiscal Recovery Fund

Recreation Facilities

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million; and

Whereas, on April 1, 2022 the US Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to invest in public health improvements, economic recovery and development, services to disproportionately affected communities, and general government services, among other allowable purposes: and,

Whereas, the Board of Commissioners desires to make improvements and financial investments in several Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final rule as follows:

Hilltop Park replacement steps for Softball Field and Basketball courts in an amount not to exceed \$9,620.

Replace shingles on Haverford Reserve pavilion and 2 dugouts on the Turf Field in an amount not to exceed \$13,813.

Repair perimeter and ballfield fencing at various Township parks in an amount not to exceed \$25,000.

Replace nine (9) swing sets for the following parks: Bailey Park, Chatham Glen, Gest Tract and Lawrence Road Park; replace slides for the following parks: Chatham Glen and Foster Tract; replace six (6) spring animals with handles compliant with current safety standards. The total for all swings, slides and spring animals is \$35,434.

Purchase one 40" Monaco Slide at Foster Tract and one 72" Rock N Roll Slide at Chatham Glen plus freight for a ground total of \$12,295.

Replace and install six (6) picnic tables at various parks in the total amount of \$8,660.

Resolved this 11th day of March, 2024.

January 2, 2024

Real Estate Division
IIES Branch

Haverford Township
Planning & Zoning Department
Attn: Dave Burman
1014 Darby Road
Havertown, Pennsylvania 19083

Dear Mr. Burman:

In connection with the Havertown PCP EPA Superfund Site in Havertown, Pennsylvania it is necessary for the United States Government to acquire a perpetual pipeline easement over certain property owned by Haverford Township in Delaware County, Pennsylvania, identified in Government records as Tract Nos. 115E-1 & 115E-2. A legal description and tract map of each easement is enclosed. This acquisition will be accomplished by the United States Army Corps of Engineers (USACE) on behalf of the United States Environmental Protection Agency (EPA).

An appraisal of the easements has been made for purposes of this acquisition. The appraisal was based on instructions provided by the EPA that the property was to be appraised "as if clean" and that the effect, if any, on the fair market value of the property due to its proximity to a Superfund site was not to be considered. Using this premise, the approved appraised value is **TEN THOUSAND and 00/100 DOLLARS (\$10,000.00)**. Because of the appraisal premise, this amount does not represent the estimated fair market value of the property, but is an amount that in all probability exceeds fair market value. Experience indicates that to the extent contamination impacts property value, it does so negatively; that is, contaminated property at a Superfund site tends to sell for less than a clean property that is not located near a Superfund site. The subject property has been appraised as if uncontaminated and without the influence of the nearby Superfund site.

The appraisal was made by a qualified real estate appraiser in accordance with the Uniform Appraisal Standards for Federal Land Acquisitions using nationally accepted valuation techniques recognized by authorities in the appraisal field and taking into consideration the value of the land and its highest and best use, as well as any improvements on the land. The highest and best use of the land was considered by the appraiser to be leased land.

The basic approaches to value considered by appraisers may be classified under three headings: sales comparison, income, and cost. In the appraisal covering your property, the sales comparison approach was utilized. The sales comparison approach considers the prices at which similar properties have sold in the area, not affected by the project, and not affected by those factors excluded from consideration in the aforementioned EPA appraisal instructions. These sales were adjusted on the basis of the differences in such factors as location, terms of sale, lapse of time, topography, building activity, and building condition. After completion, the appraisal was reviewed by a qualified appraiser with many years of experience in evaluating real estate, who approved it as a well-documented conclusion of the market value of your property under the EPA appraisal instructions.

Based on the appraisal methodology and the appraised value discussed above, the Government proposes to purchase this property from you for \$10,000.00. Enclosed is Offer to Sell Easement Form No. DACW-31-7-23-0363 for your review. Please sign the instrument at your soonest convenience and return a copy to this office. Upon receipt of the signed document, the Government will fully execute the instrument and provide a return copy to you for your records.

Should you have any questions regarding the form or the acquisition process, please contact Ms. Whitney Gross at (410) 794-6148 or whitney.l.gross@usace.army.mil. For any questions regarding the Site, please contact Mr. Joshua Barber at (215) 814-3393 or barber.joshua@epa.gov.

Sincerely,

A handwritten signature in black ink, appearing to read "Lesley M. Logue". The signature is written in a cursive style with a large initial "L".

OFFER TO SELL EASEMENT

Project: Havertown PCP EPA Superfund Project

Tract No.: 115E-1 & 115E-2

Contract No.: DACW-31-7-23-0363

The undersigned, hereinafter called the Vendor, in consideration of the mutual covenants and agreements herein set forth, offers to sell and convey to the United States of America and its assigns, easements as set forth in Exhibit A, in, upon, over, and across those certain tracts of land described in Exhibit B attached hereto and made part(s) hereof.

The terms and conditions of this offer are as follows:

(1) The Vendor hereby agrees that this offer may be accepted by the United States, through any duly authorized representative, by delivering, mailing, or electronically transmitting a notice of acceptance to the Vendor at the address stated below, at any time within three (3) months from the date hereof, whereupon this offer and the acceptance thereof become a binding contract.

(2) The United States agrees to pay to the Vendor for said easements and rights the sum of **TEN THOUSAND and 00/100 DOLLARS (\$10,000.00)** payable upon acceptance of this offer and approval of the Vendor's title, provided the Vendor can execute and deliver a good and sufficient easement deed with warranty of title conveying said easement and rights to the United States of America and its assigns, free and clear from all liens and encumbrances, said conveyance to be subject only to the existing easements and rights set forth in said Exhibit A.

(3) It is agreed that the United States will defray the expenses incident to the preparation and recordation of the deed to The United States and the procurement of the necessary title evidence.

(4) The Vendor agrees to satisfy of record at or before conveying said easement and rights, all encumbrances and special assessments which are a lien against the land, as the United States may require, and unless waived by the United States, to pay a sum to be determined by the United States to assure payment of taxes which are a lien at the time of closing but not payable and, if the Vendor fails to do so, the United States may pay any taxes, assessments, and encumbrances which are a lien against the land; that the amount of any such payments by the United States shall be deducted from the purchase price of the easement; to covenant to pay all taxes and assessments when due and payable and that the Vendor will, at the request of the United States and without prior payment or tender of the purchase price, execute and deliver an easement deed to the United

States conveying the easement and rights herein described and obtain and record such other curative evidence of title as may be required by the United States.

(5) The Vendor agrees that the United States may, notwithstanding the prior acceptance of this offer, acquire title to said easement and rights by condemnation or other judicial proceedings, in which event the Vendor agrees to cooperate with the United States in the prosecution of such proceedings; agrees that the consideration hereinabove stated shall be the full amount of just compensation, inclusive of interest, for the taking of said easement and rights; agrees that the consideration recited in paragraph 2 hereof constitutes the full amount of the purchase price for the easement and rights and shall be pro rated among all persons having an interest in this property as their respective interests may appear; and agrees that the said consideration shall be in full satisfaction of any and all claims of the Vendor for payment for the right of occupancy and use hereinafter provided for in paragraph (7).

(6) The Vendor agrees that loss or damage to the property by fire or acts of God shall be at the risk of the Vendor until the title to the land and deed to The United States have been accepted by the United States through its duly authorized representative or until the right of occupancy and use of the land, as herein below provided for, has been exercised by The United States; and, in the event that such loss or damage occurs before the risk of loss has passed to the United States, the United States may, without liability, refuse to accept conveyance of the title or it may elect to accept conveyance of title to such property, in which case there shall be an equitable adjustment of the purchase price.

(7) The Vendor hereby grants to the United States the right of immediate occupancy and use of the land in which said easements set forth in Exhibit A are to be granted for the purpose of exercising any of the rights described in said easements from and after acceptance by the United States of this offer until such time as said easements are conveyed to the United States.

(8) It is agreed that the spouse, if any, of the Vendor, by signing below, agrees to join in any deed to The United States and to execute any instrument deemed necessary to convey to The United States any separate or community estate or interest in the subject property and to relinquish and release any dower, curtesy, homestead, or other rights or interest of such spouse therein.

(9) The Vendor represents and it is a condition of acceptance of this offer that no member of or delegate to Congress, or resident commissioner, shall be admitted to or share any part of this agreement, or to any benefits that may arise therefrom; but this provision shall not be construed to extend to any contract if made with a corporation for its general benefit.

(10) The terms and conditions aforesaid are to apply to and bind the heirs, executors, administrators, successors, and assigns of the Vendor.

(11) All terms and conditions with respect to this offer are expressly contained herein and the Vendor agrees that no representative or agent of the United States has made any representation or promise with respect to this offer not expressly contained herein.

As we are all aware, COVID-19 has impacted and is expected to continue to impact all levels of the supply chain for the foreseeable future. The resulting product shortages, manufacturing delays, increased lead times and costs, shelter-in-place orders, border closures, and reallocations of supply by national, local, and foreign governments, among others, are all unforeseeable events outside of our control. Moreover, the ultimate duration and scope of these and other still unknown effects remain unclear. Accordingly, we must treat this pandemic as a force majeure event, which means that, for example, prior approaches, terms, conditions, commitments, and/or schedules, among others, may in certain circumstances require adjustment as we work together to navigate and mitigate the effects of this pandemic.

Township of Haverford

Finance Department Memorandum

March 4, 2024

To: David R. Burman, Township Manager

From: Aimee Cuthbertson, Director of Finance/Asst Township Manager

Re: Revised Award for Skatium Chiller Project

In June 2023, the Township awarded a contract to Elliot-Lewis Corporation for replacement of the chillers at the Skatium in the amounts of \$804,900.

At the time of the award, we rejected an alternate to replace the condenser water pumps since the current pumps were in a serviceable condition. However, the condition has deteriorated at an accelerated rate and it will be in the Township's best interest to replace as part of the chiller replacement project planned for late Spring/early Summer. This approach has been discussed at length with two separate service providers along with Pennoni Associates.

As such, there is a Motion to amend the original contract on your agenda:

Motion to the amend original contract award to Elliott-Lewis Corp, Philadelphia, PA to include alternate 8-3 in the amount of \$73,300 for a total revised contract award of \$878,200. Elliott-Lewis remains the lowest, responsible bidder.

The Skatium improvements are funded with bond proceeds obtained in the 2023 borrowing.

If you have any questions, Pennoni Associates will be on hand to discuss at the work session.

Township of Haverford

Public Works Department Memorandum

February 22, 2024

To: Board of Commissioners and David R. Burman, Township Manager

From: Daniel Mariani, Director of Public Works

Re: Public Works Department Purchase of Haverford Township Recycle Cans

It is my recommendation that Haverford Township enter into a purchase agreement for Six hundred (600) 32-gallon recycle cans in the amount not to exceed \$16,740.00, from T.M. Fitzgerald & Associates of Havertown, PA utilizing CoStars Contract Number 017-E22-054.

Township of Haverford

Parks & Recreation Department Memorandum

February 23, 2024

To: Board of Commissioners and David R. Burman, Township Manager

From: Brian Barrett – Director of Parks and Recreation

Re: Replacement swings for various parks and replacement spring animals

Attached are two quotes from Recreation Resource, all Burke products:

The first quote, in the amount of \$35,434, includes replacement swing sets at Bailey Park, Chatham Glen, Gest Tract and Lawrence Road Park. The existing swing sets had various issues including bent posts, movement in support post, rusting supports at ground level and bent supports. The quote also includes additional swings and equipment that for various other parks. Our Parks Maintenance Department will complete the installations.

The second quote in the amount of \$12,295 includes a 40-inch Monaco Slide which will replace the non-compliant slide at Foster tract, as well as a 72-inch Rock-N-Roll Slide which will replace the non-compliant slide at Chatham Glen. Again, our Parks Maintenance Department will complete the installations.

Funding for this purchase in the total amount of \$47,729 is available through the American Rescue Plan Act.

Recreation Resource is Pennsylvania CoStars Vendor Number 014-E22-249.

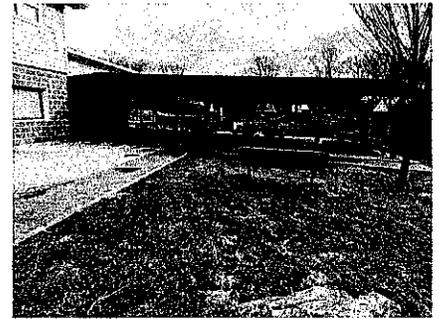

If there are any questions, I will be on hand for the Board of Commissioner work session on Monday, March 4, 2024.

RE: Haverford Township Free Library Renovation & Addition Project- Construction Change Orders

Mr. Burman,

Below is a summary of change orders we have reviewed and are recommending for approval by the Board of Commissioners. There is an explanation of each change as well as the detailed back-up for the costs.

For **Rycon Construction** contract these change order requests total a credit of **(\$1,612.80) (One thousand six hundred twelve dollars & eighty cents)** and will be part of a change order to their contract.

For **Dolan Mechanical (Mechanical)** contract these change order requests total an add of **\$12,359.60 (Twelve thousand three hundred fifty-nine dollars & sixty cents)** and will be part of a change order to their contract.

For **Dolan Mechanical (Plumbing)** contract these change order requests total an add of **\$26,390.78 (Twenty-six thousand three hundred ninety dollars & seventy-eight cents)** and will be part of a change order to their contract.

For **AJM Electric** contract these change order requests total an add of **\$5,650.00 (Five thousand six hundred fifty dollars & zero cents)** and will be part of a change order to their contract.

Please let us know if you have any questions or comments.

Sincerely,

Kenneth C. Matthews

Kenneth C. Matthews
C.B. Development Services, Inc.

CC: Aimee Cuthbertson, Sukrit Goswami

Rycon Construction Change Request #4 for an add of \$2,070.60

The cost included is for work associated to dig test pits in the basement of the old bank building to expose the existing foundations to confirm their depth/size and existing soil conditions for the Geotechnical engineer and underpinning engineer to inspect. This is so both engineers can confirm how the underpinning needs to be done and to ensure there are no unforeseen conditions present. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #5 for a credit of (\$21,702.45)

The cost included is for a credit back to move forward with manually operated operable partitions in lieu of motorized partitions in the Community Room located on the lower level. After further review with the Library, it was determined that motorized partitions are not required. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #8 for an add of \$7,708.05

The cost included is for work associated with first floor Mill Road exterior soffit framing. After the first floor ceiling was demolished it revealed the fact that there was no framing above the windows, the windows themselves went up to the underside of the 2nd floor. We received pricing to extend the window framing to the 2nd floor as well as pricing to frame a soffit as would be typical in new construction. This cost to frame a soffit was half the cost submitted by the window contractor which is why this change is being recommended. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #9 for an add of \$10,311.00

The cost included is for voids in the first and second floor concrete slabs in the original bank building discovered upon completion of demolition. This pricing reflects the cost to move forward with infilling these voids in the slabs as directed by the Structural Engineer in project RFIs #10/#19. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Mechanical) Change Request #1 for an add of \$12,359.60

The cost included is for work associated with replacing the existing cooling tower piping mains to the roof. The engineer thought these pipes could be re-used for the new chilled water system, however upon inspection they are in very poor condition and need to be replaced. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Plumbing) Change Request #1 for an add of \$2,775.04

The cost included is for work associated with cutting and capping the 1 Mill Road property's sewer line as needed for the demolition of the house to occur. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Plumbing) Change Request #2 for an add of \$6,476.80

The cost included is for work associated with demolishing the existing roof drain piping. After inspecting the piping once the ceilings were demolished it was confirmed to be in poor shape and needs to be replaced. The new piping is being done by using contract allowance money however this cost to

demolish the old piping was not part of the original allowance carried in the plumbing contract. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Plumbing) Change Request #3 for an add of \$17,138.94

The cost included is for work associated with Bulletin #6 for additional under slab drainage needed in the Community Room of the lower level. Once the existing concrete slab was cut and opened up for new electrical floor boxes, standing ground water was found. In review with the Geotechnical Consultant and design team it was determined additional under slab drainage would be needed. This cost is to provide additional perforated piping under the slab and tie it in to the new sump pump. The cost submitted and attached for reference is fair and reasonable.

AJM Electric Change Request #1 for an add of \$2,150.00

The cost included is for work associated with providing new electrical disconnects for the existing boilers. In review with the design team and Electrical Contractor, the existing disconnects are very old and should be replaced. The cost submitted and attached for reference is fair and reasonable.

AJM Electric Change Request #2 for an add of \$3,500.00

The cost included is for work associated with saw cutting the concrete slab on grade in the Community Room on the lower level. This saw cutting is to open up the flooring for the additional under-slab drainage referenced in Dolan Mechanical's change order above. The electrician's saw cutting contractor was already on site, so it made sense to have them perform this additional work. The cost submitted and attached for reference is fair and reasonable.

Township of Haverford

Proclamation

Whereas, the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, welcomes the families and players of the Viikingit Hockey Club of Helsinki, Finland; and

MARCH 22 – 31, 2024

Whereas, the Haverford Hawks Ice Hockey Club is a not-for-profit 501(c)(3) organization that teaches children ages 4 to 18 the sport and spirit of ice hockey. The Hawks have been an important part of the Havertown community since 1975, providing children in our area with a great opportunity to learn the importance of dedication, teamwork, and sportsmanship; and

Whereas, the Hawks have served its players and families for over 25 years through the Haverford Hawks Finland | USA Exchange. This exceptional cultural exchange program provides local children with a unique opportunity to learn about and experience different cultures while sharing the sport they love; and

Whereas, each year, the teams exchange home ice with the Hawks visiting Finland in 2023 to live and appreciate the Finnish culture. Now in 2024, we welcome the Fins to Haverford Township to live and appreciate our culture here in the United States and to continue promoting the goodwill fostered by youth sports; and

Now, therefore be it proclaimed that the Board of Commissioners of the Township of Haverford wish the Finland Exchange continued comradery in the true spirit of international friendship.

Proclaimed, this 22nd day of March, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esquire
President
Board of Commissioners

Attest: David R. Burman, Township Manager

Township of Haverford

Proclamation

Whereas, In 1872, J. Sterling Morton proposed to the Nebraska Board of Agriculture that a special day be set aside for the planting of trees, and

Whereas, this holiday, called Arbor Day, was first observed with the planting of more than a million trees in Nebraska, and

Whereas, Arbor Day is now observed throughout the nation and the world, and

Whereas, trees can reduce the erosion of our precious topsoil by wind and water, cut heating and cooling costs, moderate the temperature, clean the air, produce life-giving oxygen, and provide habitat for wildlife, and

Whereas, trees are a renewable resource giving us paper, wood for our homes, fuel for our fires and countless other wood products, and

Whereas, trees in our city increase property values, enhance the economic vitality of business areas, and beautify our community, and

Whereas, trees, wherever they are planted, are a source of joy and spiritual renewal.

Now, therefore, the Haverford Township Board of Commissioners, do hereby proclaim the last Friday in April as

Arbor Day

in Haverford Township, and urge all citizens to celebrate Arbor Day and to support efforts to protect our trees, parks and woodlands; and

Further, the Board of Commissioners of the Township of Haverford urge all citizens to plant and care for trees to gladden the heart and promote the well-being of this and future generations.

Proclaimed this 8th day of April, 2024.

**RE: Haverford Reserve – Parcel 5 Improvements
Pohlig at Haverford Reserve, L.P.
Reduction to Letter of Credit – No. 34 (Final)**

Dear Mr. Burman:

We are in receipt of a request from Pohlig at Haverford Reserve, L.P., dated September 4, 2023, for release of all remaining funds associated with their letter of credit for work completed in Phase 2c in the amount of \$187,541.30. Based on our observation of the work, we recommend the following release:

Original Letter of Credit	\$2,062,948.00
Released to Date	\$1,875,406.70
Balance Prior to the Release	\$187,541.30
Recommended by this Release	<u>\$187,541.30</u>
Balance After This Release	\$0.00

Attached is a Declaration of Completion for your signature.

Per the Land Development Agreement, also attached is the Certificate of Total Completion (for your signature) and the Contractor Acceptance of Final Payment and Release of Liens and Claims. Please note the lien releases were previously transmitted to the Township (by Pohlig) on March 4, 2022.

Should you have any questions or comments, please feel free to contact us.

Sincerely,

PENNONI ASSOCIATES INC.

David Pennoni, PE
Township Engineer

DECLARATION OF COMPLETION

**PARCEL 5 IMPROVEMENTS
POHLIG AT HAVERFORD RESERVE, L.P.
LETTER OF CREDIT REDUCTION NO. 33**

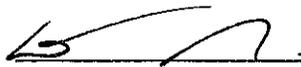

We the undersigned Township of Haverford ("Township") and Pennoni Associates, Inc. ("Engineer") hereby declare that the work performed by Pohlig at Haverford Reserve, L.P. ("Developer"), relative to construction and installation of the proposed Parcel 5 Improvements under that certain Development, Improvement and Maintenance Agreement dated March 31, 2008 and the related Financial Security Agreement of even date therewith between the Developer and Township has been completed to the extent of \$1,875,406.70, the detailed breakdown of which is attached hereto, and this Declaration authorizes the reduction in the available amount under Improvement Fund Letter of Credit No. 4-0734, issued by Wilmington Trust Bank by the sum of \$149,208.59. After such reduction, the available amount under the Improvement Fund Letter of Credit shall be \$187,541.30.

It is hereby agreed that the reduction in the aforesaid Improvement Fund Letter of Credit as authorized by this Declaration shall not be construed as the acceptance of work by the Township nor shall this Declaration act or constitute as any waiver by the Township of the work as completed. The Township reserves the right to inspect the said work and to require the Developer to correct any and all deficiencies.

CERTIFICATE OF TOTAL COMPLETION

I. RE: Development Name: Haverford Reserve, Parcel 5
TO: Haverford Township (via Township Manager and Township Engineer)
FROM Athertyn L.P., a Delaware Limited Partnership ("Developer")

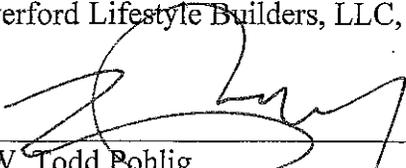

Developer hereby certifies that all the Required Improvements have been constructed, completed and installed in accordance with the Township's requirements. Developer requests that the Township prepare a maintenance security agreement and deeds of dedication or bills of sale and present them to Developer for execution for any Required Improvements to be dedicated to the Township. Upon execution, said maintenance security and instruments of dedication will be presented to the Township prior to its consideration of the resolution of completion. Developer hereby certifies that all contractors, subcontractors and materialmen which worked on the Required Improvements have been paid in full and have executed releases of mechanic's liens against the Required Improvements and Township Property, which releases are attached hereto.

RE: Athertyn at Haverford Reserve (Parcel 5)
Request for Release of the 18-month Security (10%) Escrow

Gentlemen,

Please accept this letter as our request for release of the 10%-security in the amount of \$187,541 associated with the Athertyn Parcel 5 Improvements.

Attached please find Letter of March 4, 2022, that accompanied the Documentation of Substantial Completion and WSFS Bank statement identifying the escrow account.

As an update on the 198 unit Project:

Sales- 198 units sold. Settlements- 198 units settled.

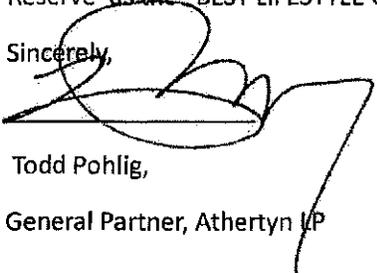

The Athertyn Homeowners Association Board has recently initiated the Transition Process.

Jessica Canto, our Project Manager, and I are available to accompany any additional inspections of the site at your convenience.

As I understand, the only outstanding item is the receipt of the Notice of Termination (NOT) for Basin "A" from the Delaware County Conservation District which needs a reinspection of a small area of ground cover (recently sodded). I anticipate receipt of the NOT prior to the Commissioners' October meeting.

I am available to meet at the Township or Athertyn to answer any questions. Again, we have appreciated working with the Township Commissioners, Boards, Staff and Engineer to position 'Athertyn at Haverford Reserve' as the "BEST LIFESTYLE COMMUNITY" in the region.

Sincerely,

Todd Pohlig,

General Partner, Athertyn LP

RE: Athertyn at Haverford Reserve (Parcel 5)
-Substantial Completion of Required Improvements

Gentlemen,

Attached please find Plans and Binders supporting of our request for a "Certificate of Total Completion" for the Athertyn Condominium Project at Haverford Reserve.

The current Athertyn (198 unit) status comprises:

Sales- 197 units sold

The last unit (5109) is converting from the Sales Center and will be offered for sale this Fall.

Settlements- 184 units settled. Other than the aforementioned Sales Center conversion (5109), the remaining 13 settlements (in the last Building 1000) are expected to close this year.

Improvements- All Required Improvements are complete, and the Project is 100% landscaped. Only minor restoration will be required when the Storage Containers (with material for the final units fit-out) are removed later this year from the adjacent lay-down area.

The attachments include:

As-Built plans, and
Binders organized as -

Action Items Requested from the Township:

Tab 1 – Execution of Certificate of Total Completion

Tab 2 - Reduction of \$ 149,208.59 from the Escrowed Funds

Leaving the 10% security (\$ 187, 541) in place for 18 months

Background Information:

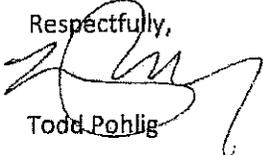

Tabs 3 thru 12 – Show payment and lien release for the work completed

Reference Material:

Tabs 13 thru 15 - The underlying project agreements for ease of reference.

We have appreciated working with the Township and Staff over the years as we collectively positioned Athertyn at Haverford Reserve as the premier Lifestyle Community in the region. Should you need any information or accompaniment on additional inspections please call.

Respectfully,

Todd Pohlig

Contractor Final Lien Release

CONTRACTOR ACCEPTANCE OF FINAL PAYMENT AND
RELEASE OF LIENS AND CLAIMS

Gordon Eadie Landscape and Design ("Contractor") hereby acknowledges receipt from Athertyn LP ("Developer") of the sum of \$2,184.00 which constitutes full and final payment of any and all amounts due to Contractor for labor performed or materials furnished by Contractor, and any and all of its Subcontractors, Sub-Subcontractors (which term shall include "materialmen") and materialmen, pursuant to contract, or otherwise, including any and all change orders, extras, additions, substitutions and omissions through the date hereof (the "Contract"), in connection with the construction of improvements on Parcel 5 of the former Haverford State Hospital (the "Project") located at 3500 Darby Road, Haverford Township, Delaware County, Pennsylvania (the "Property").

Contractor hereby represents and warrants to Developer that Contractor has received final payment in full of all amounts due for labor performed and materials furnished pursuant to the Sitework Contract, (ii) no notice of unpaid balance or right to file construction lien has been filed against the Property or served by Contractor, (iii) to the best of Contractor's knowledge, information and belief, no notice of unpaid balance or right to file construction lien has been filed against the Property or served by any of its Subcontractors, Sub-Subcontractors, or materialmen who performed labor or furnished materials with respect to the Project Sitework, (iv) there is no known basis for the filing of any construction lien, any other claim, or notice with respect to the Project by Contractor or anyone acting through or under Contractor, (v) all Subcontractors, Sub-Subcontractors, and materialmen who were entitled to receive a portion of any progress payment previously paid to Contractor have been paid in full, and (vi) attached hereto is a true and complete list of all Subcontractors and Sub-Subcontractors which have performed work by, through, or under Contractor.

Contractor, on behalf of itself, its predecessors, successors, affiliates, and all Subcontractors, Sub-Subcontractors, and materialmen, for and in consideration of payment made, hereby forever waives, releases, and relinquishes any and all liens, claims, and demands whatsoever, which it or they now have or might or could have on or against the Property, The Township of Haverford, Developer and Developer's successors and assigns, attorneys, affiliates, and lenders (collectively "Developer Releases") for labor performed or materials furnished in connection with the Project Sitework.

Contractor further declares that by signing and sealing this instrument, Contractor shall be completely estopped from filing or maintaining any and all liens, claims, and notices against the Project Sitework and the Property, and the Developer Releases, and that in the event that any such lien, claim, or notice is filed or has been filed by Contractor or anyone acting through or under Contractor, Contractor shall immediately take steps to cause such lien, claim, or notice to be withdrawn, discharged, and satisfied. Contractor shall indemnify, defend, and hold harmless Developer Releases from and against all claims, damages, losses and expenses, including, but

not limited to, attorney's fees, arising out of or resulting from the assertion by Contractor, or any of its Subcontractors, Sub-Subcontractors, or materialmen, of any construction claim, lien, or notice or the filing of any construction lien, claim, or notices against the Project or the Property or the failure to discharge mechanic's liens, claims and other filings as aforesaid.

IN WITNESS WHEREOF, Contractor, intending to be legally bound hereby, has caused this instrument to be executed, under seal, as of this 1 day of MARCH, 2022.

Contractor Final Lien Release

CONTRACTOR ACCEPTANCE OF FINAL PAYMENT AND
RELEASE OF LIENS AND CLAIMS

SteepleChase Irrigation, Inc. ("Contractor") hereby acknowledges receipt from Athertyn LP ("Developer") of the sum of \$1,318.20 which constitutes full and final payment of any and all amounts due to Contractor for labor performed or materials furnished by Contractor, and any and all of its Subcontractors, Sub-Subcontractors (which term shall include "materialmen") and materialmen, pursuant to contract, or otherwise, including any and all change orders, extras, additions, substitutions and omissions through the date hereof (the Contract"), in connection with the construction of improvements on Parcel 5 of the former Haverford State Hospital (the "Project") located at 3500 Darby Road, Haverford Township, Delaware County, Pennsylvania (the "Property").

Contractor hereby represents and warrants to Developer that Contractor has received final payment in full of all amounts due for labor performed and materials furnished pursuant to the Sitework Contract, (ii) no notice of unpaid balance or right to file construction lien has been filed against the Property or served by Contractor, (iii) to the best of Contractor's knowledge, information and belief, no notice of unpaid balance or right to file construction lien has been filed against the Property or served by any of its Subcontractors, Sub-Subcontractors, or materialmen who performed labor or furnished materials with respect to the Project Sitework, (iv) there is no known basis for the filing of any construction lien, any other claim, or notice with respect to the Project by Contractor or anyone acting through or under Contractor, (v) all Subcontractors, Sub-Subcontractors, and materialmen who were entitled to receive a portion of any progress payment previously paid to Contractor have been paid in full, and (vi) attached hereto is a true and complete list of all Subcontractors and Sub-Subcontractors which have performed work by, through, or under Contractor.

Contractor, on behalf of itself, its predecessors, successors, affiliates, and all Subcontractors, Sub-Subcontractors, and materialmen, for and in consideration of payment made, hereby forever waives, releases, and relinquishes any and all liens, claims, and demands whatsoever, which it or they now have or might or could have on or against the Property, The Township of Haverford, Developer and Developer's successors and assigns, attorneys, affiliates, and lenders (collectively "Developer Releases") for labor performed or materials furnished in connection with the Project Sitework.

Contractor further declares that by signing and sealing this instrument, Contractor shall be completely estopped from filing or maintaining any and all liens, claims, and notices against the Project Sitework and the Property, and the Developer Releases, and that in the event that any such lien, claim, or notice is filed or has been filed by Contractor or anyone acting through or under Contractor, Contractor shall immediately take steps to cause such lien, claim, or notice to be withdrawn, discharged, and satisfied. Contractor shall indemnify, defend, and hold harmless Developer Releases from and against all claims, damages, losses and expenses, including, but

not limited to, attorney's fees, arising out of or resulting from the assertion by Contractor, or any of its Subcontractors, Sub-Subcontractors, or materialmen, of any construction claim, lien, or notice or the filing of any construction lien, claim, or notices against the Project or the Property or the failure to discharge mechanic's liens, claims and other filings as aforesaid.

IN WITNESS WHEREOF, Contractor, intending to be legally bound hereby, has caused this instrument to be executed, under seal, as of this 23RD day of FEBRUARY, 2022.

Contractor Final Lien Release

CONTRACTOR ACCEPTANCE OF FINAL PAYMENT AND
RELEASE OF LIENS AND CLAIMS

Adams-Bickel Associates, LLC ("Contractor") hereby acknowledges receipt from Athertyn LP ("Developer") of the sum of \$259,638.00 (Two Hundred Fifty Nine Thousand Six Hundred Thirty Eight Dollars) which constitutes full and final payment of any and all amounts due to Contractor for labor performed or materials furnished by Contractor, and any and all of its Subcontractors, Sub-Subcontractors (which term shall include "materialmen") and materialmen, pursuant to contract, or otherwise, including any and all change orders, extras, additions, substitutions and omissions through the date hereof (the "Contract"), in connection with the construction of improvements on Parcel 5 of the former Haverford State Hospital (the "Project") located at 3500 Darby Road, Haverford Township, Delaware County, Pennsylvania (the "Property").

Contractor hereby represents and warrants to Developer that Contractor has received final payment in full of all amounts due for labor performed and materials furnished pursuant to the Sitework Contract, (ii) no notice of unpaid balance or right to file construction lien has been filed against the Property or served by Contractor, (iii) to the best of Contractor's knowledge, information and belief, no notice of unpaid balance or right to file construction lien has been filed against the Property or served by any of its Subcontractors, Sub-Subcontractors, or materialmen who performed labor or furnished materials with respect to the Project Sitework, (iv) there is no known basis for the filing of any construction lien, any other claim, or notice with respect to the Project by Contractor or anyone acting through or under Contractor, (v) all Subcontractors, Sub-Subcontractors, and materialmen who were entitled to receive a portion of any progress payment previously paid to Contractor have been paid in full, and (vi) attached hereto is a true and complete list of all Subcontractors and Sub-Subcontractors which have performed work by, through, or under Contractor.

Contractor, on behalf of itself, its predecessors, successors, affiliates, and all Subcontractors, Sub-Subcontractors, and materialmen, for and in consideration of payment made, hereby forever waives, releases, and relinquishes any and all liens, claims, and demands whatsoever, which it or they now have or might or could have on or against the Property, The Township of Haverford, Developer and Developer's successors and assigns, attorneys, affiliates, and lenders (collectively "Developer Releases") for labor performed or materials furnished in connection with the Project Sitework.

Contractor further declares that by signing and sealing this instrument, Contractor shall be completely estopped from filing or maintaining any and all liens, claims, and notices against the Project Sitework and the Property, and the Developer Releases, and that in the event that any such lien, claim, or notice is filed or has been filed by Contractor or anyone acting through or under Contractor, Contractor shall immediately take steps to cause such lien, claim, or notice to be withdrawn, discharged, and satisfied. Contractor shall indemnify, defend, and hold harmless

Developer Releases from and against all claims, damages, losses and expenses, including, but not limited to, attorney's fees, arising out of or resulting from the assertion by Contractor, or any of its Subcontractors, Sub-Subcontractors, or materialmen, of any construction claim, lien, or notice or the filing of any construction lien, claim, or notices against the Project or the Property or the failure to discharge mechanic's liens, claims and other filings as aforesaid.

IN WITNESS WHEREOF, Contractor, intending to be legally bound hereby, has caused this instrument to be executed, under seal, as of this 2nd day of March, 2022.

Township of Haverford

Ordinance Number P5-2024

An Ordinance amending Chapter 47 entitled “Amusement Devices” of the General Laws of the Township of Haverford to further regulate the premises within which such devices may be permitted and associated definitions; amending Chapter 182 entitled “Zoning” to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

Whereas, the Home Rule Charter of the Township of Haverford authorizes the Board of Commissioners to make and adopt ordinances consistent with the Constitution and laws of this Commonwealth and with the Charter;

Whereas, the Pennsylvania Municipalities Planning Code, 53 P.S. § 10101, et. seq., provides that municipalities are permitted to address the intensity of uses within a zoning district and provide for the promotion, protection and facilitation of public health, safety, morals, and the general welfare, and coordinate practical community development; and

Whereas, the Board of Commissioners desires to promote a complementary mix of uses that will generate pedestrian foot-traffic, disperse the intensity of uses throughout the Township, and promote the economic health of the Township; and

Whereas, the Board of Commissioners desires to prevent the over-concentration of certain uses within the Township; and

Whereas, tobacco use is still the leading cause of preventable death in the United States; and

Whereas, tobacco use places a huge financial cost on the nation's healthcare system and constraints on productivity imposed on the nation's economic system; and

Whereas, since 2014 electronic cigarettes have been the most commonly used tobacco products among the youth of the United States; and

Whereas, amusement devices and electronic games are commonly enjoyed and played by, and often attract, children and young adults who are not legally permitted to use tobacco products; and

Whereas, the use of Game of Skill machines are believed to have a deleterious impact on

children, may encourage gambling, and continual use of such machines may increase the risk of crime and endanger employees and customers of a business; and

Whereas, the Board of Commissioners desires to clarify the definition of Convenience Store, to define E-Liquids, Electronic Cigarettes, Electronic Nicotine Delivery Systems, Game of Skill Machines, Hookah Bars, Indoor Recreational or Amusement Facilities, Mechanical Amusement Devices, Significant Tobacco Retailers and Smoke Shops; to prohibit Mechanical Amusement Devices within the premises of Significant Tobacco Retailers and to prohibit Game of Skill Machines in Convenience Stores; to expressly prohibit Significant Tobacco Retailers in the C-2 Neighborhood Commercial District; to delete cigarette and tobacco as permitted to be sold in gift shops in the C-3 General Commercial District; to establish Significant Tobacco Retailers including Smoke Shops, Vape Shops and Hookah Lounges as a use permitted by Conditional Use in the C-5 Shopping Center Commercial District; and to establish the criteria for the approval of a Significant Tobacco Retailers use.

Whereas, the Board of Commissioners has met the procedural requirements of the Pennsylvania Municipalities Planning Code for the adoption of the proposed ordinance, including advertising and holding a public hearing;

Whereas, the Board of Commissioners, after due consideration of the proposed ordinance at a duly advertised public hearing, has determined that the health, safety and general welfare of the residents of Haverford Township will be served by this amendment of the Township's Code.

Now, therefore, the Board of Commissioners of the Township of Haverford hereby ordains and enacts as follows:

Section I. Code Amendments.

A. Chapter 47, Amusements and Entertainments, Article I, Amusement Devices, is hereby amended as follows:

i. Section 47-1, Definitions, is amended to provide for a revised definition of “Mechanical Amusement Device” and a new definition of “Game of Skill Machine” to state:

Mechanical amusement device

Any machine, apparatus, or device which, upon the insertion of a ticket, coin, slug, token, plate, card, disk or key into any slot, crevice or other opening, or by the payment of any price, may be operated or used as a game, entertainment or amusement, whether or not registering a score and whether or not a prize or redeemable tickets or points are offered. It shall include, without limitation, such devices as Game of Skill Machines, skill games, marble machines, pinball machines, skill ball, skee ball, mechanical grab or “claw” machines, mechanical or video bowling machines, electronic dart boards, golf simulator games, photoelectric or video shooting games or target machines, electronic video games, air-hockey tables, football games or other ball, disk, or bag throwing, rolling, or kicking games, riding or driving games or devices, virtual reality games, and all other games, operations, or transactions similar thereto under whatever name they may be designated or described. It shall not include devices or machines which dispense candy or merchandise unrelated to playing a game or Pennsylvania Lottery kiosks or devices. No Mechanical Amusement Device shall be permitted within the same premises as a Significant Tobacco Retailer, as defined in Chapter 182.

Game of Skill Machine

A gaming machine, apparatus, or device that resembles and often functions like casino slot machines, in that a player inserts money, tokens or a card for the chance to win more money, credits, or a similar benefit, but where the outcome is determined mainly by mental or physical skill, rather than chance. No Game of Skill Machine shall be permitted within the same premises as a Significant Tobacco Retailer or Convenience Store, as defined in Chapter 182.

ii. Section 47-5, Regulations for premises and operation of devices, is hereby amended to amend subsection E and to provide for new subsections F and G as follows:

E. Any premises or places of business primarily or substantially devoted to the display or maintenance of Mechanical Amusement Devices, Game of Skill Machines or pool tables shall be subject to provisions of Chapter 182 relating to indoor recreational or amusement facilities. For the purposes of this subsection, any premises within which are displayed or maintained more than three Mechanical Amusement Devices, Game of Skill Machines and/or pool tables shall be considered an indoor recreational or amusement facility.

F. No Mechanical Amusement Devices shall be permitted within the same premises as a Significant Tobacco Retailer, as defined under Chapter 182.

G. No Game of Skill Machines shall be permitted within the same premises as a Convenience Store, as defined under Chapter 182.

B. Chapter 182, Zoning, Section 182-106, Definitions and word usage; interpretation of regulations, is hereby amended as follows:

i. The definition of Convenience store shall be deleted and replaced with the following:

Convenience store

A mini food market designed to attract and serve a large volume of stop-and-go traffic, specializing in fast sales of bread, dairy, luncheon meats, as well as both made-to-order and ready-to-consume sandwiches, meals and beverages intended for consumption off the premises, and providing a limited supply of grocery store stock as a convenience to its patrons, with less than 10% of its retail floor area or display area dedicated to, or which maintains 20% or less of its total merchandise, whether on display or in stock, for products containing tobacco, tobacco paraphernalia, Delta-8 THC (or Delta-8-tetrahydrocannabinol) products, kratom, ingestible CBD/cannabidiol products, and/or Electronic Nicotine Delivery Systems (ENDS), ENDS-related products and/or any materials that can be used in Electronic Nicotine Delivery Systems. A store exceeding this 10% requirement shall be considered a Significant Tobacco Retailer. No Game of Skill Machines shall be permitted within the same premises as a Convenience Store.

ii. The following definitions shall be added to Section 182-106:

E-liquid

Any liquid that contains vegetable glycerin, propylene glycol, nicotine, water, and possibly flavoring that can be used in Electronic Nicotine Delivery Systems (ENDS) devices. E-liquids can also be referred to as "vape" or "vape juice."

Electronic Cigarette

(1) An electronic oral device, such as one composed of a heating element and battery or electronic circuit, or both, which provides a vapor of nicotine or any other substance and the use or inhalation of which simulates smoking.

(2)The term includes any ELECTRONIC NICOTINE DELIVERY SYSTEMS (ENDS) device, notwithstanding whether the device is manufactured, distributed, marketed or sold as an e-cigarette, e-cigar and e-pipe or under any other product, name or description.

Electronic Nicotine Delivery Systems (ends)

Any device designed or used to transform an e-liquid (that may contain nicotine) into an aerosol that the user inhales. ENDS can also be referred to as "vapes," "vaporizers," "vape pens," "hookah pens," "electronic cigarettes," "e-cigarettes," "e-cigs," and "e-pipes."

Game of Skill Machine

A gaming machine, apparatus, or device that resembles and often functions like casino slot machines, in that a player inserts money, tokens or a card for the chance to win more money, credits or a similar benefit, but where the outcome is determined mainly by mental or physical skill, rather than chance.

Hookah Bar

Any establishment that is devoted to, marketed as, or designed for, whether as its primary use or as an accessory use, the on-premises use of smoking through a water pipe with a smoke chamber, a bowl, a pipe and a hose, commonly referred to as a "hookah," and also known as narghile, argileh, shisha, hubble-bubble and/or goza, or any similar device used for on-premises smoking. The term "hookah bar" includes, but is not limited to, establishments variously known as hookah parlors, hookah cafes, and hookah lounges. A Hookah Bar shall be considered a Significant Tobacco Retailer.

Indoor Recreational or Amusement Facilities

An establishment containing an indoor premises or place of business that primarily or substantially offers indoor recreational and/or amusement activities including, without limitation, movie and live theaters, bowling alleys, sports fields or playing courts, video arcades, billiards, playground equipment, laser tag, go-carts, golf game simulators, mini-golf, ax/knife throwing, virtual reality experiences, trampolines, batting cages, or similar indoor facilities. Devices and facilities used solely for retail sales product testing or demonstrations, playgrounds used accessory to an eating/drinking establishment, and private sports clubs or gyms that require at least monthly memberships to participate shall not be considered Indoor Recreation or Amusement Facilities.

Mechanical Amusement Device

Any machine, apparatus, or device which, upon the insertion of a ticket, coin, slug, token, plate, card, disk or key into any slot, crevice or other opening, or by the payment of any price, may be operated or used as a game, entertainment or amusement, whether or not registering a score and whether or not a prize or redeemable tickets or points are offered. It shall include, without limitation, such devices as Game of Skill Machines, skill games, marble machines, pinball machines, skill ball, skee ball, mechanical grab or "claw" machines, mechanical or video bowling machines, electronic dart boards, golf simulator games, photoelectric or video shooting games or target machines, electronic video games, air-hockey tables, football games or other ball, disk, or bag throwing, rolling, or kicking games, riding or driving games or devices, virtual reality games, and all other games, operations, or transactions similar thereto under whatever name they may be designated or described. It shall not include devices or machines which dispense candy or merchandise unrelated to playing a game or Pennsylvania Lottery kiosks or devices. No Mechanical Amusement Device shall be permitted within the same premises as a

Significant Tobacco Retailer.

Significant Tobacco Retailer

Any of the following establishments:

(1) Any retailer or wholesale establishment that devotes 10% or more of floor area or display area to, or maintains 20% or more of its total merchandise, whether on display or in stock, for Tobacco Products, Vape Products, Delta-8 THC (or Delta-8-tetrahydrocannabinol), kratom, ingestible CBD/cannabidiol products, Electronic Nicotine Delivery Systems (ENDS), and/or ENDS-related products and/or any materials that can be used in Electronic Nicotine Delivery Systems;

(2) Any retailer or wholesale establishment that holds itself out as, or otherwise promotes or markets itself as, a "tobacco store," a "smoke shop," a "vape shop," a "cigar shop" or a similar establishment selling Tobacco Products and/or Vape Products or predominantly advertises Tobacco Products or Vape Products on its storefront or website;

(3) A Hookah Bar, regardless of whether Tobacco Products or Vape Products are sold from the premises.

Tobacco Products

Any substance containing tobacco leaf or accessory items used with or for tobacco consumption, including, but not limited to, cigarettes, cigars, pipe tobacco, shisha, snuff, chewing tobacco, dipping tobacco, other noncombustible tobacco products, matches, lighters, grinders, hookahs, pipes, cigarette rolling machines or papers, ashtrays, pipe

tools, pipe supplies and pipe accessories.

Vape Products

Products containing nicotine and/or nicotine flavoring that are inhaled from a device designed for such purpose and/or products used to assist with the inhalation of nicotine including, but not limited to, any device designed or used to transform an e-liquid (that may contain nicotine) into an aerosol that the user inhales, e-liquids, e-cigarettes, vape or e-cigarette cartridges or refills, vaporizers, vape pens, vapor products, hookah pens, electronic cigarettes, e-cigs, e-pipes, Electronic Nicotine Delivery Systems (ENDS), and/or ENDS-related products and/or any materials that can be used in ENDS. Vape Products shall also be deemed a noncombustible tobacco product.

C. Chapter 182, Section 182-403, C-2 Neighborhood Commercial District, B. Use Regulations, (1) uses by right, subsection (b) shall be amended to add “but specifically excluding Significant Tobacco Retailers”, as follows:

a. Convenience stores, but specifically excluding Significant Tobacco Retailers.

D. Chapter 182, Section 182-404 C-3 General Commercial District, B. Use Regulations, (1) uses by right, subsection (f) shall be amended by deleting the words “cigarette and tobacco”, reflected as follows:

Gift shops, including camera, book, stationery, antique, musical supply, cosmetic, candy, ~~cigarette and tobacco~~, flower, hobby, jewelry, leather and luggage shops.

E. Chapter 182, Section 182-406 C-5 Shopping Center Commercial District, B. Use Regulations, (4) conditional uses, (d) Significant Tobacco Retailer shall be added, as

follows:

(d) Significant Tobacco Retailer. A Significant Tobacco Retailer shall be permitted as a conditional use in accordance with the specific standards set forth in § 182-1209, standards applicable to Significant Tobacco Retailer uses, of this chapter.

F. Chapter 182, Section 182-1209, Standards applicable to Significant Tobacco Retailers, shall be added, as follows:

A. A Significant Tobacco Retailer shall not be located within 1,000 feet of the boundary of any institutional zoning district or the property line of any parcel containing an institutional zoning use, including, but not limited to, public, private and parochial schools and day-care centers. This distance shall be measured in a straight line from the closest exterior wall of the building or portion thereof in which the Significant Tobacco Retailer is located to the closest property line of the protected district or use, regardless of the municipality or zoning district in which it is located.

B. A Significant Tobacco Retailer shall not be located within 1,000 feet of the boundary of any outdoor recreation and open space zoning district. This distance shall be measured in a straight line from the closest exterior wall of the building or portion thereof in which the Significant Tobacco Retailer is located to the closest property line of the protected district or use, regardless of the municipality or zoning district in which it is located.

C. A Significant Tobacco Retailer shall be a minimum distance of 1,000 feet from the next nearest Significant Tobacco Retailer, measured along a straight line between the closest walls of each of the two facilities.

D. Significant Tobacco Retailers shall cease operations between the hours of 11:00 PM and 10:00 AM.

E. No Mechanical Amusement Devices shall be permitted within the premises of a Significant Tobacco Retailer.

F. No alcoholic beverages shall be served or consumed within the premises of a Significant Tobacco Retailer.

Section II. Repealer. In addition to the above, all other ordinances or parts of ordinances that are inconsistent herewith, are hereby repealed. Further, it is understood and intended that all other sections, parts, provisions, and ordinances that are not otherwise specifically in conflict with or inconsistent with this Ordinance, shall remain in full force and effect, the same being reaffirmed hereby.

Section III. Severability. In the event that any section, sentence, clause, phrase or word of this Ordinance shall be declared illegal, invalid or unconstitutional by any Court of competent jurisdiction, such declaration shall not prevent, preclude, or otherwise foreclose enforcement of any of the remaining portions of this Ordinance.

Section IV. Failure to Enforce Not a Waiver. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

Section V. Effective Date. This Ordinance shall become effective 10 days following final adoption by the Board of Commissioners and publication as required by law.

Adopted this 8th day of April, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.

President

Attest: David R. Burman, Township Manager

Township of Haverford
ORDINANCE NO. P6-2024

An Ordinance of the Township of Haverford, Delaware County, Commonwealth of Pennsylvania, amending chapter 4, administration of government, to provide for the criteria and process for the naming of township property and establishing a township property naming committee

Whereas, Haverford Township (“Township”) is the legal owner of real property and associated public facilities, parks, recreational areas, fields, streets, and other similar township owned or controlled facilities throughout the Township (“Township Property”);

Whereas, the Township desires to recognize individuals who have made a significant contribution to the Township or otherwise brought honor to the Township through their works or deeds by naming or renaming Township Property in their honor;

Whereas, the Township also desires to recognize individuals, families, or organizations that have made substantial gifts or donations resulting in the Township’s acquisition or use of Township Property by naming or renaming the associated Township Property in their honor or as may be stipulated in a gift agreement;

Whereas, the Township desires to establish a fair, uniform, and consistent process for the naming and renaming of Township Property;

Whereas, the Township desires to establish a Township Property Naming Committee to assist the Township Board of Commissioners with the process of naming or renaming Township Property;

Therefore, be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, the Board has determined that the health, safety, and general welfare of the residents and guests of the Township will be served by this amendment to Chapter 4, as follows:

Section I. Code Amendment.

A. Chapter 4, Administration of Government, is amended to provide for a new Part 12 entitled “Naming of Township Property” to provide as follows:

Part 12. Naming of township property

Article XXXIII Criteria and Procedure

§ 4-1109 Purpose.

Haverford Township desires to provide a fair, uniform, and consistent process for the naming and renaming of certain Township owned or controlled properties including, but not limited to, Township facilities, parks, recreation areas, fields, streets, or other Township property or facilities deemed appropriate to be named or renamed by the Haverford Township Board of Commissioners.

§ 4-1110 Definitions.

The following words, when used in this Part, shall mean the following unless the context clearly indicates otherwise:

Naming or name – The assignment or designation of a new name or a change in a previously established or known name.

Township property – Real property owned or controlled by Haverford Township and/or improvements or facilities located on property owned or controlled by Haverford Township including, but not limited to, buildings, rooms, recreation areas, parks, fields, open space, streets, and other property or facilities, or parts thereof, owned or controlled by the Township as deemed appropriate by the Haverford Township Board of Commissioners.

§ 4-1111 Criteria for the Naming of Township Property.

- A. The Name given to Township Property should have geographic, historical, botanical, or agricultural significance in or for the Township. The significance of the Name should be recognized and known in the area or neighborhood in which the Township Property is located, and if possible, generally recognized and known throughout the entire Township.
- B. Township Property should only be given a Name if one or more of the following applies:
 - (1) The property was acquired or significantly enhanced by means of a substantial gift or donation by an individual, family, or organization associated with the Name or made pursuant to a gift stipulation or agreement, acceptable to the Board of Commissioners, that a certain Name is used to identify the property.
 - (2) The Name is to recognize an individual or family who has made a significant contribution to the Township, has brought honor to the Township through work or deed, or had a significant historical impact on the Township. In most instances, the person should be honored posthumously and should be deceased at least (3) three years before Naming consideration. The individual,

or the living relatives of the individual if awarded posthumously, whose name is being considered shall be provided an opportunity to refuse the Naming.

- C. Township Property should not be Named after a person whose contribution to the Township was or is part of the person's normal, paid duties as an employee of the Township. An exception may be made for former Township employees who have contributed volunteer services of an exceptional nature beyond their normal duties as an employee. Further, a Township employee shall not be excluded from Name recognition if the recognition is for service, works, or deeds performed before or after such person's employment with the Township.
- D. The Name shall not be one that endorses or advocates for any religion or political party or specific religious or political belief; has an obscene connotation; malevolently portrays, demeans, or intimidates any racial or ethnic group or other protected class; is the Name of an active political candidate; or is the Name of an adjudicated felon.
- E. The Naming of Township Property is intended for permanent recognition within the Township, and a change in the Name of Township Property without good cause is strongly discouraged once Township Property has been officially Named through the process established herein. As such, Township Property shall not be provided with a new or different Name without good cause, as determined by the Township Board of Commissioners. It is recommended that efforts to change a Name be subject to the most critical examination, so as not to diminish the original justification for the Name or discount the value of the prior contributions warranting the Naming.

§ 4-1112 Procedures for the Naming of Township Property

- A. Applications for the Naming of Township Property should come from the public sector through local civic organizations or neighborhood associations. Individuals may not apply for the Naming of Township Property.
- B. A complete application must include a petition with at least one hundred (100) signatures from adult residents of Haverford Township signifying broad support for Naming of the Township Property. The petition must include:
 - (1) A clear description of the proposal to Name the Township Property with the Name proposed and the specific location of the Township Property.

- (2) The names, addresses, and signatures of at least one hundred (100) adult Haverford Township residents signing in support of the application.
 - (3) A clear, detailed description as to the reason(s) why the Township Property should be given such Name.
 - (4) Whether the individual whose name is being considered, or the living relatives of the individual if the person is deceased, has been consulted with and approves of the petition.
- C. The completed application shall be submitted to the Township Manager. If the application is deemed complete, the Township Manager shall submit the application to the Property Naming Committee for review and consideration.
- D. Within (sixty) 60 days of the Property Naming Committee's receipt of application, the Property Naming Committee shall meet for the purpose of making a recommendation to the Board of Commissioners, along with a written explanation for the recommendation, which shall include background information of the Township Property and the person, family, or organization proposed to be honored by the Naming.
- E. If the request is to Name a park, ballfield, playground, open space, other athletic facility, or a portion of thereof, the Township Manager shall also submit a copy of the application to the Parks & Recreation Board. Within (sixty) 60 days of receipt of the application from the Township Manager, the Parks & Recreation Board shall meet for the purpose of making a recommendation to the Board of Commissioners, and provide a written explanation for the recommendation.
- F. The Board of Commissioners will consider the recommendations from the Property Naming Committee and, if applicable, the Parks & Recreation Board, at a public meeting of the Board of Commissioners.
- G. The recommendation(s) for Naming the Township Property shall be deemed approved by a majority vote of the Board of Commissioners.
- H. The process for reviewing and making a decision on an application for the Naming of Township Property is intended to take no less than three (3) months and no more than one (1) year.

- B. Chapter 4, Administration of Government, Part 5, Advisory Boards and Commissions, is hereby amended to provide for a new Article XXI.I entitled “Township Naming Committee” as follows:

Article XXI.I Township Naming Committee

§ 4-522 Establishment; purpose.

In accordance with the ordinances and resolutions of Haverford Township, there is hereby recognized the existence of the Township Naming Committee of Haverford Township for the following purposes:

- A. To make recommendations to the Board of Commissioners regarding the naming of Township property pursuant to the criteria and process established under Chapter 4, Part 12, Naming of Township Property.

§ 4-523 Membership; Terms; Vacancy

- A. The Property Naming Committee shall consist of five (5) members consisting of

The Township Manager or their designee determined on an ad hoc basis when a completed application is submitted for review and consideration by the Property Naming Committee;

The Director of Parks and Recreation or their designee determined on an ad hoc basis when a completed application is submitted for review and consideration by the Property Naming Committee;

The member of the Township Planning Commission who serves as the liaison to the Township Historical Commission; and

Two citizens appointed by the Board of Commissioners.

- A. The citizen appointees shall be residents of Haverford Township, shall serve three (3) year terms, which may be renewed, and may be removed by a majority vote of the Board of Commissioners without cause.

- B. The Property Naming Committee shall meet only on an as-needed basis upon receipt of a completed application for naming or renaming of Township property.

- C. All appointed members shall serve without compensation.

D. In case any vacancy occurs, the Board of Commissioners shall act expeditiously to fill the vacancy for the unexpired term.

§ 4-524 Powers and Duties.

A. The Property Naming Committee shall receive applications for naming or renaming of Township property and shall make recommendations to the Board of Commissioners regarding the naming of Township property pursuant to the criteria and process established under Chapter 4, Part 12, Naming of Township Property.

B. The Property Naming Committee shall perform due diligence related to the geographic, historical, botanical, agricultural, artistic, and/or cultural background of any Township property proposed to be named or renamed.

C. The Property Naming Committee shall perform due diligence related to the individual, family, or organization proposed to be honored by the name recognition.

D. To avoid duplication and confusion, the Property Naming Committee shall perform the necessary research to ensure that no other Township properties hold the name being considered.

E. Within (sixty) 60 days of the Property Naming Committee's receipt of application for the naming of Township property, the Property Naming Committee shall meet for the purpose of making a recommendation to the Board of Commissioners, and provide a written explanation for the recommendation, which shall include background information of the Township Property and the person, family or organization proposed to be honored by the Naming.

Section II. Repealer. In addition to the above, all other ordinances or parts of ordinances that are inconsistent herewith, are hereby repealed. Further, it is understood and intended that all other sections, parts, provisions, and ordinances that are not otherwise specifically in conflict or inconsistent with this Ordinance, shall remain in full force and effect, the same being reaffirmed hereby.

Section III. Severability. In the event that any section, sentence, clause, phrase or word of this Ordinance shall be declared illegal, invalid or unconstitutional by any Court of competent jurisdiction, such declaration shall not prevent, preclude or otherwise foreclose enforcement of any of the remaining portions of this Ordinance.

Section IV. Failure to Enforce Not a Waiver. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

Section V. Effective Date. This Ordinance shall become effective 10 days following final adoption by the Board of Commissioners and publication as required by law.

RESOLUTION NO. 2374-2024
RESOLUTION OF THE BOARD OF COMMISSIONERS
OF THE TOWNSHIP OF HAVERFORD
WITH RESPECT TO THE COMMUNITY DEVELOPMENT PROGRAM

WHEREAS, all citizen and community requests for the FY 2024, Year 49 CDBG Program Action Plan and Citizen Participation Plan have been received and evaluated and public hearings have been held to receive citizen input and comment; and

WHEREAS, the Board of Commissioners have carefully reviewed and considered these various requests, recommendations and plans; and

WHEREAS, Exhibit "A" attached sets forth the Proposed Project Allocations.

NOW, THEREFORE BE IT RESOLVED by the Board of Commissioners of the Township of Haverford:

1. That the attached Exhibit "A" representing the Allocations of funds for the 49th Year CDBG Action Plan are hereby approved; and that no changes are made to the Citizen Participation Plan.
2. That the proper officers are hereby authorized to take such steps as may be necessary to implement the intent of this Resolution.

RESOLVED this 8th day of April 2024.

Resolution No. 2375-2024

Resolution of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania authorizing Amendments to the Constitution and By-Laws of the Friends of the Grange, Inc

Whereas, through Resolution 454 dated April 30 1979, the Board of Commissioners developed a Constitution and By-Laws regarding the organization of the Friends of the Grange Inc; and

Whereas, the Board of Commissioners of the Township of Haverford assigned the responsibility for management of the Township-owned property known as “The Grange” to the Friends of the Grange, Inc originally through an Agreement dated August 1 1979 and more recently renewed on September 9 2019 through Ordinance 2873-2019; and

Whereas, on February 18, 2024, the Board of Managers of the Friends of the Grange, Inc requested amendments to the Constitution and By-Laws which action requires notification and review by the Board of Commissioners within sixty (60) days of submission; and

Whereas the proposed amendments are attached and labeled as Exhibit A.

Now, therefore, be it Resolved that the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, approves the proposed amendments as shown in Exhibit A.

David R. Burman, Township Manager/Secretary

THE HISTORIC GRANGE ESTATE

March 25, 2024

Aimee M. Cuthbertson, CPA
Director of Finance & Assistant Township Manager
Haverford Township
1014 Darby Road
Havertown, PA 19083

Dear Aimee,

Thank you for facilitating the approval of the ByLaws for the Friends of the Grange, Inc. the 501c3 which is charged with the running and maintenance of the Historic Grange Estate. When we began the process of doing a complete strategic plan, it was discovered that the bylaws had many outdated sections and had not kept pace with technological changes. A committee was formed with Scott Selkowitz, Township Representative, leading the charge. We had several meetings and took into account many differing opinions before the final version was accepted by the committee.

The Friends of the Grange, Inc. respectfully ask that the Haverford Township Commissioners accept this version and vote to pass the changes that have been made. If there any questions please feel free to contact me, I will be happy to address them.

Sincerely yours,

Kathleen Parkinson

President, Friends of the Grange, Inc.

484-437-7275

EXHIBIT A

**CONSTITUTION AND BYLAWS OF:
THE FRIENDS OF THE GRANGE, INCORPORATED**

ARTICLE I NAME

The name of the organization shall be The Friends of the Grange, Incorporated.

ARTICLE II PURPOSE

The organization was constituted under the directive of the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania. The Grange Estate reflects the history of the community since 1682, and therefore, its preservation, restoration, and the promotion of the property are vital to an appreciation of our American heritage.

The Corporation's major functions include the collection of material on the history of the property and the people involved in its development, and that of the surrounding community; the dissemination of this collected information; and the preservation of The Grange property, and the promotion and sponsorship of meaningful cultural and environmental activities and uses of The Grange for the citizens of the Township with the purpose of generating public interest in and awareness of the activities of the Corporation.

The Corporation will pursue its goals without hopes of profit or pecuniary gain.

ARTICLE III MEMBERSHIP

SECTION 1. Any person interested in the purposes of this Corporation and who tenders the necessary dues shall become a member. Dues will be defined by corresponding membership categories as designated by the Board of Managers. Dues and membership categories are subject to change. Term of membership corresponds to the calendar year cycle, commencing January 1 and terminating December 31.

SECTION 2. Members are entitled to vote in biennial elections for officers of the Corporation conducted at the Annual General Meeting. Each membership unit is entitled to one vote and voting privileges apply to those 18 years of age or older. Members in good standing have the right to hold elective and / or appointive office and to receive all mailings and electronic communications.

ARTICLE IV FINANCE

SECTION 1. Membership dues for each category shall be established by the resolution of the Board of Managers. Dues are payable on receipt of notice and are valid only for the duration of the fiscal year (January 1 – December 31) in which payment is received. Non-payment of dues within (30) days of second notice shall terminate membership.

SECTION 2. No part of the net earnings of the Corporation shall inure to the benefit of, or be distributed to, its members, trustees, officers, or other private persons, except that the Corporation shall be authorized and empowered to pay reasonable compensation for services rendered and to make payments and distributions in furtherance of its stated purposes.

SECTION 3. The President shall have authorization to make payments and distributions, up to an amount and within the scope and guidelines as defined and authorized by the Board of Managers. Re-authorization and

changes to the approved amount, scope, and guidelines are to be reviewed annually at the last Board of Managers meeting of the fiscal year.

ARTICLE V OFFICERS, EXECUTIVE COMMITTEE, BOARD OF MANAGERS, TOWNSHIP REPRESENTATIVES

SECTION 1. The Officers shall consist of the President, First Vice President, Second Vice President, Secretary and Treasurer who shall act as the Executive Committee.

One (1) of the Township Appointed Representatives to the Board of Managers will be selected to serve on the Executive Committee in a non-voting, advisory capacity. The President shall serve as the Chairperson of the Executive Committee.

The Board of Managers shall consist of the Executive Committee, the Chairperson of the Standing Committees, the three (3) members directly appointed by the Board of Commissioners, and the Immediate Past President. The President shall also serve as President of the Board of Managers. Membership shall not exceed twenty-five (25) members.

The Immediate Past-President shall serve on the Board of Managers in an advisory capacity with full voting rights. Each member of the Board of Managers, regardless of the number of positions held on the Board of Managers, is entitled to only one (1) vote.

SECTION 2. The Township of Haverford Board of Commissioners shall appoint three (3) representatives to serve on the Board of Managers for a two (2) year term. Appointees may seek re-appointment pursuant to the Commissioners' nomination and appointment processes.

Township appointees to the Board of Managers, per the Township, have a primary responsibility to represent the interests of the Township of Haverford and the community, providing balanced feedback, input, advocacy, and oversight. Additional responsibilities may be assigned by the President of the Board of Managers.

ARTICLE VI ELECTIONS

SECTION 1. The Officers shall be elected from the membership by dues paying members in attendance at the Annual General Meeting. The term of office shall be two (2) years, or until successors are elected, and the officers shall assume the duties of their respective offices upon adjournment of the meeting. No officer, except the Treasurer, shall be eligible to serve more than two (2) consecutive terms in the same office, except upon waiver by the Board of Managers.

SECTION 2. Incomplete terms of Officers are to be filled by appointment by the President with approval of the Board of Managers. The above is with the exception of the direct appointments of the Board of Commissioners.

SECTION 3. It shall be the duty of all members of the Board of Managers to attend all regular meetings. Upon recommendation of the Executive Committee, the Board of Managers may, at its discretion, remove by a majority vote, any member absent from three (3) meetings in a calendar year. The President shall send written and / or electronic notice of this removal to the member in question.

SECTION 4. Upon completion, expiration, resignation, or termination of term of office or appointment, all items, including but not limited to artifacts, administrative documents, keys, historical information, and the like, considered rightful property of the Grange Estate and / or of the

Township of Haverford, must be returned within thirty (30) days of the official expiration, resignation, or termination date.

ARTICLE VII DUTIES OF OFFICERS

SECTION 1. The President shall have executive supervision over the activities of the Corporation and its membership and preside at all stated meetings of the Executive Committee, Board of Managers, and the membership. The President shall report at the Annual General Meeting on the activities of the Corporation, report on the meetings to the Board of Commissioners, and submit an Annual Report, including a Financial Statement, to the Board of Commissioners. The President may be required, at the request of the Township Administration and / or Board of Commissioners to submit to an annual audit of the financial records and accounts of The Grange, including submission of all supporting materials and documents.

SECTION 2. The First Vice President shall assume the duties of the President in the event of the absence, leave of absence, or resignation of the President.

The First and Second Vice Presidents shall assume duties and other responsibilities as designated, assigned or delegated by the President.

SECTION 3. The Secretary shall keep minutes and filings, written and electronic, of all meetings of the Corporation, the Executive Committee, and the Board of Managers. The Secretary shall maintain files, written and electronic, of all correspondence and documents specific to the operations and governance of The Grange.

SECTION 4. The Treasurer is responsible for developing an annual operational budget for approval at the December meeting; provide monthly

and annual financial statements and reports; oversee all financial transactions (deposits, payments of bills and other financial transactions, etc.) as approved by the President and Board of Managers; and work in conjunction with the retained accountant and financial manager. The Treasurer shall complete and / or provide other fiscal and financial reports as requested by the Township Administration or the Board of Commissioners.

ARTICLE VIII DUTIES OF THE EXECUTIVE COMMITTEE

SECTION 1. The Executive Committee shall be empowered by the Corporation to assume primary governance and fiduciary responsibilities on behalf of the Corporation and the Board of Managers. Three (3) members shall constitute a quorum.

SECTION 2. The Executive Committee shall be called upon to meet, by the President, within one week before each regularly scheduled Board of Managers meeting to review Standing Committee reports, prepare and disseminate an agenda, and recommend action to be taken by the Board. Emergency or special meetings may be called by the President, as deemed necessary, with at least forty-eight (48) hours prior notification. Meetings may be conducted electronically.

ARTICLE IX DUTIES OF THE BOARD OF MANAGERS

SECTION 1. The Board of Managers shall exercise general supervision and control over the affairs of the Corporation. Stated meetings of the Board of Managers shall be held on the first Thursday of each month, on the dates to be determined by the Board of Managers. A quorum shall consist of a majority of the Board of Managers. Meetings may be conducted electronically.

SECTION 2. Emergency or special meetings may be called by the President or by five (5) members of the Board of Managers, as deemed necessary, with at least forty-eight (48) hours prior notification by the Secretary to all members of the Board of Managers. Meetings may be conducted electronically.

ARTICLE X COMMITTEES

SECTION 1. The President shall appoint the Chairpersons of Standing Committees with the approval of the Executive Committee for a two (2) year term within (30) days following the selection of Officers. Only members of the Friends of the Grange, Inc., in good standing, can serve as Chairpersons.

The President, with the approval of the Executive Committee, has the right to alter the responsibilities and purposes of each Standing Committee and to create or eliminate an existing Standing Committee if warranted. The President may appoint members of Ad Hoc Committees with the approval of the Executive Committee.

In the event of unexpired terms or vacancies resulting from resignations, terminations or leaves of absences, the President, with approval of the Executive Committee, may appoint members to fill such vacancies.

In special circumstances, where specialized or specific areas of expertise or experiences are needed, the President, with approval of the Executive Committee, may appoint non-members of the Friends of the Grange, Inc. to join Standing Committees and / or Ad Hoc Committees in an advisory, non-voting, capacity only where such specialization or expertise is warranted.

SECTION 2. The Executive Committee shall appoint a Nominating Committee of at least three (3) members, not to exceed seven (7) members, in January of each year in which elections would be necessary with the

approval of the Board of Managers. One member must be from the Board of Managers.

SECTION 3. The report of the Nominating Committee shall be sent to the membership at least fifteen (15) days prior to the Annual Meeting.

ARTICLE XI MEMBERSHIP MEETINGS

SECTION 1. The Annual Stated General Membership Meeting of this Corporation shall be held in May of each year at such time and place as determined by the Board of Managers. Five percent (5%) of the membership in good standing shall constitute a quorum.

SECTION 2. Emergency or special meetings may be called by the President with the approval of the majority of the Executive Committee with notice to the membership as deemed necessary. The Board of Managers shall decide the meeting place.

ARTICLE XII ORDER OF BUSINESS

SECTION 1. The Parliamentary Authority for the conduct of business of this Corporation shall be Robert's Rules of Order, Revised.

ARTICLE XIII AMENDMENTS

The Constitution and By-Laws may be amended by a two-thirds vote of the Board of Managers, provided that a quorum is present; the notice of the meeting indicates that an amendment will be offered; the meeting notice to precede the meeting by at least fifteen (15) days; and the amendment has been approved by the Board of Commissioners. The Board of Managers shall submit all Constitution and / or By-Law amendment requests, in writing, to the Board of Commissioners. Should the Board of

Commissioners fail to respond, in writing, within sixty (60) days of said request submission, the Board of Commissioners will lose its right to approve.

ARTICLE XIV DISSOLUTION OR OTHER TERMINATION OF THE CORPORATION

SECTION 1. The term of existence of the Friends of the Grange, Incorporated, is intended to be perpetual, but in the event of the dissolution or other termination of the Corporation, all the assets thereof shall, after the Board of Managers has decided on disposition of artifacts and documents, (or records), and after payment of its obligations, be conveyed, paid over, and delivered to the Township of Haverford, County of Delaware, in the Commonwealth of Pennsylvania.

SECTION 2. This article may not be altered or amended.

**RE: Manoa Road / Allston Road Traffic Signal Upgrade
Contract No. T-10**

Dear Mr. Burman:

Attached herewith is a tabulation of the bids received on Wednesday, March 27, 2024, at 10:00 a.m. for the above referenced contract. The low bidder was Marino Corporation of Skippack, PA with a base bid amount of \$233,980.00. We have worked with Marino Corporation in the past and have found their work to be satisfactory.

We recommend the Township consider awarding the base bid to Marino Corporation in the low bid amount of \$233,980.00 contingent upon execution of the contract and supply of the required bonds and insurance.

Should you have any questions or comments, please do not hesitate to contact the undersigned.

Sincerely,
PENNONI

David Pennoni, PE
Township Engineer

DATE: March 18, 2024

SUBJECT: **Televising of Sanitary Sewer Mains**
HAVTT 13202
Addendum No 1

Haverford Township is accepting quotes for the televising of approximately 9,000 linear feet of sanitary sewer main within Township Roads and State Highways.

The Scope of Work for this project includes: maintenance and protection of traffic and television inspection of 8-inch and 10-inch sanitary sewer mains as depicted on Exhibit 1. The purpose of this work is to identify potential sources of inflow/infiltration into the system including cracked/missing pipe, leaking joints, illicit connections, or other defects that would permit groundwater to enter the system.

All bidders shall be aware that Darby Road is a State Highway. All other locations are Township streets.

Please review the enclosed materials and e-mail a completed Form of Proposal to this office at the no later than **March 20, 2024, at 3:00PM.**

Attn: Charles Faulkner, PE
Pennonni Associates Inc.
3100 Horizon Drive
King of Prussia, PA 19406
E-mail: cfaulkner@pennonni.com
Ph: 215-254-7751

The contractor must be able to commence work no later than March 25, 2024, and complete all work by March 28, 2024.

Prospective bidders are encouraged to visit the site prior to submitting their bid.

REQUIREMENTS:

Work shall comply with the following requirements:

- Exhibit 1 Dated 3-14-2024.
- All work **MUST** be completed during the following:
 - **Monday through Thursday evening from 10:00 PM to 6:00 AM the following day.**
- All traffic control must be in accordance with PennDOT Publication 213, latest edition.
- All work shall be performed in accordance with National Association of Sewer Service Companies (NASSCO) Pipeline Assessment and Certification Program (PACP) Standards.
- A clear video showing the entire circumference of the main must be provided. The video must also show all lateral connections to the main and the interior of all manholes.

INSURANCE:

The low bidder shall be required to provide proof of insurance in accordance with the following minimum requirements:

- General Liability \$1,000,000 (minimum) each occurrence
- Auto Liability \$1,000,000 (minimum) each occurrence
- Workmen's Compensation meeting minimum State requirements.
- All policies other than worker's compensation shall name the Owner and Engineer, and their officers, agents, and employees as additional insureds on a primary and noncontributory basis, including completed operations. All policies shall provide a waiver of subrogation in favor of the additional insureds.

AWARD OF BIDS:

The Township has the right to award one or both of the items to the low bidder.

Should you have any further questions or concerns, please contact Charles Faulkner @ (215) 254-7751 or cfaulkner@pennoni.com.

RE: Haverford Township Free Library Renovation & Addition Project- Construction Change Orders

Mr. Burman,

Below is a summary of change orders we have reviewed and are recommending for approval by the Board of Commissioners. There is an explanation of each change as well as the detailed back-up for the costs.

For **Rycon Construction** contract these change order requests total an add of **\$40,386.25 (Forty thousand three hundred eighty-six dollars & twenty-five cents)** and will be part of a change order to their contract.

For **Dolan Mechanical (Mechanical)** contract these change order requests total an add of **\$11,567.14 (Eleven thousand five hundred sixty-seven dollars & fourteen cents)** and will be part of a change order to their contract.

For **Dolan Mechanical (Plumbing)** contract these change order requests total an add of **\$2,887.05 (Two thousand eight hundred eighty-seven dollars & five cents)** and will be part of a change order to their contract.

Please let us know if you have any questions or comments.

Sincerely,

Kenneth C. Matthews

Kenneth C. Matthews
C.B. Development Services, Inc.

CC: Aimee Cuthbertson, Sukrit Goswami

Rycon Construction Change Request for an add of \$10,000.00

The cost included is for work associated with existing foundation wall waterproofing having to be replaced. In excavating for the addition concrete footers, it was confirmed that the existing foundation wall waterproofing could not remain. There was an allowance included at bid time for exterior wall waterproofing which will be exhausted. This cost is a not to exceed above said allowance to cover the remainder of the replacement cost. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #7 for an add of \$4,322.85

The cost included is for work associated with existing concrete beams having to be repaired. Upon completion of demolition, there were two existing concrete beams in need of structural concrete patching at the old bank building. This cost is for the contractor to frame out and patch the two beams as per the Structural Engineer's recommendation. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #10 for an add of \$6,195.00

The cost included is for work associated with new partitions needing to be added at the first floor. Upon removal of the existing bookshelves, it was confirmed there was no framing/drywall behind the shelves only the exterior masonry block. This cost is to provide new framing/drywall accordingly for the new space. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #11 for an add of \$4,771.20

The cost included is for work associated providing a bump out partition in the Community Room at the lower level. In review with the Library/design team it was determined to provide the bump out partition which allows the electrical/audio visual devices to be encompassed in the wall as opposed to surface mounted due to the existing wall being plaster. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #12 for an add of \$15,097.20

The cost included is for work associated with having the trenches in the Community Room at the lower level dug out to receive the new under slab drainage piping previously approved. The contractor will dig out the trenches, remove the spoils and provide pea gravel for the Plumbing Contractor to install the new rainwater piping. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Mechanical) Change Request #2R for an add of \$7,552.73

The cost included is for work associated with Bulletin #7 regarding the kitchen exhaust hood. Ductwork needs to be added from the hood to exhaust it to the exterior of the building which was not originally included in the project. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Mechanical) Change Request #3 for an add of \$4,014.41

The cost included is for work associated with the changes in the designed HVAC ductwork due to existing conditions in field. Numerous runs of ductwork had to be modified during the coordination process due to existing beam conflicts to maintain the desired ceiling heights per the contract documents. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Plumbing) Change Request #4 for an add of \$2,887.05

The cost included is for work associated with Bulletin #6 which added a new rainwater piping. After demolition it was determined the existing rainwater piping should be replaced. An allowance for rainwater pipe replacement was included in the plumber's contract however this total scope of the work exhausts that allowance and this change order is for the small overrun above the allowance. The cost submitted and attached for reference is fair and reasonable.

19. Continuation of Citizen's Forum for Non-Agenda Items

20. New business

21. Other business

22. Adjourn

Haverford Township - Board of Commissioners

Meeting: Monday, May 13, 2024

Time: 7:00 p.m.

Location: Commissioners Meeting Room -1014 Darby Rd., Havertown PA, 19083

Regular Meeting Minutes

1. Opening of Meeting – President of the Board, Larry Holmes, opened the meeting.

Roll Call – All 9 Commissioners were present at roll call: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Also present were: Aimee M. Cuthbertson, CPA, Assistant Township Manager, Ross Anderson, CPA, Township Auditor, John Walko, Esq., Township Solicitor, Chief John Viola, Deputy Chief Joe Hagan, Jaime Jilozian, AICP, Community Development Director, Brian Barrett, Parks and Recreation Director and Chuck Faulkner, Township Engineer

Pledge of Allegiance

The Board met in Executive Session prior to the meeting to discuss legal matters.

2. Appointment - Director of Community Development

Motion to ratify the Township Manager's appointment of Jaime Jilozian as Director of Community Development for Haverford Township.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

3. Proclamations

Sacred Heart Girls Basketball – presented by Commissioner Gondek

ALS Awareness Month – presented by Commissioner Quinn

Police Department Officer Recognitions

4. Citizens Forum – 20 Minutes – Registered Speakers - 20 Minutes - Agenda Items

Jay Field and Brian Glick – HTLL

They both thanked the Board for their partnership with the Haverford Township Little League (Karakung) and the partnership with the Karakung Swim Club with parking. They are requesting that the parking lot be finished on the left field side and to expand the upper lot. The township's help is invaluable.

Chad Brooks – Spoke on Asian American Month. The Japanese were the first immigrants.

Jake Swann – Brynford Civic Association

Mr. Swann thanked the board for the leadership; especially adopting the Amusement Ordinance, Safe Streets Plan and the hiring of a full-time Community Development Director. They are asking that the township ask the township Solicitor to attend the upcoming Zoning Hearing Board meeting (Z2417). This is for the convenience store on the corner of Haverford Road and Buck Lane (Games of Chance).

Ellen Kranick – President of the Haverford Township Educational Foundation

Ms. Kranick thanked the Board for their contributions and support. They are a foundation that raises money to supply grants.

End of Registered Speakers

Agenda items Only Speakers – no one spoke

5. Bureau of Fire Update

Commissioner Gondek presented the monthly fire report.

6. Township Auditor Update

Township Auditor reviewed the warrants and found no irregularities

7. Township Manager Update provided by Acting Township Manager Aimee Cuthbertson

Ms. Cuthbertson provided some on-going projects: the Skatium will be closed from May 15 to July 22 for chiller replacement

Manoa Road to West Chester Pike will be closed Saturday, May 18th from 8 am to 2 p.m. The bridge is being delivered and mounted in place to extend the trail.

PECO will be working on West Chester Pike from Glen Gary to Eagle Road from 9 – 3, Monday through Friday (all summer long).

Environmental Advisory Committee - William Hitchcock as 3rd Ward Representative

6th Ward Senior Citizens Advisory Council - Theresa Walther

19. Continuation of Citizen's Forum for Non-Agenda Items

Dory Doughty - spoke on the Sunshine Act, Planning Commission Agenda and the posting to the website within 24 hours' priors to the meeting. There was a computer glitch that was repaired.

The agenda had been posted in due time.

Michael Lee spoke on the Safe Streets focus groups and the lack of participation. There were less than 100 participants in the webinar and 750 online surveys completed.

Michelle Alvare did attend the Safe Streets meeting and found it very confusing.

20. New business - no new business

21. Other business

1st Ward Commissioner Brian Gondek – Commissioners Gondek announced that the rain date for the West Gate Hills May Fest will be June 1st.

He wished everyone a belated Mother's Day.

He also recognized and thanked the Police Department for receiving commendations.

He paid a visit to the Manoa Fire House to see their new truck and equipment. Please remember to support your fire company.

Wards 1 and Ward 4 will hold their constituent meeting on May 20th at 7 p.m. at Lynnewood School.

2nd Ward Commissioner Sheryl Forste-Grupp – Commissioner Forste-Grupp also announced the closing of Manoa Road on May 18th.

May 15th will be the in person HTFL Association meeting at the CREC.

3rd Ward Commissioner Kevin McCloskey – Commissioner McCloskey announced the annual Memorial Day Ceremony on Monday, May 27th at 11:00 a.m.

The American Legion post at Grasslyn will hold their ceremony at 10 a.m. The Boy Scouts will be cooking hamburgers and hotdogs at 1.

5th Ward Commissioner Laura Cavender – Coopertown Elementary School Highland Fling will be held on May 19th from 2 to 6 p.m.

7th Ward Commissioner Conor Quinn – Commissioner Quinn was honored to present the ALS Proclamation. This illness is very near and dear to him.

This is also Stuttering Awareness week.

8th Ward Commissioner Gerard T. Hart – Commissioner Hart thanked the over 200 participants that partook in the Ann's Race for Pancreatic Cancer. Chatham Park Elementary is also sponsoring the Maniac Magee Race.

9th Ward Commissioner Mike McCollum – Commissioner McCollum announced the upcoming Jack McDonald Foundation Golf Outing.

Hilltop Civic Association is requesting volunteers.

He is also in the process of expanding his email list. Kindly advise him of your address.

4th Ward Commissioner Judy Trombetta – Postcards have been mailed out to Ward 4 and 3 residents regarding upcoming redistricting and reapportionment. CH Planning is recommending 3 options.

USDA has provided a Compost for Free Grant to the township. Try to compost.

May 17th will be the 3rd Annual dining on Brookline Boulevard. Come out support food establishments.

Commissioner Trombetta also re announced the upcoming Wards 1 and 4 Constituent Meeting on May 20th.

6th Ward Commissioner Larry Holmes – Commissioner Holmes announced all the buzz about billboards being discussed. Billboards is still in litigation and is not settled.

The Memorial Day Ceremony is a time of reflection.

22. All Commissioners agreed to adjourn.

Township of Haverford

Proclamation

Sacred Heart Girls Basketball Champions

Whereas, the Haverford Township Board of Commissioners takes great pride in recognizing the outstanding achievements of our local youth, and;

Whereas, the Sacred Heart girls' basketball team has achieved remarkable success, making history with their exceptional performance throughout the season, and;

Whereas, this dedicated group of athletes accomplished numerous firsts in Sacred Heart history, including winning the prestigious Saint Helena's tournament, securing victory in the Sacred Heart Christmas tournament for three consecutive years, and remaining undefeated in region 32 play, and;

Whereas, this hardworking team of nine players went on to capture the championship of region 32 and earned the title of Archdiocesan Champions, marking another significant milestone in the Sacred Heart School's basketball program, and;

Whereas, their determination and teamwork led this girls' basketball team to become the first-ever State Champions in Sacred Heart School's history in any sport, after an impressive performance in the PA State Championship tournament, and;

Whereas, the Sacred Heart girls' basketball team exemplifies the spirit of sportsmanship, dedication, and excellence, serving as role models for our community's youth.

Now, Therefore Be It Resolved by the Board of Commissioners of the Township of Haverford in Delaware County, Pennsylvania, that we extend our heartfelt congratulations and deepest admiration to the Sacred Heart girls basketball team coaches Eric Eberz, Dave DiTrollo, Michele Eberz, and Ali Dreger, and teammates Kayla Brady, Adi DiTrollo, Kayla Eberz, Kelsey Eberz, Ava Favazza, Tara Flynn, Keira Hanson, Kaylee Hart, and Sammy Hippert, for their extraordinary achievements and for bringing pride and joy to our community.

Township of Haverford

Proclamation

May Is Amyotrophic Lateral Sclerosis Awareness Month

Whereas, Amyotrophic lateral sclerosis (ALS), known by many as Lou Gehrig's disease, is a progressive fatal neurodegenerative disease that affects the voluntary muscles in a person's body so that the person's brain loses connection with the muscles, slowly taking away their ability to walk, talk, eat, and eventually breathe; and

Whereas, ALS is the most common neuromuscular disease in the world and each year an estimated 5,000 new people in the United States are diagnosed and as many as 1,000 Pennsylvania residents are currently living with ALS; and,

Whereas, every 90 minutes someone is diagnosed with ALS, and someone passes away from ALS; and

Whereas, on average, patients diagnosed with ALS only survive two to five years from the time of diagnosis; and

Whereas, people who have served in the military are twice as likely to develop ALS and die from the disease than those with no history of military service; and Pennsylvania has the fourth largest population of veterans in the country, totaling over 800,000.

Whereas, ALS has no cure; and

Whereas, securing access to new therapies, durable medical equipment, and communication technologies is of vital importance to people living with ALS; and

Whereas, clinical trials play a pivotal role in evaluating new treatments, enhancing quality of life, and fostering assistive technologies for those living with ALS; and

Whereas, we celebrate the 10th Anniversary of the Ice Bucket Challenge through a renewed commitment to galvanize public awareness and support funding leading to significant investments in ALS research; and

Whereas, the ALS Association, as the largest philanthropic funder of ALS research globally, has committed over \$154 million to support more than 550 projects across the United States and 18 other countries; and

Whereas, our commitment to accelerating the pace of discovery remains unwavering, fueled by the hope that one day, ALS will be a livable disease for everyone, everywhere, until we can cure it.

Whereas, ALS Awareness Month increases the public's awareness of people with ALS' dire circumstances, and acknowledges the terrible impact this disease has, not only on the person but on his or her family and the community, and recognizes the research being done to eradicate this disease;

Now Therefore be it Resolved that the Haverford Township Board of Commissioners declares the month of May 2024 as ALS Awareness Month and encourages all residents to join in supporting ALS research, advocating for increased funding, and standing in solidarity with those affected by this relentless disease.

Proclamation

Proclaiming National Police Week and Police Officers' Memorial Day

Whereas the police officers of Haverford Township have worked devotedly and selflessly on behalf of the people of Haverford Township; regardless of the peril or danger to themselves; and

Whereas, these officers have safeguarded the lives and property of the residents of Haverford Township; and

Whereas, these men and women, by their patriotic service and their dedicated efforts, have earned the gratitude of the residents of Haverford Township.

Now, therefore be it proclaimed, the Commissioners of Haverford Township calls upon its' residents to observe the week of May 12 – 18, 2024 as Police Week.

Be it further proclaimed that the Commissioners of Haverford Township calls upon the community to observe May 15, 2024 as National Police Officers' Memorial Day in honor of those law enforcement officers who, through their courageous deeds, have made the ultimate sacrifice in the service to their community.

Proclaimed this 13th Day of May, 2024.

Township of Haverford
ORDINANCE NO. P6-2024

An Ordinance of the Township of Haverford, Delaware County, Commonwealth of Pennsylvania, amending chapter 4, administration of government, to provide for the criteria and process for the naming of township property and establishing a township property naming committee

Whereas, Haverford Township (“Township”) is the legal owner of real property and associated public facilities, parks, recreational areas, fields, streets, and other similar township owned or controlled facilities throughout the Township (“Township Property”);

Whereas, the Township desires to recognize individuals who have made a significant contribution to the Township or otherwise brought honor to the Township through their works or deeds by naming or renaming Township Property in their honor;

Whereas, the Township also desires to recognize individuals, families, or organizations that have made substantial gifts or donations resulting in the Township’s acquisition or use of Township Property by naming or renaming the associated Township Property in their honor or as may be stipulated in a gift agreement;

Whereas, the Township desires to establish a fair, uniform, and consistent process for the naming and renaming of Township Property;

Whereas, the Township desires to establish a Township Property Naming Committee to assist the Township Board of Commissioners with the process of naming or renaming Township Property;

Therefore, be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, the Board has determined that the health, safety, and general welfare of the residents and guests of the Township will be served by this amendment to Chapter 4, as follows:

Section I. Code Amendment.

A. Chapter 4, Administration of Government, is amended to provide for a new Part 12 entitled “Naming of Township Property” to provide as follows:

Part 12. Naming of township property

Article XXXIII Criteria and Procedure

§ 4-1109 Purpose.

Haverford Township desires to provide a fair, uniform, and consistent process for the naming and renaming of certain Township owned or controlled properties including, but not limited to, Township facilities, parks, recreation areas, fields, streets, or other Township property or facilities deemed appropriate to be named or renamed by the Haverford Township Board of Commissioners.

§ 4-1110 Definitions.

The following words, when used in this Part, shall mean the following unless the context clearly indicates otherwise:

Naming or name – The assignment or designation of a new name or a change in a previously established or known name.

Township property – Real property owned or controlled by Haverford Township and/or improvements or facilities located on property owned or controlled by Haverford Township including, but not limited to, buildings, rooms, recreation areas, parks, fields, open space, streets, and other property or facilities, or parts thereof, owned or controlled by the Township as deemed appropriate by the Haverford Township Board of Commissioners.

§ 4-1111 Criteria for the Naming of Township Property.

- A. The Name given to Township Property should have geographic, historical, botanical, or agricultural significance in or for the Township. The significance of the Name should be recognized and known in the area or neighborhood in which the Township Property is located, and if possible, generally recognized and known throughout the entire Township.
- B. Township Property should only be given a Name if one or more of the following applies:
 - (1) The property was acquired or significantly enhanced by means of a substantial gift or donation by an individual, family, or organization associated with the Name or made pursuant to a gift stipulation or agreement, acceptable to the Board of Commissioners, that a certain Name is used to identify the property.
 - (2) The Name is to recognize an individual or family who has made a significant contribution to the Township, has brought honor to the Township through work or deed, or had a significant historical impact on the Township. In most instances, the person should be honored posthumously and should be deceased at least (3) three years before Naming consideration. The individual,

or the living relatives of the individual if awarded posthumously, whose name is being considered shall be provided an opportunity to refuse the Naming.

- C. Township Property should not be Named after a person whose contribution to the Township was or is part of the person's normal, paid duties as an employee of the Township. An exception may be made for former Township employees who have contributed volunteer services of an exceptional nature beyond their normal duties as an employee. Further, a Township employee shall not be excluded from Name recognition if the recognition is for service, works, or deeds performed before or after such person's employment with the Township.
- D. The Name shall not be one that endorses or advocates for any religion or political party or specific religious or political belief; has an obscene connotation; malevolently portrays, demeans, or intimidates any racial or ethnic group or other protected class; is the Name of an active political candidate; or is the Name of an adjudicated felon.
- E. The Naming of Township Property is intended for permanent recognition within the Township, and a change in the Name of Township Property without good cause is strongly discouraged once Township Property has been officially Named through the process established herein. As such, Township Property shall not be provided with a new or different Name without good cause, as determined by the Township Board of Commissioners. It is recommended that efforts to change a Name be subject to the most critical examination, so as not to diminish the original justification for the Name or discount the value of the prior contributions warranting the Naming.

§ 4-1112 Procedures for the Naming of Township Property

- A. Applications for the Naming of Township Property should come from the public sector through local civic organizations or neighborhood associations. Individuals may not apply for the Naming of Township Property.
- B. A complete application must include a petition with at least one hundred (100) signatures from adult residents of Haverford Township signifying broad support for Naming of the Township Property. The petition must include:
 - (1) A clear description of the proposal to Name the Township Property with the Name proposed and the specific location of the Township Property.

- (2) The names, addresses, and signatures of at least one hundred (100) adult Haverford Township residents signing in support of the application.
 - (3) A clear, detailed description as to the reason(s) why the Township Property should be given such Name.
 - (4) Whether the individual whose name is being considered, or the living relatives of the individual if the person is deceased, has been consulted with and approves of the petition.
- C. The completed application shall be submitted to the Township Manager. If the application is deemed complete, the Township Manager shall submit the application to the Property Naming Committee for review and consideration.
- D. Within (sixty) 60 days of the Property Naming Committee's receipt of application, the Property Naming Committee shall meet for the purpose of making a recommendation to the Board of Commissioners, along with a written explanation for the recommendation, which shall include background information of the Township Property and the person, family, or organization proposed to be honored by the Naming.
- E. If the request is to Name a park, ballfield, playground, open space, other athletic facility, or a portion of thereof, the Township Manager shall also submit a copy of the application to the Parks & Recreation Board. Within (sixty) 60 days of receipt of the application from the Township Manager, the Parks & Recreation Board shall meet for the purpose of making a recommendation to the Board of Commissioners, and provide a written explanation for the recommendation.
- F. The Board of Commissioners will consider the recommendations from the Property Naming Committee and, if applicable, the Parks & Recreation Board, at a public meeting of the Board of Commissioners.
- G. The recommendation(s) for Naming the Township Property shall be deemed approved by a majority vote of the Board of Commissioners.
- H. The process for reviewing and making a decision on an application for the Naming of Township Property is intended to take no less than three (3) months and no more than one (1) year.

- B. Chapter 4, Administration of Government, Part 5, Advisory Boards and Commissions, is hereby amended to provide for a new Article XXI.I entitled "Township Naming Committee" as follows:

Article XXI.I Township Naming Committee

§ 4-522 Establishment; purpose.

In accordance with the ordinances and resolutions of Haverford Township, there is hereby recognized the existence of the Township Naming Committee of Haverford Township for the following purposes:

- A. To make recommendations to the Board of Commissioners regarding the naming of Township property pursuant to the criteria and process established under Chapter 4, Part 12, Naming of Township Property.

§ 4-523 Membership; Terms; Vacancy

- A. The Property Naming Committee shall consist of five (5) members consisting of

The Township Manager or their designee determined on an ad hoc basis when a completed application is submitted for review and consideration by the Property Naming Committee;

The Director of Parks and Recreation or their designee determined on an ad hoc basis when a completed application is submitted for review and consideration by the Property Naming Committee;

The member of the Township Planning Commission who serves as the liaison to the Township Historical Commission; and

Two citizens appointed by the Board of Commissioners.

- A. The citizen appointees shall be residents of Haverford Township, shall serve three (3) year terms, which may be renewed, and may be removed by a majority vote of the Board of Commissioners without cause.

- B. The Property Naming Committee shall meet only on an as-needed basis upon receipt of a completed application for naming or renaming of Township property.

- C. All appointed members shall serve without compensation.

D. In case any vacancy occurs, the Board of Commissioners shall act expeditiously to fill the vacancy for the unexpired term.

§ 4-524 Powers and Duties.

A. The Property Naming Committee shall receive applications for naming or renaming of Township property and shall make recommendations to the Board of Commissioners regarding the naming of Township property pursuant to the criteria and process established under Chapter 4, Part 12, Naming of Township Property.

B. The Property Naming Committee shall perform due diligence related to the geographic, historical, botanical, agricultural, artistic, and/or cultural background of any Township property proposed to be named or renamed.

C. The Property Naming Committee shall perform due diligence related to the individual, family, or organization proposed to be honored by the name recognition.

D. To avoid duplication and confusion, the Property Naming Committee shall perform the necessary research to ensure that no other Township properties hold the name being considered.

E. Within (sixty) 60 days of the Property Naming Committee's receipt of application for the naming of Township property, the Property Naming Committee shall meet for the purpose of making a recommendation to the Board of Commissioners, and provide a written explanation for the recommendation, which shall include background information of the Township Property and the person, family or organization proposed to be honored by the Naming.

Section II. Repealer. In addition to the above, all other ordinances or parts of ordinances that are inconsistent herewith, are hereby repealed. Further, it is understood and intended that all other sections, parts, provisions, and ordinances that are not otherwise specifically in conflict or inconsistent with this Ordinance, shall remain in full force and effect, the same being reaffirmed hereby.

Section III. Severability. In the event that any section, sentence, clause, phrase or word of this Ordinance shall be declared illegal, invalid or unconstitutional by any Court of competent jurisdiction, such declaration shall not prevent, preclude or otherwise foreclose enforcement of any of the remaining portions of this Ordinance.

Section IV. Failure to Enforce Not a Waiver. The failure of the Township to enforce any provision of this Ordinance shall not constitute a waiver by the Township of its rights of future enforcement hereunder.

Section V. Effective Date. This Ordinance shall become effective 10 days following final adoption by the Board of Commissioners and publication as required by law.

Adopted this day of , 2024.

Resolution Number 2376-2024

American Rescue Plan Act Coronavirus Local Fiscal Recovery Fund Infrastructure Projects

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million; and

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to invest in public health improvements, economic recovery and development, services to disproportionately affected communities, and general government services, among other allowable purposes; and

Whereas, the Board of Commissioners desires to make improvements and financial investments in several Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

Crescent Hill & Francis Drive Sanitary Sewer Lining in an amount not to exceed
\$67,410.00

Replacement of Leachate Collection Trench in an amount not to exceed \$43,520.00

Now, Therefore, be it Resolved, that the Board of Commissioners of Haverford Township hereby approves the use of funds from the Township's American Rescue Plan Fund allocation for the above referenced projects and initiatives.

Resolved this 13th day of May, 2024.

Resolution Number 2377-2024

A Resolution Authorizing Application to Delaware County Council for an Allocation of 2024 County Liquid Fuel Tax Funds for Street Light Operating Expenses Incurred and Paid in 2024

Whereas, the undersigned Municipality desires to take advantage of the Act approved June 1, 1945, P.P. 1242 and as provided in the Act approved May 18, 1945, P.L. 803 permitting Counties of the Commonwealth of Pennsylvania to appropriate and expend moneys for the improvements and maintenance of State Highways and State-Aid Highways or Public Highway in any County of the Commonwealth.

Therefore, be it resolved, that we, the elected officials of Haverford Township, Delaware County, Pennsylvania, in a regular session assembled on this 13th day of May, 2024 do hereby make application to the County Council of Delaware County for an allocation of its 2024 County Liquid Fuel Tax Funds in the amount of \$53,568.00 to be used toward street light operating expenses incurred and paid in 2024.

It is certified by the Municipality and the officers who execute this application that materials used and work done hereunder shall conform to the current Pennsylvania Department of Transportation specifications, or specifications approved by the Department, and that all work will be done within the legal right-of-way or with permission of the abutting property owners.

Adopted this 13th day of May, 2024.

**RE: Skatium Chiller Replacement
Electrical Bids - Condenser Water Pumps**

Dear Mr. Burman:

As you are aware, the replacement of the Condenser Water Pumps was added to the General Contractor's (Elliot Lewis) scope of work for the Skatium Chiller replacement.

We also solicited bids for the electrical work required to connect these pumps. Bid requests were forwarded to the four (4) contractors who bid the Electrical contract work for the Chiller replacement. Two (2) of the contractors did not submit bids. The below two (2) bids were received.

<u>Contractor</u>	<u>Amount Bid</u>
Schipsi Electric, Inc.	\$19,852.50
A. N. Lynch Company Inc.	\$24,995.00

We recommend the Township consider awarding the electric bid to Schipsi Electric, Inc. in the amount of \$19,852.50 in accordance with their attached proposal and contingent upon submission of the required insurance.

Should you have any questions or comments, please do not hesitate to contact the undersigned.

Sincerely,

PENNONI

**RE: 2024 Road Program
Contract No. RP-2**

Dear Mr. Burman:

Attached herewith is a tabulation of the bids received on Wednesday, May 8, 2024, at 10:00 a.m. for the above referenced contract. The low bidder was N. Abbonizio Contractors, Inc. of Conshohocken, PA with a base bid of \$882,827.05 and an add alternate totaling \$201,645.45, for a total base bid plus add alternate of \$1,084,472.50. We have worked with N. Abbonizio Contractors in the past and have found their work to be satisfactory.

Based upon our discussions, the Township plans to proceed with the base bid work. Therefore, we recommend the Township award the contract to N. Abbonizio Contractors, Inc. in the base bid amount of \$882,827.05 contingent upon execution of the contract and supply of the required bonds and insurance.

Should you have any questions or comments, please do not hesitate to contact the undersigned.

Sincerely,
PENNONI

Finance Department Memorandum

April 16, 2024

To: David R. Burman, Township Manager

From: Aimee Cuthbertson, Director of Finance/Asst Township Manager

Re: Electric Charging Stations at the CREC

As far back as 2020, the Township's Capital Improvement Plan included charging stations at the CREC for both public use and captive use by Township staff. At the April meeting, the Board of Commissioners approved the electrical infrastructure improvements needed for the stations. At the May meeting, we request approval of the actual station purchases.

The arrangement will be mirror images of what we have in the Township Administration lot with (1) dual port charger available to the public and (1) dual port charger restricted to use of Township vehicles. The same fee structure will apply and we will continue to network through Chargepoint.

The total purchase price is \$18,853.80 and is funded with capital project funds already on hand. Additionally, we are awaiting review of a PECO EVSmart Charging rebate application to offset station installation costs.

If you have any questions, please do not hesitate to contact me.

Premium colors require use of premium binder, and are available for additional charge: Teal, Yellow, Purple, or Primary Red.

IPEMA Certified System

- If stone base with fines is installed by others, we MUST INSPECT IT BEFORE mobilizing.
- Asphalt is NOT an appropriate edge and WILL fail - We are not responsible for asphalt edge failures and gaps at edges due to asphalt failure
- Temps to install must be 40F and rising, not to drop below 40F during 24-36hr cure time
- PRICING SHOWN IS FOR ONE MOBILIZATION TO JOBSITE
- Standard Aromatic Binder will discolor slightly initially (this is normal), but film will wear off and reveal actual rubber color with use and wear.

Seams	Surface America will work diligently to install every surface without seams, but uncontrollable situations arise that prevent a surface from being seamless (about 3000 sq ft per day). If/when a seam(s) is installed, it will be as invisible as possible, as tight and strong as possible, and also covered under our extensive warranty.			0.00	0.00
-------	--	--	--	------	------

Security	Purchaser shall be responsible for security, as needed, to prevent vandalism and/or damage of any type to the surface during the installation process, curing time, and after the installation is completed.			0.00	0.00
----------	--	--	--	------	------

*** Patches (if required) will not match, and seams will exist and are likely to be visible - this is normal and surface fall protection performance is the main objective of the surfacing. Aesthetics are secondary.

RE: Haverford Township Free Library Renovation & Addition Project- Construction Change Orders

Mr. Burman,

Below is a summary of change orders we have reviewed and are recommending for approval by the Board of Commissioners. There is an explanation of each change as well as the detailed back-up for the costs.

For **Rycon Construction** contract these change order requests total an add of **\$64,050.70 (Sixty-four thousand fifty dollars & seventy cents)** and will be part of a change order to their contract.

For **Dolan Mechanical (Plumbing)** contract these change order requests total an add of **\$13,619.50 (Thirteen thousand six hundred nineteen dollars & fifty cents)** and will be part of a change order to their contract.

For **AJM Electric (Electrical)** contract these change order requests total an add of **\$9,750.00 (Nine thousand seven hundred fifty dollars & zero cents)** and will be part of a change order to their contract.

Please let us know if you have any questions or comments.

Sincerely,

Kenneth C. Matthews

Kenneth C. Matthews
C.B. Development Services, Inc.

CC: Aimee Cuthbertson, Sukrit Goswami

Rycon Construction Change Request #6 for a credit of (\$5,985.00)

The cost included is for a credit back of the floor leveling at the old bank building built into the project bid. The old bank building required the existing slabs to be poured over; however, the General Contractor was able to use a comparable product to what was specified that ended up being a credit to the Library/Township. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #13 for an add of \$19,950.00

The cost included is for work associated with Bulletin #6 which revised the acoustical ceiling tile specification at the trees shown in the Children's Area. The ceiling tile specification was noted incorrectly on the contract documents and this is the upcharge to go to the desired ceiling tile for the design. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #14 for an add of \$1,631.70.

The cost included is for work associated with an existing column in the lower level called out to remain. The contract documents showed the column wrap being reused. However, the existing column cannot be salvaged and needs to be replaced. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #18R1 for an add of \$10,433.50.

The cost included is for work associated with the existing plaster/block wall between Meeting Room 226 on the second floor and the Living Room below. The existing wall was not plumb/level and in poor condition. It was determined by the project team that it should be completely replaced with a new framed partition. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #19 for an add of \$38,020.50.

The cost included is for work associated with removing the existing book shelving called out on the contract documents to remain at the Living Room. The existing shelving is in poor condition so upon further review with the design team and Library it was determined these should be replaced with new shelving to match all the other new shelving being installed. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Plumbing) Change Request #5 for an add of \$13,619.50.

The cost included is for work associated with Bulletin #8 which added a under slab exhaust system in the old bank building basement. Upon excavating the old bank building basement down for the new office space an old oil storage tank was discovered. There is a hint of gas smell in this area which we can only assume came from the oil tank leaking at some point. In review with the project Environmental Consultant and design team it was determined an exhaust system should be added to exhaust any such odors up and out of the top of the building. This is the cost to run the piping required under the slab and up to the roof. Costs to provide the exhaust fan and to remove the old oil tank will be submitted at a later date. The cost submitted and attached for reference is fair and reasonable.

AJM Construction Change Request #2 for an add of \$9,750.00.

The cost included is for miscellaneous work associated with Bulletins #6 and #7 which include adding motorized shades as well as adding various data jacks and power outlets throughout the building after further review of the plans with the Library. The cost submitted and attached for reference is fair and reasonable.

20. Appointment:

9th Ward Senior Citizens Advisory Council Appointment was TABLED.

21. Continuation of Citizen’s Forum for Non-Agenda Items

Bryan Ramona also acknowledged and thanked Suzanna Barucco.
He also questioned the soliciting Ordinance and license procedures.

Jane Hall thanked the board and the library board for the progress that is being made in renovations.

22. New business

No new business.

23. Other business

1st Ward Commissioner Brian Gondek

Discover Haverford has submitted surveys throughout the township requesting what types of businesses they would like to see in the township.

He congratulated all graduates.

2nd Ward Commissioner Sheryl Forste-Grupp

Commissioner Forste-Grupp thanked Brian Barrett, Eileen Mattola, Alexis DeSanti, Peter Hickman, Kyle and Phil for all their hard work in a landscaping project along the Pennys Trail on Saturday. Nolan Painting owner and his daughters also helped plant the 200 trees.

3rd Ward Commissioner Kevin McCloskey

Haverford Reserve will hold the second trail run on June 12th.

He thanked Tom Kelly for the Irish Festival on Saturday.

5th Ward Commissioner Laura Cavender

Commissioner Cavender announced that in late May, the township received the 2024 Municipal Sustainability Award.

7th Ward commissioner Conor Quinn

Commissioner Quinn stated that he is honored to proclaim the Juneteenth proclamation each year.

He announced the grand opening of the Juice Pod on Brookline Boulevard.

Now that schools are closing for the year, please drive safely.

9th Ward Commissioner Mike McCollum

Commissioner McCollum announced that there will be new pieces of playground equipment at Merry Place and Hilltop.

Paving is complete along the Darby Creek Trail.

4th Ward Commissioner Judy Trombetta

Commissioner Trombetta announced that Discover Haverford is sponsoring the 2nd Food Festival on Friday, June 14th. The Library Bookmobile will be there; including games for kids and a dunk tank.

She is proud that the Pride Flag is hanging at the township building. The LGBTQ Community needs rights and protection. We need to send the message of support.

She thanked the Human Relations Commission for their active part.

6th Ward Commissioner Larry Holmes

The Human Relations Commission was established 13 years ago and he, too, is proud to see the Pride flag hanging.

He also provided heartfelt thoughts and examples on two individuals.

24. Adjourn

Township of Haverford

Proclamation

Whereas, the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, takes great pleasure in acknowledging notable achievements of adults in the community.

Whereas, the Board of Commissioners wish to applaud

Suzanna Barucco

Chair of the Haverford Township Historical Commission for being presented the James Biddle Award for Lifetime Achievement in Historic Preservation; and

Whereas, Suzanna Barucco has over 25 years' experience in all aspects of preservation practice and has been involved in the restoration and interpretation of many regional historic resources, including house museums, institutions, cemetery landscapes, and the adaptive reuse of industrial sites. She is the principal of sbk + partners, LLC, a historic preservation consulting practice; and

Whereas, Suzanna's early interest in American history and historic buildings led to her first professional position with the Historic District Board in Roslyn, New York; and

Whereas, as an architectural conservator Suzanna's experience includes technical specifications and construction observation for preservation, restoration and adaptive reuse projects. As a project manager, her projects have ranged from single trade repairs to comprehensive research and restoration projects requiring the coordination of multi-disciplinary professional teams. Many of Suzanna's projects have been recognized with awards for excellence; and

Whereas, Suzanna has generously contributed her professional expertise to the Township of Haverford for over 14 years as a founding member of the Historical Commission. Suzanna's many contributions include collaborating to establish Haverford Township as a Certified Local Government, writing a successful grant application for adding resources to the Historic Resources Survey, working closely with SEPTA on the Ardmore Avenue bridge replacement project, reviewing applications, and volunteering a significant amount of her time dedicated to historic preservation in our Township.

Now, therefore be it proclaimed that the Board of Commissioners and the township community congratulate Suzanna Barucco for obtaining this notable and worthy award.

Proclaimed this 10th day of June, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.
President Board of Commissioners

Attest: David R. Burman,
Township Manager

Township of Haverford

Proclamation

Juneteenth National Freedom Day

Whereas, on January 1, 1863, President Abraham Lincoln issued the Emancipation Proclamation declaring all enslaved people in the Confederate states to be forever free. Nevertheless, slavery persisted for another two and a half years in some states; and

Whereas, celebrated annually on June 19, Juneteenth commemorates the day of June 19, 1865 when Union Army Major General Gordon Granger read General Order #3 announcing to the people of Galveston, Texas that all enslaved African Americans were free; and

Whereas, Juneteenth, also known as Emancipation Day or National Freedom Day, is celebrated as the day that slavery ended in the United States; and

Whereas, Juneteenth was first recognized as a state holiday in Texas in 1980. In 2019, Pennsylvania Governor Tom Wolf joined Texas and several other states in recognizing the holiday by signing legislation designating June 19 as Juneteenth National Freedom Day in the Commonwealth of Pennsylvania; and

Whereas, in 2021, Juneteenth was declared a federal holiday when President Joe Biden signed the Juneteenth National Independence Day Act into law with bi-partisan support; and

Whereas, since 2021, the Township of Haverford has recognized and observed Juneteenth National Freedom Day annually; and

Whereas, residents in the Township of Haverford are encouraged to join the nation in honoring Juneteenth by acknowledging the contributions made by African Americans to our country and celebrating the resilience of African American people in overcoming their history of enslavement and their continued fight against systemic racism.

Now Therefore Be It Proclaimed, that the Board of Commissioners of the Township of Haverford in Delaware County, Pennsylvania hereby recognizes June 19, 2024 as Juneteenth National Freedom Day, celebrates the culture and achievements of African Americans in spite of a history of struggle and oppression, and recommits to the work of fighting systemic racism to ensure progress in our community and prosperity for all.

Proclaimed this 10th day of June, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.
President Board of Commissioners

Attest: David R. Burman,
Township Manager

Township of Haverford

Proclamation

Pride Month

Whereas, Haverford Township cherishes the value and dignity of each person and appreciates the importance of equality and freedom; and

Whereas, all people are welcome in Haverford Township to live, work, and play, and every family, in whatever configuration, deserves a place to call home and feel safe, happy, and supported by friends and neighbors; and

Whereas, Haverford Township denounces invidious prejudice and discrimination based on age, gender identity, gender expression, race, color, religion, marital status, national origin, sexual orientation, or physical attributes, as an affront to Haverford's fundamental principles; and

Whereas, the Haverford Township Board of Commissioners established an anti-discrimination policy (ordinance 2626, chapter 183) in February of 2011 to ensure that all persons, regardless of a person's sexual orientation, gender identity, or gender expression enjoy the full benefits of citizenship and are afforded equal opportunities for employment, housing, commercial property, and the use of public accommodations; and

Whereas, in January of 2012, the board appointed a seven-member Human Relations Commission to promote equality and to enforce the anti-discrimination policy for the township; and

Whereas, Haverford Township appreciates the cultural, civic, and economic contributions of lesbian, gay, bisexual, transgender, and queer communities who strengthen our social welfare; and

Whereas, it is imperative that young people in Haverford Township, regardless of sexual orientation, gender identity, and expression, feel valued, safe, empowered, and supported by their peers and community leaders; and

Whereas, despite being marginalized, LGBTQ+ people continue to celebrate authenticity, acceptance and love; and,

Whereas, Pride Month began in June of 1970 on the one-year anniversary of the Stonewall uprising in New York City after LGBTQ+ and allied friends rose up and fought against harassment and discrimination at the Stonewall Inn in Greenwich Village; and

Whereas, from the Stonewall riots sprouted the rainbow flag, also known as the LGBTQ+ Pride flag, that serves as a symbol of hope and inclusion to the lesbian, gay, bisexual, transgender, queer plus people and LGBTQ+ social movement; and

Whereas, flying the Pride flag throughout the month of June celebrates and affirms diversity, equity and inclusion; and

Whereas, in June 2022, the Board of Commissioners proclaimed the month of June as LGBTQ+ Pride Month, and, immediately thereafter, Haverford Township raised the Pride flag for the first time in township history.

Now therefore be it Proclaimed that the Haverford Township Board of Commissioners recognizes the month of June as “LGBTQ+ Pride Month” in Haverford, urges our residents to recognize the contributions made by members of the LGBTQ+ community, and promotes the principles of equality, liberty, and justice to promote a healthy, safe and prosperous community for all; and

Be it further Proclaimed that as a message to our residents as well as people everywhere that Haverford Township still stands as a beacon of equal opportunity for employment, housing, commercial property, and the use of public accommodations, Haverford Township will proudly fly the Pride flag throughout the month of June and commits to continuing the tradition of flying the Pride flag each June hereafter.

Proclaimed this 10th day of June, 2024.

Township of Haverford

Ordinance No. P7-2024

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing Ordinance no. 1960, adopted June 30, 1986, and known as “General laws of the township of Haverford” Chapter 175, Vehicles and Traffic.

Section 1. That Section 175-95, Schedule XX: Special Purposes Parking Zones.

Special Parking – in front of 719 Cricket Avenue
in front of 66 Brookline Boulevard

Section 2. That Section 175-91 Schedule XVI: Parking of All Vehicles Prohibited at All Times. Brookline Boulevard, south side, from the southwest corner at Allston Road to a point approximately 50 feet west of, and a “No Parking Here to Corner”

Section 3. Upon effective date of this ordinance, the Highway Department shall install appropriate signs in the designated section or zones giving notice of the regulations aforesaid.

Section 4. Any ordinance or part of an ordinance to the extent that it is inconsistent herewith is hereby repealed.

Adopted this 10th day of June, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.
President Board of Commissioners

Attest: David R. Burman
Township Manager/Secretary

Township of Haverford

Ordinance No. P9-2024

(Formatted for Accessibility)

An Ordinance of Haverford Township, Delaware county, Pennsylvania, amending chapter 130, peddling and soliciting, to establish permitted hours for commercial solicitation between 9 a.m. and 7 p.m. between October 1st and March 31st and between 9 a.m. and 8 p.m. between April 1st and September 30th, to require a FBI background check for applicants, and to codify a “do not solicit” registry.

Whereas, the Home Rule Charter of the Township of Haverford (“Township”) authorizes the Board of Commissioners (“Board”) to make and adopt ordinances consistent with the Constitution and laws of this Commonwealth and with the Charter; and

Whereas, the Charter and the Pennsylvania First Class Township Code grants the Board the authority to adopt ordinances prescribing the manner in which powers of the Township shall be carried out; and

Whereas, Chapter 130 of the Code of Ordinances of Haverford Township (“Code”) contains, provisions regulating peddling, soliciting and canvassing in Haverford Township; and

Whereas, the current language in the Code establishing a “sundown” curfew for commercial peddling and soliciting has been declared unconstitutional by courts across the United States; and

Whereas, the Township desires to balance the protection required to be afforded to commercial speech with the best interests of the health, safety, and welfare of the residents of Haverford Township and their right to quiet enjoyment of their properties; and

Whereas, the Township desires to establish clear, definitive, and objective hours that door-to-door solicitors and peddlers know they are permitted to operate; and

Whereas, the Board of Commissioners desires to establish a curfew for commercial soliciting as the hours between 9:00 a.m. and 7:00 p.m. during the 6 months beginning October 1st and ending March 31st, and the hours between 9:00 a.m. and 8:00 p.m. during the months beginning April 1st and ending September 30st; and

Whereas, such hours of operation are intended to permit commercial activity during reasonable, daylight hours, yet still provide protections to residents and their families from disturbances during evening hours when residents and their family members may be sleeping; and

Whereas, the Township desires to require applicants to obtain FBI background checks that can obtain criminal history information from other states, in addition to Pennsylvania, prior to issuing a license for a soliciting or peddling applicant;

Whereas, to further protect the health, safety, and welfare of the residents of Haverford Township and to protect their right to quiet enjoyment of their properties, the Board of Commissioners has administratively established a "Do Not Solicit" registry that allows residents to express their desire not to be solicited by peddlers and solicitors at any time; and

Whereas, the "Do Not Solicit" registry is provided to proposed peddlers and solicitors when they register with the Township to perform peddling and/or solicitor activities; and

Whereas, to further protect the health, safety, and welfare of the residents of Haverford Township and to protect their right to quiet enjoyment of their property, the Board of Commissioners desires to codify regulations concerning such commercial peddling and solicitation procedures;

Now, therefore, be it ordained and Enacted by the Haverford Township Board of Commissioners, Chapter 130, Part 10, of the Haverford Township Code of Ordinances shall be amended pursuant to the sections as set forth below:

Section I: Amendment of the Code.

The Haverford Township Code of Ordinances, Chapter 130, Peddling and Soliciting, is hereby amended as follows:

Amendment A. Chapter 130, Section 130-10, Permitted Hours of Operation, Subsection A, is hereby amended to provide as follows, with Subsection B remaining unchanged:

§130-10. Permitted Hours of Operation

A. Commercial soliciting and peddling shall be limited to the hours between 9:00 a.m. and 7:00 p.m. during the 6 months beginning October 1 and ending March 31, and the hours between 9:00 a.m. and 8:00 p.m. during the months beginning April 1 and ending September 30.

Amendment B. A new Section 130-13, entitled "Do Not Solicit Registry", is hereby established to provide as follows:

§130-13. Do Not Solicit Registry

1. The Township has established and manages a "Do Not Solicit Registry" for those landowners and residents of the Township who do not wish to be contacted by non-exempt door-to-door solicitors at their properties.
2. Any person in lawful possession and occupancy of any business, residence, house, apartment, or other dwelling unit in the Township may request to have their address placed on the Do Not Solicit Registry by submitting a request in writing to the person designated by the Township.
3. A resident's listing on the Do Not Solicit Registry shall remain on the Do Not Solicit Registry unless and until a request to remove the same is submitted to the Township Police Department.

4. Any person in lawful possession and occupancy of any business, residence, house, apartment, or other dwelling unit in the Township may request to have their address removed from the Do Not Solicit Registry by submitting a request in writing to the Township Secretary or on-line, as provided by the Township. Such request shall include all information set forth in subsection 2 above, together with an affirmative statement that the individual, being authorized to do so, requests that the property be removed from the Do Not Solicit Registry.

5. The prohibition against non-exempt door-to-door solicitors entering properties on the Do Not Solicit Registry shall be in addition to, and not in place of, the prohibition against such individuals soliciting, peddling, or distributing on properties displaying “No Soliciting” or other similar sign or signs.

Amendment C. Chapter 130, Section 130-3.C, Application Procedure, Subsection 4, is hereby amended to provide as follows:

4. An FBI criminal history summary check (frequently referred to as an “FBI background check”) for the applicant dated no more than 90 days before the date of the application.

Section II: All Township elected and appointed officials are authorized to take all action necessary to ensure the implementation and effect the purpose hereof.

Section III: Any and all Ordinances and/or Resolutions, or parts thereof, conflicting herewith are repealed insofar as the matters herein are affected.

Section IV: This is effective ten (10) days following final adoption by the Board of Commissioners and publication as required by law, and shall remain in effect hereafter until revised, amended, or revoked by action of the Board of Commissioners of the Township of Haverford.

Section V: The terms, conditions and provisions of this Ordinance are hereby declared to be severable, and, should any portion, part or provision of this Ordinance be found by a court of competent jurisdiction to be invalid, unenforceable or unconstitutional, the Haverford Township Board of Commissioners hereby declares its intent that the Ordinance shall have been enacted without regard to the invalid, unenforceable, or unconstitutional portion, part or provision of this Ordinance.

Adopted this day of , 2024.

AGREEMENT NO.: 3900040199
FEDERAL I.D. NO.: 23-6002307
SAP VENDOR NO.: 138895

Winter Maintenance Services Agreement

This Winter Maintenance Services Agreement (“Agreement”) is made by and between the Commonwealth of Pennsylvania, acting through the Department of Transportation (“PennDOT”);

and

Haverford Township, an entity legally authorized to enter into this Agreement, acting through its proper officials (“Service Provider”).

BACKGROUND

To ensure an efficient and effective maintenance program during winter seasons, PennDOT enters into this agreement to transfer winter maintenance responsibilities to the Service Provider, which has the equipment, personnel and commitment to perform winter maintenance work for the designated state highways (state routes), including bridges and approaches, subject to payment by PennDOT and the terms and conditions of this Agreement.

The parties, intending to be legally bound, agree as follows:

1. **Description of Work.**

- a. **Service Provider General Responsibility.** Service Provider shall remove snow and ice, provide de-icing and anti-skid materials and apply de-icing and anti-skid treatments for the Snow Lane Miles of designated state routes set forth on Exhibit “A” to this Agreement, including bridges and approaches on the delineated state routes, during the Winter Season. Exhibit “A” is attached and incorporated by reference into this Agreement.

- b. **Service Provider Level of Service and Performance Measures.** The Service Provider shall perform work promptly and efficiently to facilitate the safe and unimpeded flow of traffic. Work shall comply with the then-current versions of PennDOT’s: 1) Maintenance Manual (“Publication 23”) including its Chapter 4; 2) Highway Foreman Manual (“Publication 113”) including its Chapter 5 and Assembly 712-7521-01; and 3) Highway Construction Specifications (“Publication 408”) including Sections 703.4 and

722, all of which are available on PennDOT's website, are amended from time-to-time, and incorporated into this Agreement by reference. Within these publications, the term "Municipality" shall mean "Service Provider."

c. **Key Definitions**

1. **Snow Lane Mile.** A "Snow Lane Mile" is a travel lane that is up to twelve (12) feet wide and one (1) lineal mile long. Where travel lanes are wider than twelve (12) feet, additional lane miles shall be computed and reflected on Exhibit "A" pursuant to then-existing PennDOT policy, which at present is articulated in Chapter 4 of the PennDOT Maintenance Manual, Publication 23, which is available on PennDOT's publicly accessible website.
2. **Winter Season.** The "Winter Season" for the purpose of this Agreement shall commence October 15 of each year and end on April 30 of the following year, unless amended by PennDOT.

2. **Required Permits.** If the Service Provider's equipment must traverse a bridge with a posted weight restriction, the Service Provider shall apply to the posting authority for a permit pursuant to 67 Pa. Code Chapter 191. The Service Provider shall refile permit applications as needed during the term of this Agreement and obtain permits for each succeeding Winter Season for which this Agreement is renewed. Failure to obtain the permits shall be cause for termination of this Agreement.

3. **Term of Agreement.** The initial term of this Agreement is five (5) years ("initial term"). The initial term shall commence upon the earlier of the full execution date (which is the date of all required Commonwealth signatures being affixed after the parties' signatures) or the start of the first Winter Season (October 15) and end on October 14 of the year when the fifth Winter Season is completed. After the initial term (covering five (5) Winter Seasons) ends, the Agreement will automatically renew on October 15 for five (5) additional one (1) year periods unless the parties mutually agree, in writing, prior to June 30 of the fifth year of the initial term or June 30 of any one (1) year renewal period, to terminate the agreement prior to the commencement of a subsequent renewal period.

4. **Base Payment Rate.** PennDOT shall pay the Service Provider a base rate per Snow Lane Mile ("base rate") for the first Winter Season of this Agreement on or about October 15 of the first Winter Season. The base rate to be paid per Snow Lane Mile shall be set forth on Exhibit "A" of this Agreement and may consider different rates per Snow Lane Mile in accordance with PennDOT policy for the characteristics of the state routes being serviced.

5. **Adjusted Base Payment Rates for Subsequent Years.** For each of the following four years of the initial term and any annual renewal term thereafter, the base rate will annually be increased by 2% and paid on or about October 15. PennDOT will send, annually, a revised funds encumbrance document, or then-equivalent, to the Office of Comptroller Operations to facilitate the payment of sums of money pursuant to the terms and conditions of this Agreement.

6. **Computation of Annual Payment and Invoicing.** The total annual payment to the Service Provider shall equal the base rate, as adjusted, multiplied by the Snow Lane Miles reflected on the then current version of Exhibit "A." The Service Provider shall invoice PennDOT on or after October 15 for each Winter Season based on the total annual payment calculated under this Section.

7. **Amendment of Snow Lane Miles and Payment.**

a. **Snow Lane Miles.** The Snow Lane Miles upon which payment will be computed are those Snow Lane Miles set forth on the then current version of Exhibit "A." Exhibit "A" may be amended to reflect the addition, subtraction or modification of Snow Lane Miles, as agreed between the parties. Additions, subtractions or modifications of Snow Lane Miles shall only be initiated upon the sending of a letter from PennDOT to the Service Provider (to the attention of the personnel at the address listed below in the Notice provisions) containing an amended Exhibit "A." The letter shall be reviewed, signed and dated by the Service Provider, and promptly returned to PennDOT. The letter shall become effective at the start of the next Winter Season. For letters issued during a Winter Season, services to be performed by the Service Provider with respect to additions, subtractions or modifications shall become effective immediately upon full execution of the letter; but for purposes of the computation of payment, additions, subtractions or modifications to Snow Lane Miles will become effective at the start of the next Winter Season. The signatories to this letter shall only be the authorized officials of PennDOT and the Service Provider, with the Office of Comptroller Operations receiving a copy of the fully executed letter and amended Exhibit "A."

b. **Payment Adjustments.** The base rate may only be adjusted in the event of a severe winter adjustment (defined below), or where authorized by this Agreement to compensate a Service Provider during a winter emergency. Payment adjustments shall be made by letter signed only by an authorized signatory for PennDOT, as follows:

1. **Severe Winter Adjustment.** PennDOT may, in its sole discretion, agree that additional payment is warranted if a

Service Provider experiences a level of work above a reasonable quantity of winter weather events during a Winter Season, either in frequency or severity. If PennDOT determines that a severe winter adjustment is warranted, it will issue a letter reflecting the amount to be paid as a severe winter adjustment as a percent increase to the then-current Winter Season's base rate, as adjusted. Severe winter adjustments will provide a one-time payment that does not impact the base rate computation, as adjusted, for payment in future years.

2. Winter Emergency. If a winter emergency necessitates work before this Agreement is fully executed, or before or after the defined "Winter Season," PennDOT's District Executive may issue a written letter to the Service Provider that: (a) finds that an emergency exists under the then-current version of Section 516 of the Procurement Code, 62 Pa C.S. § 516, and (b) authorizes the Service Provider to begin winter maintenance services, subject to the terms and conditions of this Agreement if executed, or otherwise the version of this Agreement most recently provided to the Service Provider. If the Service Provider receives an emergency winter maintenance services letter from the District Executive, PennDOT shall pay the Service Provider's costs incurred to service the state routes as a result of the onset of a winter weather emergency necessitating the provision of the services under this Agreement.

c. **Funding Adjustments.** PennDOT will adjust the encumbrance of funds to pay Service Provider upon the computation of the annual payment, amendments to Snow Lane Miles and payment adjustments described in this Section of the Agreement.

8. **Relationship of the Parties.** The Service Provider undertakes the responsibilities as an independent contractor and its principals, employees, lessors or contractors, or any other person or entity acting on behalf of Service Provider, shall not be considered employees of PennDOT for any purpose.

9. **Termination for Cause by PennDOT.** If the Service Provider fails to comply with the terms of this Agreement, PennDOT may terminate the Agreement upon giving ten (10) days written notice to the Service Provider. PennDOT may allow a Service Provider to cure any performance deficiencies or failures to comply with the terms of this Agreement prior to termination. Ten days' notice or a cure period may be withheld by PennDOT, in its discretion, when an event of default warrants immediate action necessary to protect the health, safety and welfare of the motoring public. If the

Agreement is terminated for cause, then PennDOT shall not be obligated to pay any amount of money to the Service Provider. If termination for cause is later determined to be invalid or unwarranted, the termination for cause shall be considered to be a termination for convenience.

10. **Termination for Convenience by PennDOT.** PennDOT reserves the right to terminate this Agreement for convenience, effective immediately upon issuance of a letter to the Service Provider, if it determines that termination is in the best interests of PennDOT.

11. **Payment Adjustments after Termination.** If the Agreement is terminated for cause or convenience after an annual payment to Service Provider for which services have not been rendered, the Service Provider shall reimburse PennDOT for any such annual payment for which services have not been rendered. PennDOT will invoice Service Provider and Service Provider shall pay PennDOT within 30 days of the effective date of the termination of this Agreement. Only in the case of termination for convenience, will Service Provider be able to retain the pro rata portion of the annual payment Service Provider would have received pursuant to this Agreement up to the effective date of termination. For clarification, the pro rata adjustment under this section shall equal the total amount that Service Provider would have received for the full Winter Season multiplied by the total number of days from the start of the Winter Season through the date when termination is effective divided the total number of days in the full Winter Season. If Service Provider receives annual County or Municipal Liquid Fuels Fund allocations, PennDOT reserves the right, and Service Provider agrees, that PennDOT may withhold future allocations of such funds to collect any unpaid balances owed to PennDOT beyond 60 days of the effective date of termination.

12. **Required Commonwealth Provisions.** The Service Provider shall comply with the following required Commonwealth Provisions. As used in these provisions, "Contractor" refers to the Service Provider:

- a. **Right-to-Know Law Provisions.** The current version of the Contract Provisions—Right to Know Law, attached to and made part of this Agreement as Exhibit B;
- b. **Commonwealth Nondiscrimination/Sexual Harassment Clause.** The current version of the Commonwealth Nondiscrimination/Sexual Harassment Clause, which is attached to and made part of this Agreement as Exhibit C;
- c. **Contractor Integrity Provisions.** The current version of the Contractor Integrity Provisions, which are attached to and made part of this Agreement as Exhibit D;

- d. **Americans with Disabilities Act.** The current version of the Commonwealth Provisions Concerning the Americans with Disabilities Act, which are attached to and made part of this Agreement as Exhibit E;
- e. **Contractor Responsibility Provisions.** The current version of the Commonwealth Contractor Responsibility Provisions, which are attached to and made part of this Agreement as Exhibit F; and,
- f. **Enhanced Minimum Wage Provisions.** The current version of the Enhanced Minimum Wage Provisions, which are attached to and made part of this Agreement as Exhibit G.

13. **Offset Provision.** The Service Provider agrees that the Commonwealth of Pennsylvania (Commonwealth), including PennDOT, may set off the amount of any state tax liability or other obligation of the Service Provider or its subsidiaries to the Commonwealth against any payments due the Service Provider under any contract with the Commonwealth.

14. **Automated Clearing House Network Provisions.**

- a. The Commonwealth will make payments to the Service Provider through the Automated Clearing House (“ACH”) Network. Within 10 days of the execution of this Agreement, the Service Provider must submit or must have already submitted its ACH information in the Commonwealth’s Master Database. The Service Provider will also be able to enroll to receive remittance information via electronic addenda and email (e-Remittance). ACH and e-Remittance information is available at <https://www.budget.pa.gov/Services/ForVendors/Pages/Direct-Deposit-and-e-Remittance.aspx>.
- b. The Service Provider must submit a unique invoice number with each invoice submitted. The unique invoice number will be listed on the Commonwealth’s ACH remittance advice to enable the Service Provider to properly apply the state agency’s payment to the respective invoice or program.
- c. It is the responsibility of the Service Provider to ensure that the ACH information contained in the Commonwealth’s Master Database is accurate and complete. Failure to maintain accurate and complete information may result in delays in payments.

15. **Audit and Maintenance of Records.** PennDOT and other agencies of the Commonwealth of Pennsylvania may, at reasonable times and places, audit the books and records of the Service Provider to the extent that they relate to the Service Provider's performance of this Agreement and the costs incurred by the Service Provider in providing services under it. The Service Provider shall maintain the books and records for a period of three (3) years from the date of final payment under the Agreement, including all renewals.

16. **Choice of Law.** This Agreement shall be governed by and interpreted and enforced in accordance with the laws of the Commonwealth of Pennsylvania and the decisions of Pennsylvania courts. The Service Provider consents to the jurisdiction of any court of the Commonwealth of Pennsylvania and any federal courts in Pennsylvania, waiving any claim or defense that such forum is not convenient or proper. The Service Provider agrees that any such court shall have in personam jurisdiction over it and consents to service of process in any manner authorized by Pennsylvania law.

17. **Liability.** The Service Provider is performing this Agreement as an independent contractor and its officials, employees and contractors shall not be considered employees of PennDOT or the Commonwealth of Pennsylvania for any purpose. This Agreement shall be considered a maintenance contract between a Commonwealth agency and a local agency for purposes of 42 Pa. C.S. § 8542(b)(6)(ii), relating to acts which may impose liability on local agencies. Further, this Agreement shall not be construed for the benefit of any person or political subdivision not a party to this Agreement, nor shall this Agreement be construed to authorize any person or political subdivision not a party to this Agreement to maintain a lawsuit on or under this Agreement.

18. **Amendments and Modifications.** Except for the Snow Lane Mile and Payment Adjustments provided for above via letter, amendments to this Agreement shall be accomplished through a formal written document signed by the parties with the same formality as this Agreement.

19. **Strategic Environmental Management Program ("SEMP").** PennDOT has implemented a SEMP. As part of SEMP, PennDOT has established a Green Plan Policy that can be found on PennDOT's website and is also posted at PennDOT's District and County Offices. The Green Plan Policy is designed to protect the environment, conserve resources and comply with environmental laws and regulations. The Service Provider shall ensure that they have reviewed and are familiar with the SEMP and PennDOT's Green Plan Policy available on PennDOT's website.

20. **Titles not Controlling.** Titles of sections are for reference only and shall not be used to construe the language in this Agreement.

21. **Severability.** The provisions of this Agreement shall be severable. If any phrase, clause, sentence or provision of this Agreement is declared to be contrary to the Constitution of Pennsylvania or of the United States or of the laws of the Commonwealth the applicability thereof to any government, agency, person or circumstance is held invalid, the validity of the remainder of this Agreement and the applicability thereof to any government, agency, person or circumstance shall not be affected thereby.

22. **No Waiver.** Either party may elect not to enforce its rights and remedies under this Agreement in the event of a breach by the other party of any term or condition of this Agreement. In any event, the failure by either party to enforce its rights and remedies under this Agreement shall not be construed as a waiver of any subsequent breach of the same or any other term or condition of this Agreement.

23. **Assignment.** This Agreement may not be assigned by the Service Provider, either in whole or in part, without the written consent of PennDOT.

24. **Third-Party Beneficiary Rights.** The parties to this Agreement understand that this Agreement does not create or intend to confer any rights in person or on persons or entities not a party to this Agreement.

25. **Notices.** All notices and reports arising out of, or from, the provisions of this Agreement shall be in writing and given to the parties at the address provided under this Agreement, either by regular mail, facsimile, e-mail, or delivery in person:

If to PennDOT:

Name or Title: Stephen Lantz
Address: 7000 Geerdes Boulevard
King of Prussia, PA 19406
Fax Number:
Email Address: stelantz@pa.gov

If to the Service Provider:

Name or Title: Assistant Township Manager
Address: 1014 Darby Road
Havertown, PA 19083
Fax Number:
Email Address: acuthbertson@havtwp.org

26. **Integration and Merger.** This Agreement, when executed, approved and delivered, shall constitute the final, complete and exclusive Agreement between the parties containing all the terms and conditions agreed on by the parties. All representations, understandings, promises and agreements pertaining to the subject matter of this Agreement made prior to or at the time this Agreement is executed are

superseded by this Agreement unless specifically accepted by any other term or provision of this Agreement. There are no conditions precedent to the performance of this Agreement except as expressly set forth herein.

[Remainder of this page is intentionally left blank.]

The parties have executed this Agreement to be effective as of the date of the last signature affixed below.

Contract Provisions – Right to Know Law

- a. The Pennsylvania Right-to-Know Law, 65 P.S. §§ 67.101-3104, (“RTKL”) applies to this Contract. For the purpose of these provisions, the term “the Commonwealth” shall refer to the contracting Commonwealth agency.
- b. If the Commonwealth needs the Contractor’s assistance in any matter arising out of the RTKL related to this Contract, it shall notify the Contractor using the legal contact information provided in this Contract. The Contractor, at any time, may designate a different contact for such purpose upon reasonable prior written notice to the Commonwealth.
- c. Upon written notification from the Commonwealth that it requires the Contractor’s assistance in responding to a request under the RTKL for information related to this Contract that may be in the Contractor’s possession, constituting, or alleged to constitute, a public record in accordance with the RTKL (“Requested Information”), the Contractor shall:
 1. Provide the Commonwealth, within ten (10) calendar days after receipt of written notification, access to, and copies of, any document or information in the Contractor’s possession arising out of this Contract that the Commonwealth reasonably believes is Requested Information and may be a public record under the RTKL; and
 2. Provide such other assistance as the Commonwealth may reasonably request, in order to comply with the RTKL with respect to this Contract.
- d. If the Contractor considers the Requested Information to include a request for a Trade Secret or Confidential Proprietary Information, as those terms are defined by the RTKL, or other information that the Contractor considers exempt from production under the RTKL, the Contractor must notify the Commonwealth and provide, within seven (7) calendar days of receiving the written notification, a written statement signed by a representative of the Contractor explaining why the requested material is exempt from public disclosure under the RTKL.
- e. The Commonwealth will rely upon the written statement from the Contractor in denying a RTKL request for the Requested Information unless the Commonwealth determines that the Requested Information is clearly not protected from disclosure under the RTKL. Should the Commonwealth determine that the Requested Information is clearly not exempt from disclosure, the Contractor shall provide the Requested Information within five (5) business days of receipt of written notification of the Commonwealth’s determination.
- f. If the Contractor fails to provide the Requested Information within the time period required by these provisions, the Contractor shall indemnify and hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor’s failure, including any statutory damages assessed against the Commonwealth.

EXHIBIT B

g. The Commonwealth will reimburse the Contractor for any costs associated with complying with these provisions only to the extent allowed under the fee schedule established by the Office of Open Records or as otherwise provided by the RTKL if the fee schedule is inapplicable.

h. The Contractor may file a legal challenge to any Commonwealth decision to release a record to the public with the Office of Open Records, or in the Pennsylvania Courts, however, the Contractor shall indemnify the Commonwealth for any legal expenses incurred by the Commonwealth as a result of such a challenge and shall hold the Commonwealth harmless for any damages, penalties, costs, detriment or harm that the Commonwealth may incur as a result of the Contractor's failure, including any statutory damages assessed against the Commonwealth, regardless of the outcome of such legal challenge. As between the parties, the Contractor agrees to waive all rights or remedies that may be available to it as a result of the Commonwealth's disclosure of Requested Information pursuant to the RTKL.

i. The Contractor's duties relating to the RTKL are continuing duties that survive the expiration of this Contract and shall continue as long as the Contractor has Requested Information in its possession.

EXHIBIT B

NONDISCRIMINATION/SEXUAL HARASSMENT CLAUSE [Contracts]

The Contractor agrees:

- 1.** In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the Contractor, each subcontractor, or any person acting on behalf of the Contractor or subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the *Pennsylvania Human Relations Act* (PHRA) and applicable federal laws, against any citizen of this commonwealth who is qualified and available to perform the work to which the employment relates.
- 2.** Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, against or intimidate any employee involved in the manufacture of supplies, the performance of work, or any other activity required under the contract.
- 3.** Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of the PHRA and applicable federal laws, in the provision of services under the contract.
- 4.** Neither the Contractor nor any subcontractor nor any person on their behalf shall in any manner discriminate against employees by reason of participation in or decision to refrain from participating in labor activities protected under the *Public Employee Relations Act*, *Pennsylvania Labor Relations Act* or *National Labor Relations Act*, as applicable and to the extent determined by entities charged with such Acts' enforcement, and shall comply with any provision of law establishing organizations as employees' exclusive representatives.
- 5.** The Contractor and each subcontractor shall establish and maintain a written nondiscrimination and sexual harassment policy and shall inform their employees in writing of the policy. The policy must contain a provision that sexual harassment will not be tolerated and employees who practice it will be disciplined. Posting this Nondiscrimination/Sexual Harassment Clause conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contracted services are performed shall satisfy this requirement for employees with an established work site.
- 6.** The Contractor and each subcontractor shall not discriminate by reason of race, gender, creed, color, sexual orientation, gender identity or expression, or in violation of PHRA and applicable federal laws, against any subcontractor or supplier who is qualified to perform the work to which the contract relates.
- 7.** The Contractor and each subcontractor represents that it is presently in compliance with and will maintain compliance with all applicable federal, state, and local laws, regulations and policies relating to nondiscrimination and sexual harassment. The Contractor and each subcontractor further represents that it has filed a Standard Form 100 Employer Information Report ("EEO-1") with the U.S. Equal Employment

Exhibit C

Opportunity Commission ("EEOC") and shall file an annual EEO-1 report with the EEOC as required for employers' subject to *Title VII of the Civil Rights Act of 1964*, as amended, that have 100 or more employees and employers that have federal government contracts or first-tier subcontracts and have 50 or more employees. The Contractor and each subcontractor shall, upon request and within the time periods requested by the commonwealth, furnish all necessary employment documents and records, including EEO-1 reports, and permit access to their books, records, and accounts by the contracting agency and the Bureau of Diversity, Inclusion and Small Business Opportunities for purpose of ascertaining compliance with provisions of this Nondiscrimination/Sexual Harassment Clause.

- 8.** The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that those provisions applicable to subcontractors will be binding upon each subcontractor.
- 9.** The Contractor's and each subcontractor's obligations pursuant to these provisions are ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor and each subcontractor shall have an obligation to inform the commonwealth if, at any time during the term of the contract, it becomes aware of any actions or occurrences that would result in violation of these provisions.
- 10.** The commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

Exhibit C

CONTRACTOR INTEGRITY PROVISIONS

It is essential that those who seek to contract with the Commonwealth of Pennsylvania ("Commonwealth") observe high standards of honesty and integrity. They must conduct themselves in a manner that fosters public confidence in the integrity of the Commonwealth contracting and procurement process.

1. **DEFINITIONS.** For purposes of these Contractor Integrity Provisions, the following terms shall have the meanings found in this Section:
 - a. **"Affiliate"** means two or more entities where (a) a parent entity owns more than fifty percent of the voting stock of each of the entities; or (b) a common shareholder or group of shareholders owns more than fifty percent of the voting stock of each of the entities; or (c) the entities have a common proprietor or general partner.
 - b. **"Consent"** means written permission signed by a duly authorized officer or employee of the Commonwealth, provided that where the material facts have been disclosed, in writing, by prequalification, bid, proposal, or contractual terms, the Commonwealth shall be deemed to have consented by virtue of the execution of this contract.
 - c. **"Contractor"** means the individual or entity, that has entered into this contract with the Commonwealth.
 - d. **"Contractor Related Parties"** means any affiliates of the Contractor and the Contractor's executive officers, Pennsylvania officers and directors, or owners of 5 percent or more interest in the Contractor.
 - e. **"Financial Interest"** means either:
 - (1) Ownership of more than a five percent interest in any business; or
 - (2) Holding a position as an officer, director, trustee, partner, employee, or holding any position of management.
 - f. **"Gratuity"** means tendering, giving, or providing anything of more than nominal monetary value including, but not limited to, cash, travel, entertainment, gifts, meals, lodging, loans, subscriptions, advances, deposits of money, services, employment, or contracts of any kind. The exceptions set forth in the [*Governor's Code of Conduct, Executive Order 1980-18*](#), the *4 Pa. Code §7.153(b)*, shall apply.
 - g. **"Non-bid Basis"** means a contract awarded or executed by the Commonwealth with Contractor without seeking bids or proposals from any other potential bidder or offeror.
2. In furtherance of this policy, Contractor agrees to the following:
 - a. Contractor shall maintain the highest standards of honesty and integrity during the performance of this contract and shall take no action in violation of state or federal laws or regulations or any other applicable laws or regulations, or other requirements applicable to Contractor or that govern contracting or procurement with the Commonwealth.

- b.** Contractor shall establish and implement a written business integrity policy, which includes, at a minimum, the requirements of these provisions as they relate to the Contractor activity with the Commonwealth and Commonwealth employees and which is made known to all Contractor employees. Posting these Contractor Integrity Provisions conspicuously in easily-accessible and well-lighted places customarily frequented by employees and at or near where the contract services are performed shall satisfy this requirement.
- c.** Contractor, its affiliates, agents, employees and anyone in privity with Contractor shall not accept, agree to give, offer, confer, or agree to confer or promise to confer, directly or indirectly, any gratuity or pecuniary benefit to any person, or to influence or attempt to influence any person in violation of any federal or state law, regulation, executive order of the Governor of Pennsylvania, statement of policy, management directive or any other published standard of the Commonwealth in connection with performance of work under this contract, except as provided in this contract.
- d.** Contractor shall not have a financial interest in any other contractor, subcontractor, or supplier providing services, labor, or material under this contract, unless the financial interest is disclosed to the Commonwealth in writing and the Commonwealth consents to Contractor's financial interest prior to Commonwealth execution of the contract. Contractor shall disclose the financial interest to the Commonwealth at the time of bid or proposal submission, or if no bids or proposals are solicited, no later than Contractor's submission of the contract signed by Contractor.
- e.** Contractor certifies to the best of its knowledge and belief that within the last five (5) years Contractor or Contractor Related Parties have not:
 - (1)** been indicted or convicted of a crime involving moral turpitude or business honesty or integrity in any jurisdiction;
 - (2)** been suspended, debarred or otherwise disqualified from entering into any contract with any governmental agency;
 - (3)** had any business license or professional license suspended or revoked;
 - (4)** had any sanction or finding of fact imposed as a result of a judicial or administrative proceeding related to fraud, extortion, bribery, bid rigging, embezzlement, misrepresentation or anti-trust; and
 - (5)** been, and is not currently, the subject of a criminal investigation by any federal, state or local prosecuting or investigative agency and/or civil anti-trust investigation by any federal, state or local prosecuting or investigative agency.

If Contractor cannot so certify to the above, then it must submit along with its bid, proposal or contract a written explanation of why such certification cannot be made and the Commonwealth will determine whether a contract may be entered into with the Contractor. The Contractor's obligation pursuant to this certification is ongoing from and after the effective date of the contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to immediately notify the Commonwealth in writing if at any time during the term of the contract if becomes aware of any event which would cause the Contractor's certification or explanation to change. Contractor acknowledges that the Commonwealth may, in its sole discretion, terminate the contract for cause if it learns that any of the certifications made herein are currently false due to intervening factual circumstances or were false or should have been known to be false when entering into the contract.

Exhibit D

- f.** Contractor shall comply with the requirements of the *Lobbying Disclosure Act (65 Pa.C.S. §13A01 et seq.)* regardless of the method of award. If this contract was awarded on a Non-bid Basis, Contractor must also comply with the requirements of the *Section 1641 of the Pennsylvania Election Code (25 P.S. §3260a)*.
- g.** When Contractor has reason to believe that any breach of ethical standards as set forth in law, the Governor’s Code of Conduct, or these Contractor Integrity Provisions has occurred or may occur, including but not limited to contact by a Commonwealth officer or employee which, if acted upon, would violate such ethical standards, Contractor shall immediately notify the Commonwealth contracting officer or the Office of the State Inspector General in writing.
- h.** Contractor, by submission of its bid or proposal and/or execution of this contract and by the submission of any bills, invoices or requests for payment pursuant to the contract, certifies and represents that it has not violated any of these Contractor Integrity Provisions in connection with the submission of the bid or proposal, during any contract negotiations or during the term of the contract, to include any extensions thereof. Contractor shall immediately notify the Commonwealth in writing of any actions for occurrences that would result in a violation of these Contractor Integrity Provisions. Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of the State Inspector General for investigations of the Contractor’s compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the Contractor. Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor’s suspension or debarment.
- i.** Contractor shall cooperate with the Office of the State Inspector General in its investigation of any alleged Commonwealth agency or employee breach of ethical standards and any alleged Contractor non-compliance with these Contractor Integrity Provisions. Contractor agrees to make identified Contractor employees available for interviews at reasonable times and places. Contractor, upon the inquiry or request of an Inspector General, shall provide, or if appropriate, make promptly available for inspection or copying, any information of any type or form deemed relevant by the Office of the State Inspector General to Contractor's integrity and compliance with these provisions. Such information may include, but shall not be limited to, Contractor's business or financial records, documents or files of any type or form that refer to or concern this contract. Contractor shall incorporate this paragraph in any agreement, contract or subcontract it enters into in the course of the performance of this contract/agreement solely for the purpose of obtaining subcontractor compliance with this provision. The incorporation of this provision in a subcontract shall not create privity of contract between the Commonwealth and any such subcontractor, and no third party beneficiaries shall be created thereby.
- j.** For violation of any of these Contractor Integrity Provisions, the Commonwealth may terminate this and any other contract with Contractor, claim liquidated damages in an amount equal to the value of anything received in breach of these Provisions, claim damages for all additional costs and expenses incurred in obtaining another contractor to complete performance under this contract, and debar and suspend Contractor from doing business with the Commonwealth. These rights and remedies are cumulative, and the use or non-use of any one shall not preclude the use of all or any other. These rights and remedies are in addition to those the Commonwealth may have under law, statute, regulation, or otherwise.

PROVISIONS CONCERNING THE *AMERICANS WITH DISABILITIES ACT*

For the purpose of these provisions, the term contractor is defined as any person, including, but not limited to, a bidder, offeror, supplier, or grantee, who will furnish or perform or seeks to furnish or perform, goods, supplies, services, construction or other activity, under a purchase order, contract, or grant with the Commonwealth of Pennsylvania (Commonwealth).

During the term of this agreement, the contractor agrees as follows:

1. Pursuant to federal regulations promulgated under the authority of the *Americans with Disabilities Act*, 28 C. F. R. § 35.101 et seq., the contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this agreement or from activities provided for under this agreement. As a condition of accepting and executing this agreement, the contractor agrees to comply with the "General Prohibitions Against Discrimination," 28 C. F. R. § 35.130, and all other regulations promulgated under Title II of the *Americans with Disabilities Act* which are applicable to the benefits, services, programs, and activities provided by the Commonwealth through contracts with outside contractors.
2. The contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth from all losses, damages, expenses, claims, demands, suits, and actions brought by any party against the Commonwealth as a result of the contractor's failure to comply with the provisions of paragraph 1.

EXHIBIT E

Contractor Responsibility Provisions

(December 2020)

For the purpose of these provisions, the term Contractor is defined as any person, including, but not limited to, a bidder, offeror, loan recipient, grantee or lessor, who has furnished or performed or seeks to furnish or perform, goods, supplies, services, leased space, construction or other activity, under a contract, grant, lease, purchase order or reimbursement agreement with the Commonwealth of Pennsylvania (Commonwealth). The term Contractor includes a permittee, licensee, or any agency, political subdivision, instrumentality, public authority, or other public entity in the Commonwealth.

- 1.** The Contractor certifies, in writing, for itself and its subcontractors required to be disclosed or approved by the Commonwealth, that as of the date of its execution of this Bid/Contract, that neither the Contractor, nor any such subcontractors, are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid/Contract, a written explanation of why such certification cannot be made.
- 2.** The Contractor also certifies, in writing, that as of the date of its execution of this Bid/Contract it has no tax liabilities or other Commonwealth obligations, or has filed a timely administrative or judicial appeal if such liabilities or obligations exist, or is subject to a duly approved deferred payment plan if such liabilities exist.
- 3.** The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or, to the best knowledge of the Contractor, any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within 15 days of the date of suspension or debarment.
- 4.** The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state, or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- 5.** The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth that results in the suspension or debarment of the contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- 6.** The Contractor may search the current list of suspended and debarred Commonwealth contractors by visiting the eMarketplace website at <http://www.emarketplace.state.pa.us> and clicking the Debarment List tab.

Exhibit F

Enhanced Minimum Wage Provisions (July 2022)

- 1. Enhanced Minimum Wage.** Contractor/Lessor agrees to pay no less than \$15.00 per hour to its employees for all hours worked directly performing the services called for in this Contract/Lease, and for an employee's hours performing ancillary services necessary for the performance of the contracted services or lease when such employee spends at least twenty per cent (20%) of their time performing ancillary services in a given work week.
- 2. Adjustment.** Beginning July 1, 2023, and annually thereafter, the minimum wage rate shall be increased by an annual cost-of-living adjustment using the percentage change in the Consumer Price Index for All Urban Consumers (CPI-U) for Pennsylvania, New Jersey, Delaware, and Maryland. The applicable adjusted amount shall be published in the Pennsylvania Bulletin by March 1 of each year to be effective the following July 1.
- 3. Exceptions.** These Enhanced Minimum Wage Provisions shall not apply to employees:
 - a. exempt from the minimum wage under the Minimum Wage Act of 1968;
 - b. covered by a collective bargaining agreement;
 - c. required to be paid a higher wage under another state or federal law governing the services, including the Prevailing Wage Act and Davis-Bacon Act; or
 - d. required to be paid a higher wage under any state or local policy or ordinance.
- 4. Notice.** Contractor/Lessor shall post these Enhanced Minimum Wage Provisions for the entire period of the contract conspicuously in easily-accessible and well-lighted places customarily frequented by employees at or near where the contracted services are performed.
- 5. Records.** Contractor/Lessor must maintain and, upon request and within the time periods requested by the Commonwealth, furnish all employment and wage records necessary to document compliance with these Enhanced Minimum Wage Provisions.
- 6. Sanctions.** Failure to comply with these Enhanced Minimum Wage Provisions may result in the imposition of sanctions, which may include, but shall not be limited to, termination of the contract or lease, nonpayment, debarment or referral to the Office of General Counsel for appropriate civil or criminal referral.
- 7. Subcontractors.** Contractor/Lessor shall include the provisions of these Enhanced Minimum Wage Provisions in every subcontract so that these provisions will be binding upon each subcontractor.

Township of Haverford

Resolution Number 2381-2024

American Rescue Plan Act

Coronavirus Local Fiscal Recovery Fund

Darby Creek Invasive Species Project

(Formatted for Accessibility)

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million;

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to invest in public health improvements, economic recovery and development, services to disproportionately affected communities, and general government services, among other allowable purposes; and,

Whereas, the Board of Commissioners desires to make improvements and financial investments in Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

Award contract to Weeds, Inc. for invasive species treatment/removal along Darby Creek for a total funding allocation of \$12,599. This work supports the ongoing restoration and beautification efforts following the Township's stream corridors.

Now, therefore, be it resolved, that the Board of Commissioners of Haverford Township hereby approves the use of funds from the Township's American Rescue Plan Fund allocation for the above referenced projects and initiatives.

Resolved this 10th day of June, 2024.

Infrastructure Projects

(Formatted for Accessibility)

Whereas, the Preliminary / Final Minor Subdivision / Reverse Subdivision for Dzine Properties, LLC, 225 & 233 Hasting Avenue, Havertown, PA, Delaware County, known as D.C. Folio Nos. 22-03-01180-00 and 22-03-01182-00 have been submitted to subdivide and reverse subdivide the existing two properties with a total of 18,750 square feet into four lots having 6,250 square feet each. Lot 2 is proposed to have future residential development. The properties are zoned R-6 Medium Density Residential District, and are located in the 3rd Ward. The aforesaid plans were prepared by H. Gilroy Damon Associates, Inc., Sharon Hill, PA, latest plan revision dated May 13, 2024; and

Whereas, the Zoning Hearing Board of Haverford Township at the public meeting of Thursday, April 4, 2024, did grant a variance from Section 182-713.B to allow the formation of a lot with an existing building having a non-conforming front yard setback of 16.07 feet; and

Whereas, the Planning Commission of Haverford Township at the public meeting of Thursday, May 9, 2024, did vote to recommend approval of the plans subject to the comments contained within the January 4, 2024 review letter prepared by Pennoni Associates and that the conditions of the Zoning Hearing Board decision from April 4, 2024 were included on the plan; and

Whereas, said plans have been submitted before the Board of Commissioners of the Township of Haverford for consideration in accordance with the Pennsylvania Municipalities Planning Code, Act 247, as amended, and pursuant to the Haverford Township Subdivision and Land Development Regulations, Ordinance 1960, Chapter 160, Sections 4. A and B.

Now, therefore be it resolved by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, that the recommendations and findings of the Planning Commission are hereby adopted and the Preliminary / Final Minor Subdivision/ Reverse Subdivision for Dzine Properties, LLC, 225 & 233 Hastings Avenue, Havertown Township, Delaware County, dated May 13, 2024, is approved subject to compliance with the recommendations described hereinabove.

Haverford Township Department Memorandum

Special Projects Coordinator Department

Date: May 21, 2024

To: David R. Burman, Township Manager

From: Alexis De Santi, Special Projects Coordinator

Subject: Darby Creek Invasive Species Project

(Formatted for Accessibility)

In conjunction with the restoration efforts happening all along Darby Creek, work in the heavily invaded sites near Jack McDonald Memorial Field is proposed. The work would include a split application of herbicide, the first in August and the second in September/October. It is expected that 70-80% control will be reached with these two applications. After treatment, we recommend a wild native seed mix be spread in the fall to limit invasive regrowth, beautify the area, and provide beneficial habitat and food for wildlife.

We recommend award of a contract for invasive species removal to Weeds, Inc. in the amount of \$12,599 to be funded through American Rescue Plan Act monies.

If you have any questions, please do not hesitate to contact me.

Havertown, PA 19083

2024 REVISED PROPOSAL – Darby Creek Invasive Project

The best way to control the invasives in the area is with a split application of Aquaneat, Triclopyr 3, Escort, MSO, and Bullseye. The first application will be applied in late August 2024 and the second application in late September/early October 2024. This application will control most of the invasive weeds and brush. You should expect 70% - 80% control with the two applications.

Cost: \$6,299.50 per application = \$12,599.00 for the 2 applications

If you would like to accept this proposal, please sign and return.

Please contact me with any questions.

If there are any questions, I will be on hand for the Board of Commissioner work session on Monday, June 3, 2024.

(Formatted for Accessibility)

Top-A-Court LLC proposal 4-30-24-1

Brian, please find our recommendations for the tennis and basketball courts that you are looking to maintain and beautify/resurface.

These prices are including prevailing wages for all the work. I will send some additional pictures of jobs fyi for some ideas, color schemes, processes of how we conduct our work, install the best (better) materials in our industry, and hopefully the jobs that we install (color coating wise) last 50% to 100% longer than some others giving you the best overall value over a longer period of use for these jobs.

Let us know if you would like to pursue as it will take me a day to put all the specifications together for all this.

Grasslyn Park Two Tennis Courts 1440 sq. yds.

The overall asphalt structure is in good shape. There are very few cracks and only a few small birdbaths. The color coating is essentially worn completely away, exposing the bare asphalt. The courts need to be pressure washed, after which any small issues could be patched and sanded. One coat of Acrylic resurfacer and two coats of color coating with lines will refurbish these courts.

~~\$23,760.00~~

Total fence replacement: There is a separation between the fence and the asphalt edge as this will still be the case as it has been overlaid several times. Replacing the existing tennis court fence with new 10' high black chain link fence around the four side of the courts, removing and disposing of existing materials, a top rail, bottom rail, and brace rail, 1'- high, 1 3/4', 8gauge, fused, tennis court fabric and two 4' wide gate swings. The fence is approximately 100' x 120' and four sided. Existing post to be cut off just above ground and new posts sleeved and welded in to the existing footings. The top and bottom rails will be installed, along with the new 10' high black fabric. The gate will be installed overhead gate braces installed above the gates.

~~\$32,603.00~~

Grasslyn Basketball Court 400 sq yds.

The asphalt surface is cracking, having reached its useful life. The surface has many structural cracks and has some planarity issues.

There are no coatings on the court other than playing lines.

We will laser pave a minimum of a 2" overlay to correct the cracking and planarity issues. We will install and compact using 3 ton vibratory steam rollers. At that time the Basketball standards and backboards also should be upgraded. (township will decide what to do as this is not in the contract as of yet)

Two coats of Acrylic Resurfacer and 2 coats of color coating

~~\$45,527.00~~

Ellwell Field Two Tennis Courts 1440 sq. yds.

The asphalt structure is in decent shape. There are 5-6 puddled areas along with some structural cracks. In addition there are some areas that are cracking due to the asphalt beginning to fail with age. The courts require pressure washing, Patching and sanding and fiberglass. The edge of the asphalt is also falling away and should be filled in.

The color coating is completely worn away. Two coats of Acrylic resurfacer and 2 coats of color coating

~~\$28,060.00~~

Total fence replacement: There is a separation between the fence and the asphalt edge as this will still be the case as it has been overlaid several times. Replacing the existing tennis court fence with new 10' high black chain link fence around the four side of the courts, removing and disposing of existing materials, a top rail, bottom rail, and brace rail, 1-4' high, 1 3/4', 8gauge, fused, tennis court fabric and two 4' wide gate swings. The fence is approximately 100' x 120' and four sided. Existing post to be cut off jus above ground n new posts sleeved and welded in to the existing footings. The top and bottom rails will be installed, along with the new 10' high black fabric. The gate will be installed overhead gate braces installed above the gates.

\$32,603.00

approximately 100' x 120' and four sided. Existing post to be cut off jus above ground n new posts sleeved and welded in to the existing footings. The top and bottom rails will be installed, along with the new 10' high black fabric. The gate will be installed overhead gate braces installed above the gates.

\$32,603.00

Grange Field/Park basketball

Newly paved basketball court . Two coats of Acrylic resurfacer and 2 coats of color coating and lines for baskeball court. 90' x100'

\$13,400.

Specifications for stonedust overlay paving, color coating existing colored courts, color coating new asphalt:

Complete rebuilding of courts utilizing the stone dust overlay method, Creating multi use and basketball court.

Specifications:

1. Site will be created with access to court access, when job is completed access will be removed and finished landscaped like it was before. All existing fencing and concrete footers will be removed and discarded. All cracks will be cleaned out using a small jackhammer and air blown clean. We will initially fill in all with screenings and vibro-plate into structural cracks.

2. Entire surface approximately having 1350 total square yards will be fine cleaned and loose debris will be removed. We will install and compact 1" of screenings directly over the courts to correct the surface undulations and to buffer and prevent reflective cracking through the new surface. The screenings will be installed with an automated laser guided grader box that will grade stone to within 1/4" of our wanted .0833% slope. Court will receive a 2 inch course of binder Asphalt Base, a fine ID2Mix asphalt and a 1.5 inch course of asphalt after compaction. Asphalt will be installed with a laser state of the art paving unit equipped with laser sensors for grade control during installation. Court will be rolled with a four-ton steam finish roller. Check for surface smoothness using 10' straightedge. No variation greater than 1/8". Existing in place fence will be edged with an aluminum edging that will consist of a angled aluminum edge 4.5" high and angled 90 degrees by 5" and pinned into existing asphalt (to create a clean edge and not paving fence fabric into asphalt to allow for ease of replacement of fencing at a future time).

3. After newly paved surface cures for 30 days we will install either Laykold color coating system which will entail: two applications of acrylic resurfacer, (any areas holding water (thicker than a nickel) will be patched with court patch binder), two applications of fortified acrylic colorized filler coats (in color(s) of your choice). Two applications of 2 inch white game lines will be applied in accordance with high school basketball specifications. We will also install a few more games like 4 square, hopscotch, dodgeball etc.

Color coating:

Description of project:

Cleaning, sanding, repairing installing Armor Crack repair, patching puddles, application of new color coating and lines.

Specifications:

1. Entire asphalt surface will be pressure washed using a 4000 P.S.I. Gasoline pressure washer. We will use a whil-a-way cleaner to assure the bonding of the new acrylic surface to the existing. Existing depressions, dipped paving seams (roughly 10 areas) and cracks will be filled in with Court patch acrylic deep patch compound. Once cured we will grind material smooth and feather out to existing surface grade. We will also address high areas on surface and taper down gradually using this same leveling agent. Once all puddles are filled in and negated to at least a nickel's thickness, all patched areas will initially receive an application of acrylic resurfacer to further conceal all repairs made.

2. We will hand scrap and blow all loose debris off the existing surface using a mechanical blower and hand scrappers. We will grind all raise cracks on surface with mechanical grinder. Armor crack repair system on structural cracks: Only an approved contractor (by Armor Crack

System) shall apply the Armor Crack Repair System. All areas receiving this repair will first have the following done for preparation of the cracks. All cracks will be filled in with a full depth acrylic filling compound, this should be at least 3" in depth and several crack fillings may be required to achieve this thicknesses (owner has the right to check these thickness of filling agent in the cracks, and if not totally filled in, will require to start all over again. Many crack filling jobs in the past only have 1/2" or less of a filling agent from the top surface down (as a backer rod is used, caulk, or other insufficient means of just covering the crack will not be good enough as long term it will not perform or hold up as well as a full depth fill). All areas receiving Armor Crack Repair system will also have to be patched over using a 18" foot straight edge with this same 100% acrylic patching material. This repair system must go over a truly even surface. All repairs will be ground smooth without any imperfections visible or to the touch; it must be integrated into the existing surface without any ridges, dips, raised areas, or any other blemishes.

3. All patched areas will initially receive an application of acrylic resurfacer to further conceal all repairs made. Surface will then receive one application of acrylic resurfacer at a rate of .08/gallons per square yard for 1 application, while applying this material; attempt to further fill in all minor imperfections and create a more even and true playing surface. Surface will then receive two applications of fortified acrylic (colorized) filler coat at a rate of .10/ gallons per square yard for 2 applications and sand will be used in paint to give a medium playing surface (in colors of your choice, surface speed will be medium or average for USTA). Two applications of 2 inch white game lines will be applied in accordance with U.S.T.A. specifications. White lines will be cut in with respective paint to assure even crisp edges of all lines. We will paint the net posts and supply new heavy duty tidyfit net and center strap..Laykold coatings will be used. Court will have a two year warranty from any defects in products or workmanship. We cannot guarantee that any new surface cracks will not develop in areas not repaired by the Armor system.

Newly paved asphalt:

After newly paved surface cures for at least 28 days we will install the Laykolds® color coating system which will entail: two applications of acrylic resurfacer, (any areas holding water (thicker than a nickel) will be patched with court patch binder), two applications of fortified acrylic colorized filler coats (in color(s) of your choice). Two applications of 2 inch white game lines will be applied in accordance with U.S.T.A. specifications. We will cut in lines with respective colors and then apply the white line paint to assure even and crisp white lines. We will paint net posts, new tidy-fit tapered tennis net, and center anchor and strap.

Haverford Township Department Memorandum

Parks and Recreation Department

Date: May 24, 2024

To: David R. Burman, Township Manager

From: Brian Barrett, Director of Parks and Recreation

Subject: Basketball Backstops

Attached is the quote for 4 Jayprop Basketball Backstops to replace the backstops at Grasslyn and Hilltop.

The total is \$14,271.00 which includes \$1,615.00 shipping costs from General Recreation, Inc. The funding for this purchase will be with ARPA monies.

The purchase is made through COSTARS. The vendor's COSTARS # 122659

If there are any questions, I will be on hand for the Board of Commissioner work session June 3, 2024.

Dave Burman- Township Manager
Haverford Township
1014 Darby Rd.
Haverford, PA 19083

RE: Haverford Township Free Library Renovation & Addition Project- Construction Change Orders

Mr. Burman,

Below is a summary of change orders we have reviewed and are recommending for approval by the Board of Commissioners. There is an explanation of each change as well as the detailed back-up for the costs.

For **Rycon Construction** contract these change order requests total an add of **\$10,092.88 (Ten thousand ninety-two dollars & eighty-eight cents)** and will be part of a change order to their contract.

For **AJM Electric (Electrical)** contract these change order requests total an add of **\$5,174.83 (Five thousand one hundred seventy-four dollars & eighty-three cents)** and will be part of a change order to their contract.

Please let us know if you have any questions or comments.

Sincerely,

Kenneth C. Matthews

Kenneth C. Matthews
C.B. Development Services, Inc.

CC: Aimee Cuthbertson, Sukrit Goswami

Rycon Construction Change Request #17 for an add of \$3,690.75.

The cost included is for work associated with adding motorized window shades at the Living Room and Hub high windows in lieu of the manual shades called out on the contract documents. In review with the Library, it was determined that motorized shades were needed due to the height and accessibility of the windows in these rooms. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #23 for a credit of (\$8,297.87)

The cost included is for a credit back from recommendations made by Mark Sobeck & Associates (Roofing Consultant). In review of the contract documents, it was determined by Sobeck that the roofing cover board was not needed and that a higher psi insulation could be utilized for a more efficient/cost effective roofing system that resulted in a credit back. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #25 for an add of \$14,700.

The cost included is to provide custom finish paint match for the metal panels with the new windows. In review with the design team/contractor it was confirmed that a standard color was unavailable to compliment the window color and determined a custom match was needed. The cost submitted and attached for reference is fair and reasonable.

AJM Construction Change Request #6 for an add of \$5,174.83.

The cost included is to relocate the main electrical panels in the lower-level Mechanical Room. In review with the design team/contractors it was determined that the electrical panels were in the way of the new fire-service plumbing lines coming into the Mechanical Room as shown in the contract documents and had to be relocated. This cost includes an electrical disconnect now needed to locate the panels further away from the main building switchgear as they were previously adjacent to the gear. The cost submitted and attached for reference is fair and reasonable.

Haverford Township - Board of Commissioners

Meeting: Monday, July 08, 2024

Time: 7:00 p.m.

Location: Commissioners Meeting Room -1014 Darby Rd., Havertown PA, 19083

No speakers

4. Bureau of Fire Update presented by Commissioner Gondek

5. Township Auditor Update – Mr. Anderson was absent but did review the warrants and found no discrepancies. Mrs. Cuthbertson indicated that Mr. Anderson was meeting with her on Friday.

Township of Haverford

Ordinance No. P9-2024

(Formatted for Accessibility)

An ordinance of Haverford Township, Delaware County, Pennsylvania, amending chapter 130, peddling and soliciting, to establish permitted hours for commercial solicitation between 9 a.m. and 7 p.m. between October 1st and March 31st and between 9 a.m. and 8 p.m. Between April 1st and September 30th, to require an FBI background check for applicants, and to codify a “do not solicit” registry.

Whereas, the Home Rule Charter of the Township of Haverford (“Township”) authorizes the Board of Commissioners (“Board”) to make and adopt ordinances consistent with the Constitution and laws of this Commonwealth and with the Charter; and

Whereas, the Charter and the Pennsylvania First Class Township Code grants the Board the authority to adopt ordinances prescribing the manner in which powers of the Township shall be carried out; and

Whereas, Chapter 130 of the Code of Ordinances of Haverford Township (“Code”) contains, provisions regulating peddling, soliciting and canvassing in Haverford Township; and

Whereas, the current language in the Code establishing a “sundown” curfew for commercial peddling and soliciting has been declared unconstitutional by courts across the United States; and

Whereas, the Township desires to balance the protection required to be afforded to commercial speech with the best interests of the health, safety, and welfare of the residents of Haverford Township and their right to quiet enjoyment of their properties; and

Whereas, the Township desires to establish clear, definitive, and objective hours that door-to-door solicitors and peddlers know they are permitted to operate; and

Whereas, the Board of Commissioners desires to establish a curfew for commercial soliciting as the hours between 9:00 a.m. and 7:00 p.m. during the 6 months beginning October 1st and ending March 31st, and the hours between 9:00 a.m. and 8:00 p.m. during the months beginning April 1st and ending September 30st; and

Whereas, the hours of operation desired by the Township are identical to the curfew hours for commercial soliciting established under 52 Pa. Code § 111.9, Door-to-door sales, of the Pennsylvania Public Utility Code; and

Whereas, such hours of operation are intended to permit commercial activity during reasonable, daylight hours, yet still provide protections to residents and their families from disturbances during evening hours when residents and their family members may be sleeping; and

Whereas, the Township finds that such hours of operation will best prevent injuries to solicitors and peddlers unfamiliar with Township residents’ properties under the cover of darkness; and

Whereas, the Township finds that such hours of operation will best prevent disruption of quality family time, disruption of children's sleep schedules, and unexpected doorbell chimes or door knocking that may startle and frighten residents and their children and pets and create additional disruptions for neighbors; and

Whereas, such hours of solicitation are compatible with the typical work schedules of Township residents, who commonly return home by 5:00 PM after a workday or remain home for the duration of a workday due to an increasing commonplace of remote working, and therefore provide commercial solicitors with the ability to communicate with the residents; and

Whereas, such hours of operation further protect residents against crimes that are more likely to be committed after dark by persons claiming to be or thought to be commercial solicitors, including trespass, burglary, and other property crimes;

Whereas, the Township desires to require applicants to obtain FBI background checks that can obtain criminal history information from other states, in addition to Pennsylvania, prior to issuing a license for a soliciting or peddling applicant;

Whereas, to further protect the health, safety, and welfare of the residents of Haverford Township and to protect their right to quiet enjoyment of their properties, the Board of Commissioners has administratively established a "Do Not Solicit" registry that allows residents to express their desire not to be solicited by peddlers and solicitors at any time; and

Whereas, the "Do Not Solicit" registry is provided to proposed peddlers and solicitors when they register with the Township to perform peddling and/or solicitor activities; and

Whereas, to further protect the health, safety, and welfare of the residents of Haverford Township and to protect their right to quiet enjoyment of their property, the Board of Commissioners desires to codify regulations concerning such commercial peddling and solicitation procedures;

Now, Therefore, be it Ordained and Enacted by the Haverford Township Board of Commissioners, Chapter 130, Part 10, of the Haverford Township Code of Ordinances shall be amended pursuant to the sections as set forth below:

Section I: Amendment of the Code. The Haverford Township Code of Ordinances, Chapter 130, Peddling and Soliciting, is hereby amended as follows:

Amendment A. Chapter 130, Section 130-10, Permitted Hours of Operation, Subsection A, is hereby amended to provide as follows, with Subsection B remaining unchanged:

§130-10. Permitted Hours of Operation

A. Commercial soliciting and peddling shall be limited to the hours between 9:00 a.m. and 7:00 p.m. during the 6 months beginning October 1 and ending March 31, and the hours between 9:00 a.m. and 8:00 p.m. during the months beginning April 1 and ending September 30.

Amendment B. A new Section 130-13, entitled "Do Not Solicit Registry", is hereby established to provide as follows:

§130-13. Do Not Solicit Registry

1. The Township has established and manages a “Do Not Solicit Registry” for those landowners and residents of the Township who do not wish to be contacted by non-exempt door-to-door solicitors at their properties.
2. Any person in lawful possession and occupancy of any business, residence, house, apartment, or other dwelling unit in the Township may request to have their address placed on the Do Not Solicit Registry by submitting a request in writing to the person designated by the Township.
3. A resident’s listing on the Do Not Solicit Registry shall remain on the Do Not Solicit Registry unless and until a request to remove the same is submitted to the Township Police Department.
4. Any person in lawful possession and occupancy of any business, residence, house, apartment, or other dwelling unit in the Township may request to have their address removed from the Do Not Solicit Registry by submitting a request in writing to the Township Secretary or on-line, as provided by the Township. Such request shall include all information set forth in subsection 2 above, together with an affirmative statement that the individual, being authorized to do so, requests that the property be removed from the Do Not Solicit Registry.
5. The prohibition against non-exempt door-to-door solicitors entering properties on the Do Not Solicit Registry shall be in addition to, and not in place of, the prohibition against such individuals soliciting, peddling, or distributing on properties displaying “No Soliciting” or other similar sign or signs.

Amendment C. Chapter 130, Section 130-3.C, Application Procedure, Subsection 4, is hereby amended to provide as follows:

4. An FBI criminal history summary check (frequently referred to as an “FBI background check”) for the applicant dated no more than 90 days before the date of the application.

Section II: All Township elected and appointed officials are authorized to take all action necessary to ensure the implementation and effect the purpose hereof.

Section III: Any and all Ordinances and/or Resolutions, or parts thereof, conflicting herewith are repealed insofar as the matters herein are affected.

Section IV: This is effective ten (10) days following final adoption by the Board of Commissioners and publication as required by law, and shall remain in effect hereafter until revised, amended, or revoked by action of the Board of Commissioners of the Township of Haverford.

Section V: The terms, conditions and provisions of this Ordinance are hereby declared to be severable, and, should any portion, part or provision of this Ordinance be found by a court of competent jurisdiction to be invalid, unenforceable or unconstitutional, the Haverford Township Board of Commissioners hereby declares its intent that the Ordinance shall have been enacted without regard to the invalid, unenforceable, or unconstitutional portion, part or provision of this Ordinance.

Adopted this 8th day of July, 2024.
Township of Haverford

By: C. Lawrence Holmes, Esq.
President Board of Commissioners

Attest: David R. Burman
Township Manager/Secretary

Township of Haverford

Ordinance No. P10-2024 - Traffic

An ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing Ordinance no. 1960, adopted June 30, 1986, and known as "General laws of the Township of Haverford" chapter 175, vehicles and traffic.

Be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, and it is hereby enacted and ordained by the authority of the same:

Section 1. That 175-95 Schedule XX: Special Purpose Parking Zones.

In front of 100 Lincoln Avenue

In front of 18 Rodman Avenue

Section 2. Upon effective date of this ordinance, the Highway Department shall install appropriate signs in the designated section or zones giving notice of the regulations aforesaid.

Section 3. Any ordinance or part of an ordinance to the extent that it is inconsistent herewith is hereby repealed.

Adopted this 8th day of July, 2024.

Township of Haverford

By: C. Lawrence Holmes, Esq.
President Board of Commissioners

Attest: David R. Burman

Haverford Township Department Memorandum

To: Chief John Viola
CC: Deputy Chief Joseph Hagan
From: Sgt. T.J. Long, Special Operations Unit
Date: November 6th, 2023
RE: Rugby Road Traffic Study
(Formatted for Accessibility)

A traffic study was conducted on Rugby Road. The data collected for the traffic study was done with the JAMAR LE Radar Recorder utilizing the STARnext software. Speed and volume data were compiled.

The study began on October 17th, 2023 and concluded on October 24th, 2023. Rugby Road is a two-way roadway that is not physically divided. The speed limit is 25 miles per hour.

Results

Volume:

The total volume of vehicles that traveled on Rugby Road during this study was 5,524. The number of vehicles that traveled east was 1,909. The number of vehicles that traveled west was 3,615. The daily average for vehicular traffic was 789 cars per day.

Speed:

The results of this traffic study indicated that the average travel speed on Rugby Road was 26 miles per hour. The median speed (50%) was 25 miles per hour. The mode was 25 miles per hour. The study showed that 116 of the 4,603 vehicles recorded traveled above the enforceable speed limit (35 mph) indicating the need for enforcement to be low. The 85th percentile for speed was 30 miles per hour. The fastest recorded speed was 53 miles per hour.

Crash data was analyzed between 2018 and the date of this report for the Rugby Road. During this time there were no accidents documented by the Haverford Township Police Department where speeding was determined to be the primary factor.

Respectfully submitted,
Sgt. T.J. Long

Haverford Township Department Memorandum

RE: Rugby Road Petition
(Formatted for Accessibility)

Mr. Jim Barrett of 763 Rugby Road submitted a petition for speed humps. Fourteen of the sixteen households have signed the petition in favor of having speed humps installed (resident at 758 Rugby is only in favor if they are at least two houses away from her house). I conducted a traffic study for Rugby Road which is attached. I also attached a copy of the Township Ordinance pertaining to Speed Humps.

1. The ordinance states that at least 80% of the households on the affected street must sign petition in support. This petition has 14 out of 16 for 87.5%.

2. The ordinance states that the average daily traffic (ADT) shall exceed either 1,000 vehicles per day or the peak hour volume of at least 100 vehicles. The ADT is 789 cars. However, the peak hour volume exceeded 100 on 4 out of the 5 weekdays.

Monday, 101 cars between 12:08 pm and 1:07 pm

Tuesday, 117 cars between 4:02 pm and 5:01 pm

Wednesday, 114 cars between 2:56 pm and 3:55 pm

Thursday, 115 cars between 3:48 pm and 4:47 pm

Friday, 95 cars between 3:56 pm and 4:55 pm

3. The ordinance states that the average vehicle speed based on the 85th percentile of the speeds shall not be less than 5 mph over the legally posted speed limit. The 85th percentile for speed was 30 mph.

Based on the peak hour volume and the 85th percentile for speed, Rugby Road would qualify for the speed humps.

Respectfully submitted,

Sgt. T.J. Long, #331

Township of Haverford

Ordinance No. P11-2024

(Formatted for Accessibility)

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, authorizing a lease with the County of Delaware for a 160 sq.ft. portion of ground adjacent to the communication tower at 2325 Darby Road for County emergency communication equipment.

Whereas, Section 301.G of the Home Rule Charter for the Township of Haverford requires that the Board of Commissioners enact an ordinance for the lease of the Township's real property;

Whereas, the Township of Haverford desires to enter into a certain lease agreement with the County of Delaware for a certain 160 square foot +/- portion of ground located immediately adjacent to the existing communications tower located on the Township's real property at 2325 Darby Road, Havertown, for the purpose of installing, operating, and maintaining emergency services communications equipment on and for the communications tower;

Now, therefore, it is hereby ordained and enacted that:

Section I: Pursuant to Section 301.G of the Home Rule Charter, the Township hereby authorizes the lease agreement with the County of Delaware, a Second Class A County of the Commonwealth of Pennsylvania, for the 160 square foot portion of certain property controlled by the Township of Haverford located at 2325 Darby Road, Havertown, pursuant to the terms and conditions set forth in the lease agreement attached hereto as Exhibit "A" and incorporated herein. The Township Manager is authorized to execute any documents to further facilitate the lease agreement.

Section II: Any and all Ordinances and/or Resolutions, or parts thereof, conflicting herewith are repealed insofar as the matters herein are affected.

Section III: This is effective ten (10) days following final adoption by the Board of Commissioners and publication as required by law, and shall remain in effect hereafter until revised, amended, or revoked by action of the Board of Commissioners of the Township of Haverford.

Adopted by the Township Board of Commissioners this day of August, 2024.
Township of Haverford

Resolution Number 2386-2024

American Rescue Plan Act Coronavirus Local Fiscal Recovery Fund Infrastructure Projects

(Formatted for Accessibility)

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million;

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to invest in public health improvements, economic recovery and development, services to disproportionately affected communities, infrastructure improvements and general government services, among other allowable purposes; and,

Whereas, the Board of Commissioners desires to make improvements and financial investments in Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

Bailey Park Sanitary Sewer Replacement in an amount not to exceed \$50,000 which will represent the required match and any other eligible project costs not covered by the 2024 Covid-19 ARPA Pennsylvania Small Water/Sewer grant awarded to Haverford Township in the amount of \$250,000.

Now, Therefore, be it Resolved, that the Board of Commissioners of Haverford Township hereby approves the use of funds from the Township's American Rescue Plan Fund allocation for the above referenced projects and initiatives.

Resolved this 8th day of July, 2024.

Re: In-Car Camera and Body Camera Purchases

The following have reached the end of their life cycle. I am requesting the following new purchases:

Twenty-six new Motorola Watchguard In-Car Cameras and forty-five Watchguard Body Cameras to replace the current in-car camera/body camera systems.

The total for the entire system is \$340,000.00. The purchases include the cameras, related hardware, shipping and installation cost. The funding for this project will be paid with ARPA money.

The purchase is made through Sourcewell Contract 101223-MOT.

If there are any questions, I will be on hand for the Board of Commissioners regular meeting scheduled for July 8, 2024.

To: David R. Burman, Township Manager
From: Aimee Cuthbertson, Director of Finance/Asst Township Manager
Re: Owner's Representative Professional Services Agreement – Skatium Locker Room Project
(Formatted for Accessibility)

In January 2024, the Skatium Locker Room Renovation Project began in earnest with the appointment of BKP Architects, Inc of Philadelphia, PA to design a renovated space addressing the need to maximize and modernize our locker rooms. The newly designed space is intended to address current lack of personal space, lack of appropriate bathroom/shower facilities, and lack of adequate and inclusive space allowing participation for all in today's hockey and figure skating environments. The design phase is close to completion.

As the Skatium Advisory subcommittee prepares for presentation to the Board of Commissioners at its August 5 worksession, staff recognizes the need for an owner's representative to protect the interests of the Township in both the pre-construction, bidding and construction phases of the project. The owner's representative will work alongside the architect and eventual contractors on an executable construction plan ensuring that any and all steps are taken to keep the project moving towards a timely completion and within the approved financial and contractual terms. The current estimate is six (6) months of pre-construction/public bid activities and a six (6) month construction period.

Staff respectfully recommends C.B. Development Services, Inc of Philadelphia, PA be appointed as the Township's Owner Representative at a total cost not to exceed \$60,000.

Haverford Township - Board of Commissioners

Executive Session – 6:15 p.m. – Legal Matter

Meeting: Monday, August 12, 2024

Time: 7:00 p.m.

Location: Commissioners Meeting Room -1014 Darby Rd., Havertown PA, 19083

Regular Meeting Minutes

1. Opening of Meeting – President of the Board, Larry Holmes, opened the meeting and indicated that the Board met in Executive Session prior to the meeting to discuss legal matters.

Roll Call – 7 Commissioners were present at roll call: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Commissioners Gondek and Forste-Grupp were absent.

Also present were: David R. Burman, Township Manager, Ross Anderson, CPA, Township Auditor, Kalie Melchior, Esq., Township Solicitor, Deputy Chief Joe Hagan, Paramedic Chief, Jim McCans, Brian Barrett, Parks and Recreation Director and Chuck Faulkner, Township Engineer

Pledge of Allegiance

2. Citizens Forum – 20 Minutes – Registered Speakers - 20 Minutes - Agenda Items

Jim DiMarco and David Ogg both residents residing on Colfax Road spoke on the noise on the pickleball court. This has been ongoing for three years. The pitch is too loud and a nuisance. They both offered suggestions to the Board to consider.

3. Bureau of Fire Update – Commissioner McCollum provided the Bureau of Fire Update for the previous month.

4. Township Auditor Update – Township Auditor, Ross Anderson reviewed the warrants and found no discrepancies.

5. Township Manager Update – Township Manager announced the upcoming August 24th Shredding Event from 8 to 11 a.m. and also the Hazardous Waste Collection on September 7th at the Delaware County Emergency Center.

6. Approval of Minutes Regular Meeting Minutes of July 8, 2024

Motion made by Commissioner Quinn and seconded by Commissioner Hart to adopt the Regular Meeting Minutes of July 8, 2024.

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

7. Approval of Warrants

Motion made by Commissioner McCloskey and seconded by Commissioner Cavender to approve the following warrant #8-2024 totaling \$5,674,764.47

General & Sewer fund Payroll warrant #8-2024 for July 18, 2024 in the amount of \$849,374.09

General & Sewer fund Payroll warrant #8-2024 for August 1, 2024 in the amount of \$841,772.98

General Fund disbursement warrant #8-2024 in the amount of \$1,600,943.88

Sewer Fund disbursement warrant #8-2024 in the amount of \$241,688.07

Community Development Block Grant Fund disbursement warrant #8-2024 in the amount of \$54,717.88

Capital Projects Fund disbursement warrant #8-2024 in the amount of \$1,945,444.46

American Rescue Plan Fund disbursement warrant #8-2024 in the amount of \$119,064.60

Credit Card Statement warrant #8 ending July 27, 2024 in the amount of \$21,758.51

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

8. 2025 Budget Adoption Schedule

Motion made by Commissioner McCloskey and seconded by Commissioner Trombetta to adopt the 2025 Budget Adoption Schedule.

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

9. Ordinance No. P11-2024

Land Lease Agreement with the County of Delaware, PA for 2325 Darby Road (2nd Reading)

Motion made by Commissioner Trombetta and seconded by Commissioner Quinn to adopt the second reading of Ordinance No. P11-2024 authorizing a lease with the County of Delaware for a 160 square foot portion of ground adjacent to the communication tower at 2325 Darby Road for County emergency communication equipment.

7 Commissioners voted Yes: Commissioners Cavender, Quinn, McCollum, Trombetta and Holmes.

2 Commissioners voted No: Commissioners McCloskey and Hart

10. Ordinance No. P12-2024

Traffic (1st Reading)

Motion made by Commissioner McCloskey and seconded by Commissioner Cavender to adopt the first reading of Ordinance No. P12-2024 authorizing traffic restrictions on the following highways:

Install – Stop Sign on Morris Road, west, at the intersection of Woodcrest Avenue.

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

11. Resolution No. 2368-2024

a. – Rescinding Resolution No. 2268-2022

Cardiac/Defibrillator Systems

Motion made by Commissioner Cavender and seconded by Commissioner Quinn to rescind Resolution No. 2268-2022 regarding use of ARPA funds for purchase of (3) Philips cardiac/defibrillator systems in the amount of \$157,507.00.

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

b. – Motion made by Commissioner Cavender and seconded by Commissioner Trombetta to adopt Resolution No. 2388-2024 for a revised use of ARPA funds – whereby, the Township has identified a need within our emergency medical service response efforts to replace (2) cardiac/defibrillator systems that are essential in our continued public health response to the COVID-19 pandemic and replace the (2) current, outdated and no longer serviceable ambulance cots and that the Board of Commissioners of Haverford Township hereby approves the reuse of \$159,637.52 of the Township's American Rescue Plan Fund allocation for the replacement of (2) Philips MRX cardiac/defibrillator/monitors systems with the purchase of (2) Stryker Life Pak 35 cardiac/defibrillator/monitors and (2) Stryker ambulance cots.

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

12. Resolution No. 2389-2024

Preliminary/Final Land Development Plan

Motion made by Commissioner McCloskey and seconded by Commissioner Trombetta to adopt Resolution No. 2389-2024 approving Preliminary/Final Land Development Plan approval for the Haverford Township School District for building additions, parking improvements and storm water management at the Chatham Park Elementary School at 400 Allston Road, Havertown; subject to the recommendations of the Planning Commission.

Commissioner Cavender moved to amend the Resolution by removing waivers #5 and #6 which Commissioners McCloskey and Trombetta accepted.

4 Commissioners voted Yes: Commissioners McCloskey, Cavender, Trombetta and Holmes.

3 Commissioners voted No: Quinn, Hart and McCollum

13. Resolution No. 2390-2024

ARPA – Police Department – Speed Radar Trailers and Data Collector

Motion made by Commissioner McCloskey and seconded by Commissioner Quinn to adopt Resolution 2390-2024 approving that the Board of Commissioners desires to make improvements and financial investments in Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

Two Speed Alert Solar digital speed trailers with safety message and traffic count capability.

One Traffic data collector used for traffic speed studies.

Total purchase amount of \$39,178.84

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

14. Resolution No. 2391-2024

ARPA – (3) Recreation Purchases – Basketball Resurfacing Project,

Replacement of Playground Composite and Funnel Ball and Tri-rider

Motion made by Commissioner Hart and seconded by Commissioner Trombetta to adopt Resolution No. 2391-2024 approving that the Board of Commissioners desires to make improvements and financial investments in Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

17. Appointments: *Commissioner Trombetta made a motion to TABLE both Naming Committee appointments until candidates are properly interviewed. Commissioner Quinn seconded. All Commissioners unanimously voiced Aye.

Naming Committee - postponed to Oct.

Motion made by Commissioner and seconded by Commissioner to appoint to serve on the Haverford Township Naming Committee.

Motion made by Commissioner to appoint to serve on the Haverford Township Naming Committee.

Senior Advisory Board – Ward 6 – Commissioner Holmes postponed.

18. Continuation of Citizen's Forum for Non-Agenda Items

19. New business

No new business was discussed.

20. Other business

3rd Ward Commissioner Kevin McCloskey – Commissioner McCloskey announced that last Tuesday was a Column Signing Ceremony at the Library for public officials and residents and that evening was the National Police Night Out.

5th Ward Commissioner Laura Cavender – Commissioner Cavender is happy that two parks are receiving upgrades – basketball court resurfacing and tennis courts.

She announced that anyone is interested in having a rain garden, go to the EAC website and review.

7th Ward Commissioner Conor Quinn – The Grange Estate will be celebrating their 50th Anniversary since the township purchased the property on September 14th.

8th Ward Commissioner Gerry Hart – the Penfield Civic Association is looking to expand and are in need of volunteers.

9th Ward Commissioner Mike McCollum – Commissioner McCollum also announced the upcoming Shredding Event. A Ribbon Cutting Ceremony of the new bridge on Manoa Road will be held in early September.

Commissioner McCollum thanked the Public Works Department for working hard during the high humid trash/recycling and rainy days with down trees.

4th Ward Commissioner Judy Trombetta – Commissioner Trombetta announced that the glass recycling bin will be in the lower level parking lot until September 6th.

6th Ward Commissioner Larry Holmes – the Haverford Hawks will be celebrating their 50th Anniversary on September 14th.

Please remember.... School children will be returning to school...drive safely!

21. All Commissioners agreed to adjourn.

Public Works will begin picking up trash on Tuesday and Wednesday earlier due to extreme heat.

She thanked the Llanerch Civic Association and Llanerch Fire Company for a wonderful parade and celebration.

3rd Ward Commissioner Kevin McCloskey – He also announced trash pick will be earlier on Tuesday and Wednesday. He is very appreciative.

He thanked all the volunteers that organized the 4th of July celebration.

2025 Budget Adoption Schedule

Presentation of Manager's Budget to the Board of Commissioners on or before October 31, 2024.

First Special Budget Meeting

Monday, November 18, 2024, 7 p.m.

Availability of the 2025 Preliminary Budget, including Capital Program and Capital Budget. Advertisement will include a summary of the budget submitted by the Township Manager by major category.

Second and Final Presentation/Adoption of the 2025 budget

Monday, December 9, 2024, 7:00 p.m.

Township of Haverford

Ordinance No. P11-2024

(Formatted for Accessibility)

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing Ordinance 1960, adopted June 30, 1980, and known as the "General Laws of the Township of Haverford" authorizing the lease of certain township grounds.

Now, therefore, it is hereby ordained and enacted that:

Section I: Pursuant to Section 707, paragraph A, of the Home Rule Charter, the Township hereby authorizes a lease agreement with the County of Delaware, a Second Class A County of the Commonwealth of Pennsylvania, 360 Middletown Road, Media, PA for a portion of certain property controlled by the Township of Haverford located at 2325 Darby Road Havertown, PA subject to review by the Township Solicitor and further subject to the approval of the Township Manager of the final document.

Section II: All Township elected and appointed officials are authorized to take all action necessary to ensure the implementation and effect the purpose hereof.

Section III: Any and all Ordinances and/or Resolutions, or parts thereof, conflicting herewith are repealed insofar as the matters herein are affected.

Section IV: This is effective ten (10) days following final adoption by the Board of Commissioners and publication as required by law, and shall remain in effect hereafter until revised, amended, or revoked by action of the Board of Commissioners of the Township of Haverford.

Adopted this 12th day of August, 2024.

Township of Haverford

Ordinance No. P12-2024

(Formatted for Accessibility)

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing Ordinance No. 1960, adopted June 30, 1986, and known as "General Laws of the Township of Haverford" Chapter 175, Vehicles and Traffic.

Be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania:

Section 1. That Section 175-83, Schedule VIII: STOP INTERSECTIONS:

On Morris Road, west, at the intersection of Woodcrest Avenue.

Section 2. Upon effective date of this ordinance, the Highway Department shall install appropriate signs in the designated section or zones giving notice of the regulations aforesaid.

Section 3. Any ordinance or part of an ordinance to the extent that it is inconsistent herewith is hereby repealed.

Adopted this _th day of September, 2024.

Township of Haverford - Rescinding - For Info Only

Resolution Number 2268-2022

American Rescue Plan Recovery - Emergency Medical Services

(Formatted for Accessibility)

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund will be \$19.8 million;

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to support the public health response to the COVID-19 pandemic; and,

Whereas, the Board of Commissioners desires to provide financial support to efforts relating to our response to medical emergencies within our community, many of which involve the elderly; and,

Whereas, the Township has identified a need within our emergency medical service response efforts to replace (3) cardiac/defibrillator systems that are essential in our continued public health response to the COVID-19 pandemic; and

Now, Therefore, be it Resolved, that the Board of Commissioners of Haverford Township hereby approves the use of \$157,507.20 of the Township's American Rescue Plan Fund allocation for the purchase and replacement of (3) Philips cardiac/defibrillator systems.

Resolved this 13th day of June, 2022.

Resolution Number 2388-2024

American Rescue Plan Recovery - Emergency Medical Services

(Formatted for Accessibility)

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund will be \$19.8 million;

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to support the public health response to the COVID-19 pandemic; and,

Whereas, the Board of Commissioners desires to provide financial support to efforts relating to our response to medical emergencies within our community, many of which involve the elderly; and,

Whereas, the Township has identified a need within our emergency medical service response efforts to replace (2) cardiac/defibrillator systems that are essential in our continued public health response to the COVID-19 pandemic and replace the (2) current, outdated and no longer serviceable ambulance cots.

Now, therefore be it Resolved, that the Board of Commissioners of Haverford Township hereby approves the use of \$159,637.52 of the Township's American Rescue Plan Fund allocation for the replacement of (2) Philips MRX cardiac/defibrillator/monitors systems with the purchase of (2) Stryker Life Pak 35 cardiac/defibrillator/monitors and (2) Stryker ambulance cots.

Township of Haverford

Resolution Number 2389-2024

Preliminary / Final Land Development

(Formatted for Accessibility)

Resolution for Preliminary/final Land Development Plan approval for the Haverford School District for a building addition at the Chatham Park Elementary School at 400 Allston Road, Havertown

Whereas, Act 247 of 1968, the Pennsylvania Municipalities Planning Code, empowers the Haverford Township Board of Commissioners to regulate subdivisions and land developments within the Township; and

Whereas, Haverford Township desires orderly and appropriate land use and development to protect the health, safety, and welfare of residents; and

Whereas, Haverford Township School District (“Applicant”) desires to develop the Chatham Park Elementary School located at 400 Allston Road, Havertown, PA, Delaware County, known as D.C. Folio No. 22-02-00005-00 (“Property”) to add 12,439 square feet of building additions, 2 parking lot additions, and related stormwater management infrastructure and other improvements (“Project”). The Property is zoned INS Institutional District and is located in the 8th Ward.

Whereas, the Preliminary / Final Land Development plan submitted for the Project was prepared by K&W Engineers, Harrisburg, PA, latest plan revision dated July 2, 2024 (“Plan”); and

Whereas, after multiple meetings and notices provided to the surrounding property owners, the Planning Commission of Haverford Township, at the public meeting of Thursday, July 11, 2024, voted to recommend approval of the Plan subject to the comments contained within the June 27, 2024 review letter prepared by Pennoni Associates; and

Whereas, said Plan has been submitted to the Board of Commissioners of the Township of Haverford for consideration in accordance with the Pennsylvania Municipalities Planning Code and pursuant to the Haverford Township Subdivision and Land Development Regulations, Ordinance 1960, Chapter 160, Sections 4. A and B.

Now, therefore, be it resolved by the Board of Commissioners of the Township of Haverford that the Plan is APPROVED subject to the following conditions:

A. Conditions of Plan Approval.

1. The Applicant must ensure that the Plan address any outstanding comments in the June 27, 2024 civil engineer review letter prepared by Pennoni Associates. Further, the Applicant shall comply with future review letters related to future Plan revisions made in response to prior comments to the reasonable satisfaction of the Township Engineer.

2. A subsequent recordable final plan shall be submitted for internal Township review that addresses all Township review letter requests, further Plan details and clarifications, or revisions based upon the terms of this Resolution.
3. Applicant must comply with any applicable requirements of the Delaware County Conservation District, Pennsylvania Department of Environmental Protection, Pennsylvania Department of Transportation (including, but not limited to, obtaining any necessary Highway Occupancy Permits and Signal Permits required by PennDot), United States Environmental Protection Agency, or any other necessary outside agency, and obtain any necessary planning modules, approvals, or permits from such agencies, or enter into any required agreements such agencies require, before the Plan is recorded.
4. Pursuant to Section 78-51 of the Township Code, Applicant shall pay the required contribution to the Township Stormwater BMP Operation and Maintenance Fund in the amount calculated by the Township Engineer.
5. The conditions of this Resolution must be satisfied, and all fees and costs set forth in this Resolution shall be paid, before the issuance of a building permit for the Project.
6. Applicant must complete and record all required easements and/or maintenance agreements or declarations, including, but not limited to, a stormwater management facilities operation and maintenance agreement (requiring, in part, perpetual maintenance of all stormwater management facilities installed according to the Plan by the landowner of the Property) in forms reasonably satisfactory to the Township Engineer and Township Solicitor prior to recording the Plan. Applicant will provide all necessary legal descriptions for any necessary easements.
7. Prior to recording the Plan, the Applicant shall execute a Land Development and Financial Security Agreement to guarantee the installation of all public improvements associated with the Project ("Improvements") on a form drafted by the Township Solicitor. Financial Security shall take the form of a cash escrow held by the Township, an irrevocable standby letter of credit in a form acceptable to the Township Solicitor, or a tri-party agreement in a form acceptable to the Township Solicitor. If Applicant were to post financial security in the form of a bond, the Township Solicitor shall have the unconditional right to review the bond and must approve the conditions and language of the bond. Further, the bond shall be issued by a "AAA" rate surety, or its equivalent, qualified to do business in Pennsylvania, and shall contain language stating that the bond is to be payable upon demand, absolutely, and unconditionally, and if payment is not made, that the bonding company shall be responsible for reasonable attorneys' fees and costs that are incurred to collect on the bond, plus interest at the annual rate of twelve (12%) percent, for so long as the bond remains unpaid. A bond or letter of credit is required to automatically renew annually until the Improvements detailed on the Plans are completed, any maintenance periods have passed, and the final release is issued by the Township, subject to partial releases being permitted in accordance with Pennsylvania Municipalities Planning Code. To ensure automatic renewal, a bond or letter of credit shall include a 90-day Evergreen Clause in a form acceptable to the Township Solicitor.
8. Financial security shall be posted in the amount of 110% of the total cost of the Improvements. The Applicant agrees that the Improvements shall include, but shall not be limited to, streets, parking areas, striping, drive aisles, curbs, water mains, sanitary sewer pipes, manholes and appurtenances thereto, stormwater facilities, rain gardens and appurtenances, grading, erosion and sediment controls, public lighting, required trees, shrubs, plantings and landscape buffering, monuments, pins, sidewalks, or other public improvements designated by the Township Engineer. For a period not less than 18 months after Township Engineer approval of the Improvements, financial security shall remain posted in the amount of 15% of the total cost of the Improvements that are to be dedicated to the Township, if any.

9. All outstanding Township fees, including review and recording costs and fees, Township Engineering fees, and Township legal fees, and any other professional fees associated with the review and approval of the application and Plan shall be paid in full before the Plan is recorded, in accordance with the Pennsylvania Municipalities Planning Code.

10. Prior to recording the Plan, and in addition to the financial security posted for the Project, Applicant shall deposit with the Township or otherwise establish a reasonable sum of monies with the Township, in an amount to be reasonably determined by the Township Engineer, as to be further described in the Land Development and Financial Security Agreement, for the reimbursement of the Township's reasonable engineering, inspection, legal, and related administrative costs and expenses related to the further reviews, inspections, and development of the Project, in accordance with the Pennsylvania Municipalities Planning Code.

11. A note shall be included on the Plan listing any waivers granted by the Board of Commissioners.

12. The terms and conditions of this Resolution shall run with the land and shall apply to any assignee, transferee, or other successor in interest in the Property or the development of the Project. This Resolution or a memorandum of this Resolution may be recorded against the Property by the Township, or a subdivided portion of the Property, at the Township's sole discretion, to which the then-current landowner of the Property shall be deemed to have consented to such recording. Regardless of whether this Resolution is recorded, the Township shall have the right to enforce any violations of the conditions of this Resolution as a violation of the Township's Subdivision of Land Chapter and/or pursuant to Section 616.1 of the Pennsylvania Municipalities Planning Code.

B. Waivers. The Applicant has requested the following waivers from the Township's Subdivision of Land Chapter pursuant to a written waiver request. An indication that a waiver was granted reflects that the Township has determined that the Applicant has sufficiently established that the literal enforcement of the provision waived will exact undue hardship because of peculiar conditions pertaining to the land in question, and that the waiver is not contrary to the public interest or otherwise contrary to the purpose and intent of the Township Code, as demonstrated and explained by appearances of the Applicant before the Board at public meetings and through the waiver request letter(s) submitted. A lack of indication of the decision on the waiver after the Township has executed this Resolution shall be interpreted to mean that the waiver was granted, unless the minutes of the associated Township meeting reflect otherwise:

1. From Section 160-3.B to request a waiver to submit a final plan simultaneously with a final plan. The waiver is hereby:

Granted Denied

2. From Section 160-4.E(5)[b] to not provided the required plan details within 2,000 feet of the site due to the size of the property and limited area of development on the property. The waiver is hereby:

Granted Denied

3. From Section 160-4.E(5)[e](3) to not provide the required plan details within 200 feet of the site due to the size of the property and limited area of development on the property. The waiver is hereby:

Granted Denied

4. From Section 160-4.E(5)[e](4) to not provide the required plan details within 400 feet of the site due to the size of the property and limited area of development on the property. The waiver is hereby:

Granted Denied

5. From Section 160-4.E(7) to not notify all property owners within 200 feet of the site no less than 10 days prior to the first Planning Commission meeting for which the plan has been scheduled for review, when such notice was provided to such property owners prior to subsequent Planning Commission meetings. The waiver is hereby:

Granted Denied

6. From Section 160-4.E(8) to not provide the required notice by mailings to all property owners within 200 feet of the site prior to the first Planning Commission meeting for which the plan has been scheduled for review, when such mailings were provided to such property owners prior to subsequent Planning Commission meetings. The waiver is hereby:

Granted Denied

This Resolution shall bind the Applicant, and the Applicant's successors and assigns. This Resolution does not and shall not authorize the construction of improvements or buildings exceeding those shown on the Plan. Furthermore, this Resolution, and the approvals/waiver and conditions contained herein, shall be rescinded automatically and deemed denied upon Applicant's failure to accept, in writing, all conditions herein imposed within ten (10) days of receipt of this Resolution, such acceptance to be evidenced by the Applicant's signature below.

Resolved this 12th day of August, 2024

Township of Haverford

By: C. Lawrence Holmes, Esq.
President Board of Commissioners

Attest: David R. Burman
Township Manager/Secretary

Township of Haverford

Resolution Number 2390-2024

American Rescue Plan Recovery - Infrastructure Projects

(Formatted for Accessibility)

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million;

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to invest in public health improvements, economic recovery and development, services to disproportionately affected communities, infrastructure improvements and general government services, among other allowable purposes; and,

Whereas, the Board of Commissioners desires to make improvements and financial investments in Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

Two Speed Alert Solar digital speed trailers with safety message and traffic count capability.

One Traffic data collector used for traffic speed studies.

Total purchase amount of \$39,178.84

Now, Therefore, be it Resolved, that the Board of Commissioners of Haverford Township hereby approves the use of funds from the Township's American Rescue Plan Fund allocation for the above referenced projects and initiatives.

Haverford Township Department Memorandum

To: David R. Burman, Township Manager

From: Brian Barrett, Director of Parks and Recreation

Date: July 30, 2024

RE: Hilltop basketball court resurfacing, replacement Preston Park playground equipment, Dingo purchase, CREC carpeting.

(Formatted for Accessibility)

Attached is a quote for Hilltop Basketball resurfacing project. The work will be done by TopACourt. We will rebuild and resurface the large "L" shape basketball court into one court with space for playground games. Included will be color coding. The total is \$123,514.00. The funding for this purchase will be ARPA monies.

TopACourt is an authorized partner of AstroTurf with full access to AstroTurf Cooperative Purchasing contracts- Sourcewell #031022-AST

Attached is a quote for Preston Park replacement playground composite. Our parks maintenance department will install. The total including shipping is \$24,740.00. The funding for this purchase will be ARPA monies.

The vendor is Recreation Resource and the purchase is made through COSTARS. The vendor's COSTARS #014-E22-249

Attached is a quote for a New Toro TX427 narrow track Dingo mini loader for \$27,659.30. The funding for this will be Capital finds. The vendor is Cherry Valley tractor with PA State contract #4400028086.

Attached is a quote for replacing the carpeting at the CREC. The quote is from Franklin Flooring, Inc. for \$10,695. The funding for this purchase is from capital monies.

If there are any questions, Eileen Mottola will be on hand for the Board of Commissioner work session on August 5, 2024.

Top-A-Court Proposal 5-14-24-1

(Formatted for Accessibility)

Brian, please find our recommendation for Hilltop Park for the later part of this year if you decide to do this work.

These prices are including prevailing wages for all the work. I will send some additional pictures of jobs fyi for some ideas, color schemes, processes of how we conduct our work, install the best (better) materials in our industry, and hopefully the jobs that we install (color coating wise) last 50% to 100% longer than some others giving you the best overall value over a longer period of use for these jobs.

Hilltop park

This two asphalt play areas (L shaped, having one basketball court now) will be rebuilt utilizing the stone dust overlay system. We will replace out the old rotten wood side (135' x 24" high) by taking out the rotted wood, excavate behind the area by 24" wide, 6" deep, provide filter fabric, clean stone, laser grade and compact for stackable stone building wall having block dimensions of 16" wide by 8" in height, we will install this new block wall having first block locked in at the bottom by 6 inches into the ground or paved side, we will build up wall having total of 4 blocks high with a 3" thick wall cap that will be glued in place on the top of the finished wall. Total finished height of wall will be about 30" high on average. We will remove old basketball units, we will reset new basketball units (purchased and provided by the township). We will rebuild the two areas having about 1333 square yards. We will install an aluminum L shaped edging along the north and east side of the existing fence (aluminum edging is 4.5" high, and 5.5" long as it will be doweled into existing asphalt about every 3 feet). We will install on average minimal 1" of screenings, laser grade site, laser place 2" binder asphalt 19mm, laser place 1.5" top 9.5mm and compact with 3-4 ton vibratory roller, color coat areas for basketball and a few other games (pickleball, hopscotch, four square, dodgeball, etc.)

\$123,514.00

Specifications for stonedust overlay paving, color coating existing colored courts, color coating new asphalt:

Description of project: Hilltop Park

Complete rebuilding of courts utilizing the stone dust overlay method, Creating multi use and basketball court.

Specifications:

1. Site will be created with access to court access, when job is completed access will be removed and finished landscaped like it was before. All existing fencing and concrete footers will be removed and discarded. All cracks will be cleaned out using a small jackhammer and air blown clean. We will initially fill in all with screenings and vibro-plate into structural cracks.

2. Entire surface approximately having 1350 total square yards will be fine cleaned and loose debris will be removed. We will install and compact 1" of screenings directly over the courts to correct the surface undulations and to buffer and prevent reflective cracking through the new surface. The screenings will be installed with an automated laser guided grader box that will grade stone to within 1/4" of our wanted .0833% slope. Court will receive a 2 inch course of binder Asphalt Base, a fine ID2Mix asphalt and a 1.5 inch course of asphalt after compaction. Asphalt will be installed with a laser state of the art paving unit equipped with laser sensors for grade control during installation. Court will be rolled with a four-ton steam finish roller. Check for surface smoothness using 10' straightedge. No variation greater than 1/8". Existing in place fence will be edged with an aluminum edging that will consist of a angled aluminum edge 4.5" high and angled 90 degrees by 5" and pinned into existing asphalt (to create a clean edge and not paving fence fabric into asphalt to allow for ease of replacement of fencing at a future time).

3. After newly paved surface cures for 30 days we will install either Laykold color coating system which will entail: two applications of acrylic resurfacer, (any areas holding water (thicker than a nickel) will be patched with court patch binder), two applications of fortified acrylic colorized filler coats (in color(s) of your choice). Two applications of 2 inch white game lines will be applied in accordance with high school basketball specifications. We will also install a few more games like 4 square, hopscotch, dodgeball etc.

Newly paved asphalt:

After newly paved surface cures for at least 28 days we will install the Laykolds® color coating system which will entail: two applications of acrylic resurfacer, (any areas holding water (thicker than a nickel) will be patched with court patch binder), two applications of fortified acrylic colorized filler coats (in color(s) of your choice). Two applications of 2 inch white game lines will be applied in accordance with U.S.T.A. specifications. We will cut in lines with respective colors and then apply the white line paint to assure even and crisp white lines. We will paint net posts, new tidy-fit tapered tennis net, and center anchor and strap.

Haverford Township Public Works Department Memorandum

To: Board of Commissioners
David R. Burman, Township Manager

From: Dan Mariani, Public Works Director

Date: August 7, 2024

RE: 2024-2025 Salt Bid Contract

(Formatted for Accessibility)

The bid opening for the annual salt contract for our eleven Delaware County Municipalities today. Four (4) companies responded, but only three (3) actually placed bids through Penn BID. The low bidder is Eastern Salt Company, Inc. at \$69.75 per ton delivered.

I recommend that the Board of Commissioners vote in favor of Eastern Salt Company, Inc.

Thank you.

Haverford Township Free Library C.B. Development Services, Inc.
Renovation & Addition Project Owner's Representation Since 1993

July 31, 2024

Dave Burman- Township Manager
Haverford Township

Haverford, PA 19083

RE: Haverford Township Free Library Renovation & Addition Project- Construction Change Orders

Mr. Burman,

Below is a summary of change orders we have reviewed and are recommending for approval by the Board of Commissioners. There is an explanation of each change as well as the detailed back-up for the costs.

For Rycon Construction contract these change order requests total a credit of (\$20,842.48) (Twenty thousand eight hundred forty-two dollars & forty-eight cents) and will be part of a change order to their contract.

For Dolan Mechanical (Plumbing) contract these change order requests total an add of \$20,215.14 (Twenty thousand two hundred fifteen dollars & fourteen cents) and will be part of a change order to their contract.

For AJM Electric (Electrical) contract these change order requests total an add of \$17,349.50 (Seventeen thousand three hundred forty-nine dollars & fifty cents) and will be part of a change order to their contract.

The remaining project contingency is currently at \$226,727.00.

Please let us know if you have any questions or comments.

Sincerely,

Kenneth C. Matthews

C.B. Development Services, Inc.

CC: Aimee Cuthbertson, Sukrit Goswami

Haverford Township Free Library C.B. Development Services, Inc.
Renovation & Addition Project Owner's Representation Since 1993

Rycon Construction Change Request #33 for a credit of (\$42,086.50).

The cost included is for work associated with Bulletin #9 which replaced the specified gas fireplace with an electric fireplace and combined the Janitor/Storage closets on the second floor into one room. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #38 for a credit of (\$2,659.23).

The cost included is for work associated with replacing the bollards at the existing parking lot with a concrete post/wooden railing fence. In review with the design team, the row of bollards are in conflict with the new addition footers. It was determined that a wood railing fence can be utilized for the same purpose to protect the building. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #40 for an add of \$6,053.25.

The cost included is for work associated with RFI #111 where it was determined by the design team that additional steel support was needed at the Hub to handle the weight of the operable partition. The cost submitted and attached for reference is fair and reasonable.

Rycon Construction Change Request #41 for an add of \$17,850.00.

The cost included is for work associated with existing plaster walls in the lower level needing to be replaced due to previous water damage. The water damage was not noticed until the walls were opened at which point it was determined the plaster needed to be replaced. The cost submitted and attached for reference is fair and reasonable.

Dolan Mechanical (Plumbing) Construction Change Request #9 for an add of \$20,215.14.

The cost included is for work associated with Bulletin #9 in which back up water-based sump pumps were added in three locations. In review with the Township/design team it was determined all areas where sump pumps are located needed to have back up pumps in case power was lost in the building. In addition, per PECO's directive the incoming gas service needed to be moved from where it was shown on the plans which added piping in the mechanical room. The costs submitted and attached for reference are fair and reasonable.

AJM Construction Change Request #11 for an add of \$17,349.50.

The cost included is for work associated with running the cabling infrastructure for a future distributed antenna system needed for emergency service personnel radios to receive the proper reception in the building on all floors. At a later date this fall the building will be surveyed to determine how many antennas are required which will then be priced and a change order recommendation will be issued for approval at that time. The cost submitted and attached for reference is fair and reasonable.

Haverford Township - Board of Commissioners

Meeting: Tuesday September 3, 2024

Time: 7:00 p.m.

25. Other business

26. Adjourn

Haverford Township - Board of Commissioners

Meeting: Monday, September 09, 2024

Time: 7:00 p.m.

Location: Commissioners Meeting Room -1014 Darby Rd., Havertown PA, 19083

Regular Meeting Minutes

Opening of Meeting – President of the Board, Larry Holmes, opened the meeting. The board met in Executive Session after the last Work Session.

Roll Call – All Commissioners were present at roll call: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes,

Also present were: David R. Burman, Township Manager, John Walko, Esq., Township Solicitor, Aimee M. Cuthbertson, CPA, Assistant Township Manager, Chief John Viola, Paramedic Chief Jim McCans, Jaime Jilozian, Director of Community Development, Brian Barrett, Parks and Recreation Director and Chuck Faulkner, Pennoni Associates.

Pledge of Allegiance

Proclamations:

Letters of Commendation – First Responders

Presented by Commissioners Gondek and Quinn to several Haverford Police Officers, Manoa and Oakmont Fire Companies, Narberth Ambulance and Mercy Fitzgerald EMS.

Haverford Hawks Ice Hockey Club 50th Year Anniversary recognition presented by Commissioner Holmes

Grange Estate 50th Year Anniversary recognition presented by Commissioner Quinn

Citizens Forum – 20 Minutes – Registered Speakers – 20 Minutes – Agenda Items

The following individuals all spoke not in favor of the Paddock Park Pickleball Court:

Highlighted concerns: Township is breaking their own Noise Ordinance, need to have a compromise, it is a scourge, a detriment to their homes and 75% of those playing are not Township residents.

Mr. Paul Kelly, Mr. Jim DiMarco, Mr. Dave Ogg, Ms. Eileen Micklin, Mr. DelMonte and Mrs. DiMarco

Positive comments: residents, retirees have earned a right to play there and we are a part of the recreation it provides.

Mr. Russ Young

Bureau of Fire Update provided by Commissioner Gondek

Township Auditor Update presented by Mrs. Cuthbertson (Mr. Anderson was absent). Mr. Anderson did review the disbursements and expenses and found no irregularities.

Township Manager Update

Leaf Season pick up is coming upon us.

Township Manager David Burman shared that the Township has been so encouraged by the success of the glass recycling bin that they have decided to keep it available indefinitely. Through this initiative, we've been able to divert glass to a facility where it is being recycled into new glass (as opposed to being repurposed into landfill covering through our curbside recycling program).

Approval of Minutes Regular Meeting Minutes of August 12, 2024

Motion made by Commissioner Quinn and seconded by Commissioner Hart to adopt the Regular Meeting Minutes of August 12, 2024.

7 Commissioners voted Yes: Commissioners McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes.

Commissioners Gondek and Forste-Grupp abstained.

Approval of Warrants

Motion made by Commissioner McCloskey and seconded by Commissioner Trombetta to approve the following Warrant #9-2024 totaling \$5,495,606.01

General & Sewer fund Payroll for August 15, 2024 in the amount of \$863,180.00

General & Sewer fund Payroll for August 29, 2024 in the amount of \$753,901.97

General Fund disbursements in the amount of \$1,433,992.61

Sewer Fund disbursements in the amount of \$608,428.89

Community Development Block Grant Fund disbursement in the amount of \$303,623.99

Capital Projects Fund disbursement in the amount of \$1,403,860.40

American Rescue Plan Fund disbursement in the amount of \$108,483.05

Credit Card Statement ending August 27, 2024 in the amount of \$20,135.10

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Annual MMO (Minimum Municipal Obligation)

Motion made by Commissioner McCloskey and seconded by Commissioner Trombetta to approve the Annual Certification of Minimum Municipal Obligation as prepared by Thomas J. Anderson & Associates in the amount of \$3,352,132 for the police pension plan; \$1,776,544 for the non-uniform defined benefit pension plan and \$209,050 for the non-uniform defined contribution pension plan.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Ordinance No. P12-2024

Traffic (2nd Reading)

Motion made by Commissioner Trombetta and seconded by Commissioner McCloskey to adopt the 2nd reading of Ordinance No. P12-2024 authorize traffic restrictions on the following highways:

Stop Intersection on Morris Road, west, at the intersection of Woodcrest Avenue.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Resolution No. 2392-2024

Haverford Township Day

Motion made by Commissioner Cavender and seconded by Commissioner Quinn to adopt Resolution No. 2392-2024 that the Board of Commissioners designate Haverford Police Department's Chief John Viola, to execute any and all documents with PennDOT and be responsible for the safety and welfare of residents utilizing State Highways on Haverford Township Day, Saturday, October 5, 2024.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Resolution No. 2393-2024

ARPA – Cobbs Creek Interceptor

Motion made by Commissioner Cavender and seconded by Commissioner Trombetta to adopt Resolution No. 2393-2024 approving the use of funds from the Township's American Rescue Plan Fund allocation, as follows:

Cobbs Creek Interceptor Stabilization Project in an amount not to exceed \$120,000 which will include construction costs of \$95,800 plus design, engineering and construction management expenses.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Resolution No. 2394-2024

Traffic Signal Authorization - Lawrence Road Midblock Crossing at Lynnewood Elementary School

Motion made by Commissioner Trombetta and seconded by Commissioner Gondek to adopt Resolution No. 2394-2024 authorizing David R. Burman, Township Manager to submit Application for Traffic Signal Approval to the Pennsylvania Department of Transportation and to sign such application.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Resolution No. 2395-2024

Amended Plan Approval – 5 Llandillo Road

Motion made by Commissioner Forste-Grupp and seconded by Commissioner McCloskey to adopt Resolution No. 2395-2024 approving revisions to recorded plans for Llandillo Road Development Partners, LLC for the minor subdivision and development of 5 Llandillo Road into 13 apartments; subject to the conditions recommended within by Township Engineer.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Resolution No. 2396-2024

Preliminary/Final Land Development – Haverford Middle School Addition

Motion made by Commissioner Cavender and seconded by Commissioner Trombetta to adopt Resolution No. 2396-2024 approving the Preliminary/Final Land Development Plan for the Haverford School District for a building addition at the Haverford Middle School at 1701 Darby road, Havertown; subject to waivers contained within said Resolution.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Resolution No. 2397-2024

ARPA – Recreation Department – Brookline Park Playground Equipment and Replacement Slide at Andy Lewis Community Park

Motion made by Commissioner Hart and seconded by Commissioner Quinn to adopt Resolution No. 2397-2024 approving the use of funds from the Township's American Rescue Plan Fund allocation, as follows:

Freedom Playground at Andy Lewis Community Park – Triple Slide Replacement - \$6,546.00

Brookline Park Playground Safety Surfacing including Stone Base - \$94,255.00

Motion made by Commissioner Gondek and seconded by Commissioner McCloskey to adopt Resolution No. 2398-2024 approving the use of funds from the Township’s American Rescue Plan Fund allocation, as follows:

Super Duty F-550 4x4 chassis with Ambulance Prep Package - Total purchase amount of \$60,995

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Resolution No. 2399-2024

ARPA – Police Department – Dual Port Electric Vehicle Charging Stations

Motion made by Commissioner McCloskey and seconded by Trombetta to adopt Resolution No. 2399-2024 approving the use of funds from the Township’s American Rescue Plan Fund allocation, as follows:

Electric infrastructure improvements for the installation of (5) Dual Port Electric Vehicle Charging Stations for emergency response vehicles in an amount not to exceed \$117,000 which will include construction costs of \$89,500 plus design, engineering and construction management expenses

Agreement:

Motion made by Commissioner Forste-Grupp and seconded by Commissioner Cavender to execute the Certified Local Government (CLG) Grant Program Agreement between Haverford Township and the Pennsylvania Historical and Museum Commission.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Contract Awards

Cobbs Creek Interceptor Stabilization

Motion made by Commissioner Cavender and seconded by Commissioner Quinn to award the Cobbs Creek Interceptor Stabilization Contract to BrightFields, Inc., in the amount of \$95,800.00.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Darby Creek Trail Southern Extension Phase II

Motion made by Commissioner Hart and seconded by Commissioner Cavender to award the Darby Creek Trail Southern Extension – Phase II Contract to Frania, Inc., in the amount of \$264,500.00.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Police Department - Electric Vehicles - Charging Stations

Motion made by Commissioner Quinn and seconded by Commissioner Hart to award the Haverford Township Police Parking Upgrades for five (5) Electric Vehicle Charging Stations to Hobbs and Company, in the amount of \$89,500.00.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Lead Based Paint Testing for CDBG Housing Rehabilitation Program

Motion made by Commissioner Cavender and seconded by Commissioner McCloskey to accept Dunleavy Associates recommendation and award a Professional Services Contract for Lead Based Paint Testing, for the CDBG Housing Rehabilitation Program, to ARC Environmental.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Purchases

Public Works Department - Replacement Street Light Poles

Motion made by Commissioner McCloskey and seconded by Commissioner Cavender to authorize the purchase of two (2) street light poles and two (2) arms from Turtle (T&H) Philadelphia, in the amount of \$10,575.00.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

EMS Ambulance Chassis

Motion made by Commissioner Gondek and seconded by Commissioner McCloskey to authorize the purchase of one (1) 2024 Ford Super Duty F-550 4x4 Chassis with Ambulance Prep Package from Hondru Fleet, under CoStars Contract Number 013-E23-280, in the amount of \$60,995.00.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Recreation Department

Motion made by Commissioner Hart and seconded by Commissioner Quinn to authorize the purchase of Rubber Safety Surfacing for Brookline Park, from General Recreation, Inc., in the amount of \$94,255.00.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Motion made by Commissioner Hart and seconded by Commissioner Cavender to authorize the purchase of replacement site lights at Jack McDonald Field, from Denney Electric Supply, under Co-Stars Contact #018-E22-017, in the amount of \$20,600.00.

All Commissioners voted Yes: Commissioners Gondek, Forste-Grupp, McCloskey, Cavender, Quinn, Hart, McCollum, Trombetta and Holmes

Appointment:

Senior Citizens Advisory – 6th Ward - postponed

Continuation of Citizen's Forum for Non-Agenda Items

The following residents spoke again concerning the Pickleball Court:

Michael Lee – against – noise

Vincent DeMarco – in favor – grow and learn a new skill

Ed Manley – raised questions

Jaime Parker – compromise is needed and did ask if the Shade Tree Lottery is this month?

Mr. DeMarco spoke again...what is the next step?

Ms. Eileen Burroughs – this park and court are a part of our lives. She is in favor.

Mrs. DeMarco and Mr. Kelly also spoke again.

A gentleman by the name of Dev (spelling?) stated this is a township problem and not a Paddock Park problem.

New business – no new business

Other business

1st Ward Commissioner Brian Gondek

School is back.

He offered congratulations both to the Haverford Hawks and the Grange Estate members upon reaching their 50th Anniversary.

September 28th is Movie Night in the Park – Shrek

2nd Ward Commissioner Sheryl Forste-Grupp

The opening of the Pennsy Trail was well attended. Many thanks to both Brian Barrett and Eileen Mattola.

Students are back and Election Day is right around the corner.

3rd Ward Commissioner Kevin McCloskey

The trail opening was a great event. There are many events and activities in this township and are appreciated.

5th Ward Commissioner Laura Cavender

Commissioner Cavender announced two upcoming 5K Runs: September 21st: Sts. Coleman/ Neumann and November 2nd: the Library's Dewey Decimal.

7th Ward Commissioner Conor Quinn

Commissioner Quinn is aware of residents' concerns: half road paving. There are many constraints on money. We are trying to solve some of the issues.

He has been advised that streets that have signs No Commercial Truck Parking is causing the truck owner to park on other streets.

Please remember to honor EMS, Fire and Police personnel on 9/11/2024

Commissioner Quinn did state that he is walking the trail and also reminded everyone that October 5th is Haverford Township Day.

8th Ward Commissioner Gerry Hart

The Grange Estate will hold a Cocktail Party on September 14 from 6-9 p.m.

Commissioner Hart is happy that the Board voted in favor to expand the Darby Creek Trail and the Pennsy Trail. We are being connected to other communities.

http://www.havtwp.org/Board_of_Commissioners.html#sec10

9th Ward Commissioner Mike McCollum

Everyone has already announced everything but he did state that Saturday was a great event.

4th Ward Commissioner Judy Trombetta

Commissioner Trombetta thanked everyone for sharing their thoughts on the Pickleball Court. She has been monitoring the court. She did state that there have been changes and looks forward to a path to move forward.

6th Ward Commissioner Larry Holmes

Commissioner Holmes announced that a new Mental Health Text Number is 988.

He also thanked everyone involved in the extension of the Pennsy Trail.

Commissioner Holmes stated that we are working on Pickleball comprises.

The Board agreed to adjourn.

Letter of Commendation

The Board of Commissioners of the Township of Haverford wishes to express our deepest gratitude and commendation for the exemplary actions of the selfless volunteers and dedicated personnel who responded to the emergency incident on May 11th, 2024, at 13:24pm, at the intersection of West Chester Pike and Glen Gary Road.

The situation, initially reported as an accident with entrapment, was quickly assessed by Assistant Chief Thomas Straub of Oakmont Fire Company. Deputy Chief Lou Lattanzio and his team from Manoa Fire Company took decisive action to manage the scene, control hazards, and provide critical medical care. Notably, Officer Colin Patrick from the Haverford Township Police Department identified a patient in need of immediate assistance, as he had seized and lost vital signs. This prompted a coordinated effort to provide CPR and use an AED, which was instrumental in saving the patient's life. The patient's vitals were restored and his care, along with that of the other injured parties, was transferred to arriving paramedics from Narberth Ambulance and Mercy Fitzgerald Hospital, along with units from other surrounding communities.

The quick and coordinated response by these teams showcases the strength and preparedness of our emergency services. Their courage and professionalism in the face of a challenging situation are a testament to their commitment to our community's safety.

We would like to recognize and commend the following individuals for their outstanding service and your dedication and heroic actions have made a significant impact on our community; we are proud to have such exemplary individuals serving Haverford Township.

Haverford Township Police

- Sgt. James Reynolds
- Officer Colin Patrick
- Officer Todd Howe

Proclamation

Honoring the Haverford Hawks Ice Hockey Club 50th Anniversary

Whereas, the Haverford Hawks Ice Hockey Club has been a cornerstone of youth sports in Delaware and Montgomery counties for the past 50 years, promoting and organizing the sport of ice hockey for generations of young athletes; and

Whereas, the Haverford Hawks have provided opportunities for children ages 6 to 18 to not only learn and excel in hockey but also to develop crucial life skills such as respect for peers, coaches, officials, and the broader community; and

Whereas, through their dedication to sportsmanship, physical and emotional health, and the values of teamwork, the Haverford Hawks have positively impacted the lives of countless players, who have gone on to become both skilled athletes and upstanding members of the community; and

Whereas, in 2024, the Haverford Hawks Ice Hockey Club will commemorate 50 years of excellence and, through a celebratory ceremony at the Skatium on September 14, 2024, will pay tribute to those who have contributed to the club's success; and

Whereas, the Haverford Township Board of Commissioners wishes to recognize the invaluable contributions of the Haverford Hawks Ice Hockey Club, not only to the sport of ice hockey but to the fabric of our community over the past 50 years.

Now, therefore be it Proclaimed, that the Haverford Township Board of Commissioners does hereby honor and commend the Haverford Hawks Ice Hockey Club on their 50th Anniversary, acknowledging their profound impact on the youth of our community and celebrating their legacy of excellence in sportsmanship and community spirit; and

Be it further Proclaimed, that the Haverford Township Board of Commissioners wishes to express our gratitude to the Haverford Hawks Ice Hockey Club for their commitment to Haverford Township in allowing our Skatium to be its home for so many years.

Proclaimed this 9th day of September, 2024.

Township of Haverford

C. Lawrence Holmes, Esq., President

David R. Burman, Township Manager

Proclamation

Whereas, the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, takes great pleasure in recognizing one of many Haverford Township historical properties which offers beauty and serenity; and

Whereas, Commissioners and residents of Haverford Township wish to acknowledge and celebrate

Haverford Township's Grange Estate - 50th Anniversary Milestone

Whereas, the Grange Estate has served as a vital hub for educating the community on the historic significance of the property, engaging the community in its holiday festivities, providing a peaceful haven within the gardens and grounds and enhancing the quality of life for residents of all ages; and

Whereas, Henry Lewis purchased the land in 1682 and arrived later that year in Haverford Township. Henry Lewis, Jr. began to build the current mansion in about 1700 - after his father's death; and

Whereas, the Grange Estate was sold to Haverford Township in May of 1974; and

Whereas, the Grange Estate is also known as **Maen-Coch** and **Clifton Hall**.

Now, therefore, be it Proclaimed that the Board of Commissioners of the Township of Haverford, extend to all members continued best wishes and offer a Special "thank you" for your service and dedication to this day to day magnificent Haverford Township gem.

Proclaimed this 9th day of September, 2024.

Township of Haverford

RE: 2025 Financial Requirement and Minimum Municipal Obligation

Dear Aimee:

Enclosed is the Financial Requirement and Minimum Municipal Obligation (MMO) for your municipality's Pension Plan(s) for the upcoming 2025 plan year. Act 205 requires that the Chief Administrative Officer (CAO) of the pension plan(s) shall submit to the governing body of the municipality the financial requirement. **This annual report must be presented to the governing body on or before the last business day in September (September 30, 2024).**

The payroll amount used in your 2025 budget was computed by obtaining from you, the earnings for the active full-time members of the pension plan(s) as of June 30, 2024 and then doubling this figure in order to arrive at the projected annual payroll for the year in which the budget is prepared. The budgeted administrative expenses were based upon the expenses reported in the plan(s)' most recent Act 205 Actuarial Report.

Line 9 of the plan(s) MMO represents the minimum obligation permitted based upon actuarial smoothing. Line 10 reflects the MMO based upon the plan(s) market value of assets. The reason we are bringing this to your attention is to make you aware of the plan(s) higher MMO requirement(s) based upon market value without the smoothing provision.

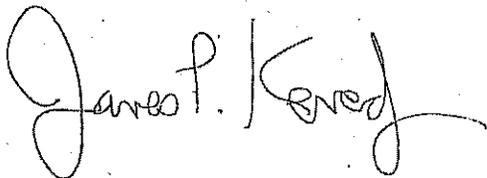

We understand the economic hardships that are facing local governments; however, from an actuarial funding standpoint we strongly recommend, if at all possible, your municipality gives consideration to providing additional funding above the minimum smoothing based MMO requirement(s).

Ms. Aimee Cuthbertson, CPA
August 1, 2024
Page two

In order to avoid any confusion, we are requesting that you identify the MMO on line 9 or 10 and the amount your municipality elects to utilize in funding the plan's 2025 MMO obligation and clearly write in your election # and the dollar amount on the 2025 MMO budget worksheet in the spaces provided above the signature line.

These reporting requirements will be closely monitored by the Department of the Auditor General in future audits. Therefore, if you should have any questions concerning any of the above, please do not hesitate to contact our office. Upon approval, please forward a signed/dated copy of this 2025 MMO budget(s) for our records with your election(s).

Sincerely,

A handwritten signature in cursive script that reads "James P. Kennedy". The signature is written in dark ink and is positioned above the typed name.

JAMES P. KENNEDY
President

Township of Haverford

Ordinance No. P12-2024

(Formatted for Accessibility)

An Ordinance of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania, further amending and supplementing Ordinance No. 1960, adopted June 30, 1986, and known as "General Laws of the Township of Haverford" Chapter 175, Vehicles and Traffic.

Be it enacted and ordained by the Board of Commissioners of the Township of Haverford, County of Delaware, Commonwealth of Pennsylvania:

Section 1. That Section 175-83, Schedule VIII: STOP INTERSECTIONS:

On Morris Road, west, at the intersection of Woodcrest Avenue.

Section 2. Upon effective date of this ordinance, the Highway Department shall install appropriate signs in the designated section or zones giving notice of the regulations aforesaid.

Section 3. Any ordinance or part of an ordinance to the extent that it is inconsistent herewith is hereby repealed.

Adopted this 9th day of September, 2024.

Township of Haverford

Resolution 2394-2024

American Rescue Plan Act Coronavirus Local Fiscal Recovery Fund

Whereas, Haverford Township's direct allocation from the Coronavirus State and Local Fiscal Recovery Fund was \$19.8 million;

Whereas, on April 1, 2022, the U.S. Department of Treasury released the Final Rule covering the Coronavirus State and Local Fiscal Recovery Fund, as created and directed by the American Rescue Plan Act authorizing recipients to use funds to invest in public health improvements, economic recovery and development, services to disproportionately affected communities, infrastructure improvements and general government services, among other allowable purposes; and,

Whereas, the Board of Commissioners desires to make improvements and financial investments in Township projects and initiatives in accordance with the allowable spending structure as described by the U.S. Department of Treasury's Final Rule, as follows:

Cobbs Creek Interceptor Stabilization Project in an amount not to exceed \$120,000 which will include construction costs of \$95,800 plus design, engineering and construction management expenses.

Now, Therefore, be it Resolved, that the Board of Commissioners of Haverford Township hereby approves the use of funds from the Township's American Rescue Plan Fund allocation for the above referenced projects and initiatives.

Resolved this 9th day of September, 2024.

Application for Traffic Signal Approval

Please Type or Print all information in Blue or Black Ink

County : _____
Engineering District : _____
Department Tracking # : _____
Initial Submission Date : _____

E - Applicant (Municipal) Certification

The applicant desires to own, operate, and maintain the traffic control device in the location indicated above; and the Vehicle Code requires the approval of the Department of Transportation ("Department") before any traffic signals may be legally erected or modified. A signed Application for Traffic Signal Approval (TE-160) must be submitted in conformance with the instructions provided by the Department, and a Traffic Signal Permit must be issued, before any work can begin.

If the Department approves a traffic signal after a traffic engineering study and engineering judgment indicates the need, the traffic signal shall be installed, owned, operated, and maintained within the parameters indicated in the Vehicle Code and the Department's regulations relating to traffic signs, signals, and markings. The Department may direct appropriate alterations to the design or operation (including, but not limited to, hours of operation) of the traffic signal, or require removal of the traffic signal, if traffic conditions or other considerations necessitate alteration or removal.

All items associated with the traffic control device (geometric features, signs, signals, pavement markings, pedestrian accommodations, and other traffic control device associated items) are the applicant's responsibility. The Traffic Signal Permit will then document all of the items associated with operation of each traffic control device. The applicant, at its sole expense, shall provide the necessary inspection, maintenance, and operation activities in conformance with the Department's Publication 191 or as otherwise agreed to by the Department. The applicant shall perform the preventative and responsive maintenance requirements and recordkeeping in accordance with the exhibits specified below. If the applicant fails to provide the required inspection, maintenance, or operation services within thirty (30) days of receipt of written notice from the Department, the Department shall have the right to perform the required inspection, maintenance, or operation services in the applicant's stead and the applicant shall reimburse the Department for all costs incurred. Federal- and/or state-aid participation may be withheld on all future projects if the applicant fails to demonstrate to the Department the ability to provide all required maintenance and operation services. The applicant certifies that it has funds available and committed for the operation and maintenance of the traffic control device and that it will make available sufficient funds for all required future inspection, maintenance, and operation activities.

The applicant shall indemnify, save harmless and, defend (if requested) the Commonwealth of Pennsylvania, its agents, representatives, and employees from and against any damages recoverable under the Sovereign Immunity Act, 42 Pa. C.S. §§ 8521-8528, up to the limitations on damages under said law, arising out of any personal injury or damage to property which is finally determined by a court to be caused by or result from acts or omissions of the applicant and for which a court has held applicant, its officials, or employees to be liable. This provision shall not be construed to limit the applicant in asserting any rights or defenses. Additionally, the applicant shall include in any contracts into which it enters for maintenance, operation, or inspection of the traffic control device this same obligation to indemnify the Commonwealth and its officers, agents, and employees; and it shall require its contractor(s) to provide public liability insurance coverage, naming the Commonwealth and the applicant as additional insureds for bodily injury, including death and property damage, in the minimum amounts of \$500,000 per person, \$1,000,000 per occurrence, it being the intention of parties to have the contractor fully insure and indemnify the Commonwealth and the applicant.

The applicant shall comply with the study and ordinance requirements of 75 Pa. C.S. § 6109. The applicant submits this application with the intention of being legally bound.

Neither this application nor any Traffic Signal Permit creates any rights or obligations with respect to parties other than the applicant and the Department. Third parties may not rely upon any representations made by either the applicant or the Department in connection with the submission or approval of this application or any work permitted or approved that is related to this application, as regards either payment of funds or performance of any particular item of maintenance precisely as specified.

The applicant agrees to comply with the attached Exhibits:

- Exhibit "A": Preventative and Response Maintenance Requirements (Sheet 3 of 5)
- Exhibit "B": Recordkeeping (Sheet 4 of 5)
- Exhibit "C": Signal Maintenance Organization (Sheet 5 of 5)

 Preventative and Response Maintenance
 Requirements**

County : _____
 Engineering District : _____
 Department Tracking # : _____
 Initial Submission Date : _____

Preventive Maintenance

The APPLICANT or its contractor will provide preventive maintenance for each individual component of the traffic signal installation covered by this application at intervals not less than those indicated in the Preventive Maintenance Summary, PA DOT Publication 191, current version. This is the recommended level of maintenance to keep the intersection control equipment and signals in mechanically, structurally and aesthetically good condition.

Response Maintenance

The APPLICANT or its contractor will provide response maintenance in accordance with the provisions of the Response Maintenance Schedule. It encompasses the work necessary to restore a traffic signal system to proper and safe operation. Includes Emergency Repair and Final Repair.

FINAL REPAIR:

Repair or replace failed equipment to restore system to proper and safe operation in accordance with permit within a 24-hour period.

EMERGENCY REPAIR:

Use alternative means or mode to temporarily restore system to safe operation within a 24-hour period. Final repair must then be completed within 30 days unless prohibited by weather conditions or availability of equipment.

Response Maintenance Schedule

<u>KNOCKDOWNS</u>	<u>TYPE OF REPAIR PERMITTED</u>
Support - Mast arm	Emergency or Final
Support - Strain pole	Emergency or Final
Span wire/tether wire	Final Only
Pedestal	Emergency or Final
Cabinet	Emergency or Final
Signal heads	Final Only
 <u>EQUIPMENT FAILURE</u>	
Lamp burnout (veh. & ped.)	Final Only
Local controller	Emergency or Final
Master controller	Emergency or Final
Detector sensor	
- Loop	Emergency or Final
- Magnetometer	Emergency or Final
- Sonic	Emergency or Final
- Magnetic	Emergency or Final
- Pushbutton	Emergency or Final
Detector amplifier	Emergency or Final
Conflict monitor	Final Only
Flasher	Final Only
Time clock	Emergency or Final
Load switch/relay	Final Only
Coordination unit	Emergency or Final
Communication interface, mode	Emergency or Final
Signal cable	Final Only
Traffic Signal Communications	Final Only
Traffic Signal Systems	Final Only

**Exhibit "B":
Recordkeeping**

County : _____

Engineering District : _____

Department Tracking # : _____

Initial Submission Date : _____

Recordkeeping

Accurate and up-to-date recordkeeping is an essential component of a good traffic signal maintenance program. In recognition of this fact, the APPLICANT must prepare, retain, and make available to the COMMONWEALTH, on request, a record of all preventive and response maintenance activities performed on the traffic signal equipment covered by this application.

The APPLICANT shall establish a separate file for each installation and keep its records in the municipal building, signal maintenance shop, or other weather-protected enclosure.

At a minimum, the following records will be kept by the APPLICANT or its contractor for each traffic signal. These forms can be found in Section 10.0, Maintenance Record Forms, PA DOT Publication 191, current version.

FORM 1 - Master Intersection Record

This form, which lists all maintenance functions performed at the intersection, should be updated within one day of the activity but no more than one week later.

FORM 2 - Response Maintenance Record

Each time response maintenance is required at the intersection, this form is to be completed. Once the pertinent information is transferred to the master intersection record, this form is to be placed in the intersection file.

FORM 3 - Preventive Maintenance Record

This form will be used to provide a record of the preventive maintenance activities performed at each intersection. The date, the activities performed, and the signature of the person in charge of the work must be recorded in the form.

This form may be kept at the intersection, if it is adequately protected from the weather. Form 1 must be updated at the central file, however, to reflect the date and activity.

Personnel Classifications

In order to properly maintain the traffic signal equipment covered by this applicant, the APPLICANT agrees to provide, as minimum, the following staff throughout the useful life of equipment. The APPLICANT agrees to abide by all guidance provided in PA DOT Publication 191.

Traffic Engineer - The administrative position which has prime responsibility for the proper operation of traffic signal equipment. The principal function of this position is the supervision and control of subordinate personnel and the planning of their activities to ensure adequate preventive and response maintenance programs.

Minimum Position Requirements

1. A thorough understanding of traffic signal design, installation and maintenance.
2. A working knowledge of the interaction between the following traffic characteristics: Intersection geometry, traffic flow theory, control type (fixed time, actuated, etc.), signal phasing and timing, and interconnection.
3. An ability to supervise subordinate personnel effectively in the assignment of their work.
4. Possession of a college degree in engineering, which includes course work in traffic engineering.
5. Either four years experience in the field of traffic engineering or its equivalent in graduate college work.

Signal Specialist - The individual responsible for the diagnostics and repair of all traffic signal equipment including solid state equipment.

Minimum Position Requirements

1. Extensive training and troubleshooting skills in electronics and software.
2. Ability to repair modules in the shop and to design test equipment needed to diagnose and repair a problem.
3. Ability to make design and modifications to implement or omit special functions.
4. Ability to implement a recordkeeping system to include maintenance activities, inventory control and identification of recurring problems.
5. Ability to perform all tasks required of a signal technician.

Signal Technician - Individual responsible for the operation and maintenance of traffic signals and electromechanical equipment.

Minimum Position Requirements

1. Ability to perform response maintenance on solid state equipment up to the device exchange level.
2. Capability to diagnose a vehicle loop failure and initiate corrective action.
3. Ability to tune detector amplifiers.
4. Ability to follow wiring schematics, check and set timings from plan sheet and check all field connections.
5. Ability to perform preventive maintenance on all equipment and to maintain accurate records of all work perform.

Training

The APPLICANT agrees to secure training in order to upgrade the ability of its present staff to properly perform the required maintenance functions. The APPLICANT agrees to abide by all guidance provided in PA DOT Publication 191.

Budget Requirements

The APPLICANT agrees to provide, in its annual operating budget, dedicated funds which are sufficient to cover the cost of the personnel, training, contractors (if utilized) and specialized maintenance equipment which are required, by virtue of this application. The APPLICANT agrees to abide by all guidance provided in PA DOT Publication 191..

Application Instructions

A - Applicant's (Municipal) Contact Information

Municipal Contact's Name: Provide the municipal contact name that is (or will be responsible) for the traffic signal. Typically this is either the Municipal Manager or Roadmaster.

Title: Provide the title of the municipal contact name.

Municipal Name: Provide the official municipal name.

Municipal Address: Provide the full address of the municipal building.

Municipal Phone Number: Provide the municipal phone number of the municipal contact.

Alternative Phone Number: Provide an alternative phone number of the municipal contact.

E-mail Address: Provide the e-mail address of the municipal contact.

Municipal Hours of Operation: Please provide the municipalities normal operating hours (i.e. Monday-Thursday 9 AM - 2 PM)

B - Application Description

Location (*intersection*): Please provide a detailed location of the device or devices being considered for approval.

Please include any State Route and/or local road names in your description.

Traffic Control Device is: (Please select one of the two following categories)

NEW Traffic Signal: This item should be selected when requesting approval of a traffic signal that is currently not in operation at the device location indicated above.

EXISTING Traffic Signal: This item should be selected when requesting approval to make a modification or update to an existing traffic signal.

(Permit Number): Please provide the traffic signal permit number.

Type of Device (select one): (Please select one of the four following categories)

Traffic Control Signal: As defined in federal Manual on Uniform Traffic Control Devices (MUTCD) Sections 4D, 4E, and 4G. When selecting this category this is the typical red/yellow/green and pedestrian signal indications

Flashing Beacon: As defined in federal Manual on Uniform Traffic Control Devices (MUTCD) Section 4L. When selecting this category, this is typically either the flashing yellow/red signal at an intersection and/or the flashing yellow warning sign.

School Warning System: As defined in federal Manual on Uniform Traffic Control Devices (MUTCD) Section 7B. When selecting this category, this is typically the flashing school warning sign with a 15 mph indication.

Other: When selecting this category, this pertains to all other permitted electrically powered traffic control devices approved by the Department.

Is Traffic Signal part of a system?: Check off the appropriate box, either YES or NO. If YES, please fill in the **System Number (if applicable):** line.

Explain the proposed improvements: Provide a description of the proposed improvements to the intersection. This may be as complex as installing and/or upgrading a traffic signal or as non-complex as placement of a new traffic sign to supplement an existing traffic signal.

Associated with Highway Occupancy Permit (HOP): Check off the appropriate box, either YES or NO. If YES, please fill in the **Application #:** line.

C - Maintenance and Operation Information

Maintenance and Operations are typically performed by?: Please indicate if maintenance and operation will be performed by Municipal Personnel or through Contract Services.

Maintenance and Operations Contact Name: Provide the primary maintenance contact name for the individual that is (or will be responsible) for the maintenance and operation of the traffic signal.

Company/Organization: Provide the name of the company/organization with which the primary maintenance contact is affiliated.

Phone #: Provide the phone number for the primary maintenance contact.

Alternative Phone #: Provide an alternative phone number for the primary maintenance contact or affiliated company/organization.

E-mail: Provide the e-mail address for the primary maintenance contact.

D - Attachments Listing

Check off all documents which will be submitted along with this application. Note that a Municipal Resolution, authorizing the municipal contact to submit and sign the application, is a required document.

A sample Municipal Resolution has been provided on the next page.

E - Applicant (Municipal) Certification

Printed Municipal Contact Name: Please print the name of the municipal contact person signing the application.

Date: Please provide the date on which the application was signed.

Signed By: Please provide the signature of the named municipal contact.

Title of Signatory: Please provide the title of municipal contact.

Witness or Attest: Please provide the signature of the person witnessing or attesting the signature.

Witness or Attester: Please provide the title of the person witnessing or attesting the signature.

Township of Haverford

Resolution 2396-2024

Amended Plan Approval – 5 Llandillo Road Infrastructure Projects

Resolution for approval for revisions to recorded plans for Llandillo Road Development Partners, llc for the minor subdivision and development of 5 Llandillo Road into 13 apartments, Havertown

Whereas, the Board of Commissioners approved the Preliminary/Final Minor Subdivision and Land Development Plans for Llandillo Road Development Partners, LLC (the “Developer”) on September 10, 2015 via Resolution 1992-2015; and,

Whereas, the Developer has submitted “Preliminary/Final Land Development Plans for Llandillo Road Development Partners (nine sheets) dated January 4, 2019, last revised June 14, 2023 (sheets 2 of 9 and 3 of 9 were missing), supplemented with the Cover Sheet and Existing Condition/Demolition and Erosion and Sedimentation Plan provided electronically (the “Amended Plan”); and,

Whereas, alterations of modifications of a final plan may be approved only after written acceptance by the Township Engineer and written approval of the Board of Commissioners, per §160-11 of the Township’s Subdivision & Land Development Ordinance; and,

Whereas, the Township Engineer has issued a review letter dated July 10, 2024, accepting the Amended Plan.

Now, therefore be it resolved by the Board of Commissioners of the Township of Haverford that the Amended Plan is Approved; subject to the following conditions:

A. Conditions of Plan Approval.

1. The Developer shall ensure that the Amended Plan addresses any outstanding comments in the July 10, 2024 review letter prepared by Pennoni Associates.
2. Prior to the recording the Amended Plan, the Developer shall complete all required improvements as indicated on the Amended Plan, to include any outstanding items remaining from the Township Engineer’s letter dated July 15, 2022.
3. The conditions of this Resolution shall be satisfied, and all remaining Township fees, including review and recording costs and fees, Township Engineering fees, and Township legal fees, and any other professional fees associated with the review and approval of the application, Record Plan and Amended Plan shall be paid in full before

the Amended Plan is recorded, and before any rental licenses may be issued by the Township for this Property.

This Resolution shall bind the Applicant, and the Applicant's successors and assigns. This Resolution does not and shall not authorize the construction of improvements or buildings exceeding those shown on the Plan. Furthermore, this Resolution, and the approvals/waiver and conditions contained herein, shall be rescinded automatically and deemed denied upon Applicant's failure to accept, in writing, all conditions herein imposed within ten (10) days of receipt of this Resolution, such acceptance to be evidenced by the Applicant's signature below.

Resolved and Approved this 9th day of September, 2024.

Resolution 2397-2024

Preliminary / Final Land Development

Resolution for preliminary/final land development plan approval for the Haverford School District for a building addition at the Haverford Middle School at 1701 Darby Road, Havertown

WHEREAS, Act 247 of 1968, the Pennsylvania Municipalities Planning Code, empowers the Haverford Township Board of Commissioners to regulate subdivisions and land developments within the Township; and

WHEREAS, Haverford Township desires orderly and appropriate land use and development to protect the health, safety, and welfare of residents; and

WHEREAS, Haverford Township School District (“Applicant”) desires to develop the Haverford Middle School located at 1701 Darby Road, Havertown, PA, Delaware County, known as D.C. Folio No. 22-07-00337-00 (“Property”) to add 2,500 square feet of building addition, and related stormwater management infrastructure (“Project”). The Property is zoned INS Institutional District and is located in the 7th Ward.

WHEREAS, the Preliminary / Final Land Development plan submitted for the Project was prepared by K&W Engineers, Harrisburg, PA, latest plan revision dated August 1, 2024 (“Plan”); and

WHEREAS, the Planning Commission of Haverford Township, at the public meeting of Thursday, August 8, 2024, voted to recommend approval of the Plan subject to the comments contained within the July 25, 2024 review letter prepared by Pennoni Associates; and

WHEREAS, said Plan has been submitted to the Board of Commissioners of the Township of Haverford for consideration in accordance with the Pennsylvania Municipalities Planning Code and pursuant to the Haverford Township Subdivision and Land Development Regulations, Ordinance 1960, Chapter 160, Sections 4. A and B.

NOW, THEREFORE, BE IT RESOLVED by the Board of Commissioners of the Township of Haverford that the Plan is APPROVED subject to the following conditions:

A. Conditions of Plan Approval.

1. The Applicant must ensure that the Plan address any outstanding comments in the July 25, 2024 civil engineer review letter prepared by Pennoni Associates. Further, the

Applicant shall comply with future review letters related to future Plan revisions made in response to prior comments to the reasonable satisfaction of the Township Engineer.

2. A subsequent recordable final plan shall be submitted for internal Township review that addresses all Township review letter requests, further Plan details and clarifications, or revisions based upon the terms of this Resolution.

the Amended Plan is recorded, and before any rental licenses may be issued by the Township for this Property.

3. Applicant must comply with any applicable requirements of the Delaware County Conservation District, Pennsylvania Department of Environmental Protection, Pennsylvania Department of Transportation (including, but not limited to, obtaining any necessary Highway Occupancy Permits and Signal Permits required by PennDot), United States Environmental Protection Agency, or any other necessary outside agency, and obtain any necessary planning modules, approvals, or permits from such agencies, or enter into any required agreements such agencies require, before the Plan is recorded.

4. Pursuant to Section 78-51 of the Township Code, Applicant shall pay the required contribution to the Township Stormwater BMP Operation and Maintenance Fund in the amount calculated by the Township Engineer.

5. The conditions of this Resolution must be satisfied, and all fees and costs set forth in this Resolution shall be paid, before the issuance of a building permit for the Project.

6. Applicant must complete and record all required easements and/or maintenance agreements or declarations, including, but not limited to, a stormwater management facilities operation and maintenance agreement (requiring, in part, perpetual maintenance of all stormwater management facilities installed according to the Plan by the landowner of the Property) in forms reasonably satisfactory to the Township Engineer and Township Solicitor prior to recording the Plan. Applicant will provide all necessary legal descriptions for any necessary easements.

7. Prior to recording the Plan, the Applicant shall execute a Land Development and Financial Security Agreement to guarantee the installation of all public improvements associated with the Project ("Improvements") on a form drafted by the Township Solicitor. Financial Security shall take the form of a cash escrow held by the Township, an irrevocable standby letter of credit in a form acceptable to the Township Solicitor, or a tri-party agreement in a form acceptable to the Township Solicitor. If Applicant were to post financial security in the form of a bond, the Township Solicitor shall have the unconditional right to review the bond and must approve the conditions and language of the bond. Further, the bond shall be issued by a "AAA" rate surety, or its equivalent, qualified to do business in Pennsylvania, and shall contain language stating that the bond is to be payable upon demand, absolutely, and unconditionally, and if payment is not made, that the bonding company shall be responsible for reasonable attorneys' fees and costs that are incurred to collect on the bond, plus interest at the annual rate of twelve (12%) percent, for so long as the bond remains unpaid. A bond or letter of

of twelve (12%) percent, for so long as the bond remains unpaid. A bond or letter of credit is required to automatically renew annually until the Improvements detailed on the Plans are completed, any maintenance periods have passed, and the final release is issued by the Township, subject to partial releases being permitted in accordance with Pennsylvania Municipalities Planning Code. To ensure automatic renewal, a bond or letter of credit shall include a 90-day Evergreen Clause in a form acceptable to the Township Solicitor.

8. Financial security shall be posted in the amount of 110% of the total cost of the Improvements. The Applicant agrees that the Improvements shall include, but shall not be limited to, streets, parking areas, striping, drive aisles, curbs, water mains, sanitary sewer pipes, manholes and appurtenances thereto, stormwater facilities, rain gardens and appurtenances, grading, erosion and sediment controls, public lighting, required trees, shrubs, plantings and landscape buffering, monuments, pins, sidewalks, or other public improvements designated by the Township Engineer. For a period not less than 18 months after Township Engineer approval of the Improvements, financial security shall remain posted in the amount of 15% of the total cost of the Improvements that are to be dedicated to the Township, if any.

9. All outstanding Township fees, including review and recording costs and fees, Township Engineering fees, and Township legal fees, and any other professional fees associated with the review and approval of the application and Plan shall be paid in full before the Plan is recorded, in accordance with the Pennsylvania Municipalities Planning Code.

10. Prior to recording the Plan, and in addition to the financial security posted for the Project, Applicant shall deposit with the Township or otherwise establish a reasonable sum of monies with the Township, in an amount to be reasonably determined by the Township Engineer, as to be further described in the Land Development and Financial Security Agreement, for the reimbursement of the Township's reasonable engineering, inspection, legal, and related administrative costs and expenses related to the further reviews, inspections, and development of the Project, in accordance with the Pennsylvania Municipalities Planning Code.

11. A note shall be included on the Plan listing any waivers granted by the Board of Commissioners.

12. A note shall be included on the Plan listing the zoning relief granted by the Zoning Hearing Board at their meeting on July 18, 2024.

13. The terms and conditions of this Resolution shall run with the land and shall apply to any assignee, transferee, or other successor in interest in the Property or the development of the Project. This Resolution or a memorandum of this Resolution may be recorded against the Property by the Township, or a subdivided portion of the Property, at the Township's sole discretion, to which the then-current landowner of the Property shall be deemed to have consented to such recording. Regardless of whether this Resolution is recorded, the Township shall have the right to enforce any violations of the conditions of this Resolution as a violation of the Township's Subdivision of Land

Chapter and/or pursuant to Section 616.1 of the Pennsylvania Municipalities Planning Code.

B. Waivers. The Applicant has requested the following waivers from the Township's Subdivision of Land Chapter pursuant to a written waiver request. An indication that a waiver was granted reflects that the Township has determined that the Applicant has sufficiently established that the literal enforcement of the provision waived will exact undue hardship

because of peculiar conditions pertaining to the land in question, and that the waiver is not contrary to the public interest or otherwise contrary to the purpose and intent of the Township Code, as demonstrated and explained by appearances of the Applicant before the Board at public meetings and through the waiver request letter(s) submitted. A lack of indication of the decision on the waiver after the Township has executed this Resolution shall be interpreted to mean that the waiver was granted, unless the minutes of the associated Township meeting reflect otherwise:

1. From Section 160-3.B to request a waiver to submit a final plan simultaneously with a final plan. The waiver is hereby:

Granted _____ Denied _____

2. From Section 160-4.E(5)[b] to not provided the required plan details within 2,000 feet of the site. The waiver is hereby:

Granted _____ Denied _____

3. From Section 160-4.E(5)[e](3) to not provide the required plan details within 200 feet of the site. The waiver is hereby:

Granted _____ Denied _____

4. From Section 160-4.E(5)[e](4) to not provide the required plan details within 400 feet of the site. The waiver is hereby:

Granted _____ Denied _____

5. From §160-4.E(5)[e](4) regarding the requirement to indicate all storm drainage, sanitary sewer and public water supply lines of facilities within 400 feet of the site.

Granted _____ Denied _____

6. From §160-4.E(5)[e](1) regarding the requirement for a physical survey of the parcel to be developed showing all courses in minutes, seconds and degrees, distances to the nearest hundredth of a foot, physical area, monuments, existing easements, and rights-of-way.

Granted _____ Denied _____

This Resolution shall bind the Applicant, and the Applicant's successors and assigns. This Resolution does not and shall not authorize the construction of improvements or buildings exceeding those shown on the Plan. Furthermore, this Resolution, and the approvals/waiver and conditions contained herein, shall be rescinded automatically and deemed denied upon Applicant's failure to accept, in writing, all conditions herein imposed within ten (10) days of receipt of this Resolution, such acceptance to be evidenced by the Applicant's signature below.

Resolved and Approved this 12th day of August, 2024.

**RE: Preliminary/Final Land Development Plan
Haverford Middle School- 1701 Darby Road- 2nd Review**

Dear Ms. Jilozian:

As requested, we have reviewed the following information prepared by K&W Engineers submitted for the referenced project:

- *"Preliminary/Final Land Development Plan"* (eight sheets) dated May 9, 2024, last revised July 15, 2024.
- *"Post-Construction Stormwater Management Narrative and Calculations"* dated May 9, 2024, last revised July 16, 2024.
- Supporting documentation

The applicant, the School District of Haverford Township, proposes to construct a building addition at the referenced property. One (1) subsurface stormwater management system is proposed for stormwater management. The property is located within the INS-Institutional Zoning District and is serviced by public water and sanitary sewer. It is our understanding that no increase in the number of students or staff is associated with this application.

The applicant is requesting the following waivers:

- From §160-3.B regarding the requirement for preliminary plan submission.
- From §160-4.E(5)[b] regarding the requirements to indicate property lines, other subdivisions or land developments, and zoning boundaries within 2,000 feet of the site.
- From §160-4.E(5)[e](3) regarding the requirement to show the location, names and widths of streets, curbs and pavement, all property lines and names of owners of tracts or parcels located within 200 feet of the site.
- From §160-4.E(5)[e](4) regarding the requirement to indicate all storm drainage, sanitary sewer and public water supply lines of facilities within 400 feet of the site.
- From §§160-4.E(5)[e](1) regarding the requirement for a physical survey of the parcel to be developed showing all courses in minutes, seconds and degrees, distances to the nearest hundredth of a foot, physical area, monuments, existing easements, and rights-of-way.

The applicant is requesting the following zoning relief:

- From §182-602.C(3) regarding the requirement of maximum building coverage in the institutional zoning district.
- From §182-602.C(8) regarding the requirement of maximum impervious coverage ratio in the institutional zoning district.
- From §108-707.B regarding the requirement of minimum parking as 1 space for each 1,000 sf of gross floor area.

We offer the following comments:

ZONING

1. The zoning data table indicates a decrease in impervious coverage. Impervious areas proposed to be removed should be identified on the plan. **Addressed.**

SUBDIVISION AND LAND DEVELOPMENT

2. A physical survey of the parcel to be developed showing all courses in minutes, seconds and degrees, distances to the nearest hundredth of a foot, physical area, monuments, existing easements, and rights-of-way are to be provided on the plan, or a waiver requested. (§160-4.E(5)[e](1)) **The applicant has requested a waiver from this requirement.**
3. Contours of the entire tract area to be provided, or a waiver requested. (§160-4.E(5)[e](2)) **Addressed.**
4. A site plan indicating required setbacks should be provided, or a waiver requested. (§160-4.E(5)[g](9)) **Addressed.**

STORMWATER MANAGEMENT

5. The Infiltration Testing Analysis section (Appendix F) of the Soil report does not recommend stormwater be infiltrated in the area of the proposed Subsurface MRC facility. Please clarify what measures have been taken to address the issues indicated in the report. **Addressed. The proposed MRC facility has been removed from the stormwater management design.**
6. The outlet for the proposed stormwater facility is indicated as connecting to an existing 6-inch roof drain pipe. Additional information should be provided regarding the pipe, including the integrity, capacity, and the ultimate discharge location, and any other areas that contribute flow to this pipe. Also, please clarify whether this pipe is being replaced under the proposed building addition. Lastly, there appears to be no elevation or depths of the existing roof drain pipe. It is unclear if this facility can be installed at the proposed elevations. **The applicant has indicated this information will be provided once a field examination is completed.**
7. The water quality calculation in accordance with §78-35 is required. **The water quality calculation should be calculated to consider the percentage of impervious within the entire limit of disturbance.**
8. The extent of post-development drainage area 1B should be clearly delineated on the drainage area map. (§78-25.D(3)) **Addressed.**
9. A detail for the outlet structure for the proposed MRC facility should be provided. (§78-25.D(3)) **Addressed.**
10. The invert elevation indicated in the stormwater report for the primary outlet device for the proposed infiltration facility outlet structure is inconsistent with the detail provided on the plan. (§78-25.D(3)) **Addressed.**

11. It is unclear which infiltration tests are associated with "TP-2". Please clarify. (§78-25.D(3))
12. Areas proposed for infiltration are to be protected from compaction during construction. It is unclear how this will be accomplished given the given the basin is under the only access route to/from the proposed building. (§78-32.E(1))
Addressed.
13. Pre-treatment is required prior to discharge to the proposed stormwater management facilities. (§78-30.K)
14. Verify no new utilities services will be required for the addition. ((§78-25.B(50)) **Addressed**
15. Compost filter sock should be provided to minimize sediment leaving the site. (§78-25.B(20)) **Partially addressed. It appears some level of controls will be need for access to/from the proposed addition area.**

GENERAL

16. The sequence of construction should clearly indicate when the stormwater management facility is to be installed.
Addressed.
17. Please indicate on the plans anticipated staging/access areas to be utilized for this construction and the associated limit of disturbance. **Addressed.**
18. Additional detail should be provided regarding restoration of disturbed areas. It is unclear if the disturbed area outside of the proposed building addition is intended to be paved or grass area. **Addressed.**
19. The height of the proposed building addition should be indicated on the plan. **Addressed.**
20. If approved, a Grading, Drainage, Soil Erosion and Sedimentation Control Permit will be required.
21. A BMP Maintenance Agreement shall be executed and a contribution to the Township Stormwater Control and BMP Operation and Maintenance Fund shall be made (§78-49; §78-51).

The following comments are based on the most recent submission:

22. **Calculations should be provided to confirm that the required infiltration volume is accommodated below the lowest outlet orifice.**
23. **The 5' x 4' catch basin is proposed as a rate control structure. The applicant should confirm that adequate capacity is available to accommodate all existing/proposed flows without surcharging existing/proposed conveyance systems.**

Should you have any questions or comments, please feel free to contact the undersigned.

Sincerely,

PENNONI
